

116TH CONGRESS H.R. 6620

To authorize grants to address substance use during COVID-19.

IN THE HOUSE OF REPRESENTATIVES

April 24, 2020

Ms. Kuster of New Hampshire (for herself and Mr. Katko) introduced the following bill; which was referred to the Committee on Energy and Commerce

A BILL

To authorize grants to address substance use during COVID-19.

1	Be it enacted by the Senate and House of Representa-
2	tives of the United States of America in Congress assembled,
3	SECTION 1. FINDINGS.
4	Congress finds the following:
5	(1) In 2018, an estimated 164,800,000 people
6	aged 12 or older in the United States, or 60.2 per-
7	cent, were past month substance users (including,
8	tobacco, alcohol, or illicit drugs).
9	(2) In 2018, nearly 1 in 5 people aged 12 or
10	older in the United States, or 19.4 percent, used an

- 1 illicit drug in the past year, which is a higher per-2 centage than in 2015 and 2016.
- 3 (3) In 2018, an estimated 10,300,000 people 4 aged 12 or older in the United States misused 5 opioids in the past year, including 9,900,000 pre-6 scription pain reliever misusers and 808,000 heroin 7 users.
 - (4) In 2017, overdose deaths involving opioids in the United States, including fentanyl, was 6 times higher than in 1999.
 - (5) The age-adjusted rate of drug overdose deaths involving synthetic opioids in the United States other than methadone increased by 10 percent from 2017 to 2018.
 - (6) In 2018, approximately 20,300,000 people aged 12 or older in the United States had a substance use disorder related to their use of alcohol or illicit drugs in the past year.
 - (7) In 2018, an estimated 21,200,000 people aged 12 or older in the United States needed substance use treatment.
 - (8) According to the Substance Abuse and Mental Health Services Administration, COVID-19 will certainly contribute to growth in the numbers referred to in the preceding paragraphs. Individuals

- 1 across the United States will struggle with increases
- 2 in depression, anxiety, trauma, and grief. There is

also anticipated increase in substance misuse in the

- 4 United States as lives are impacted for individuals
- 5 and families.

3

6 SEC. 2. GRANT PROGRAM ON HARMS OF DRUG MISUSE.

- 7 (a) In General.—The Assistant Secretary shall
- 8 award grants to States, territories, counties, Tribes, Trib-
- 9 al organizations, and community-based entities to address
- 10 the harms of drug misuse, such as by—
- 11 (1) addressing the spread of HIV/AIDS and
- hepatitis C;
- 13 (2) connecting individuals with a substance use
- 14 disorder to overdose education, counseling, and
- 15 health education; or
- 16 (3) encouraging such individuals to take steps
- to reduce the negative personal and public health
- impacts of substance use during any emergency pe-
- riod, as defined in subparagraph (B) of section
- 20 1135(g)(1) of the Social Security Act (42 U.S.C.
- 21 1320b-5(g)(1)).
- 22 (b) Considerations.—In prioritizing grant awards
- 23 under this section, the Secretary shall take into account—
- 24 (1) the proportion of people in the area served
- by the applicant who meet criteria for dependence on

1	or abuse of illicit drugs who have not received any
2	treatment;
3	(2) drug overdose death rates;
4	(3) telemedicine infrastructure needs;
5	(4) workforce needs;
6	(5) prevention and recovery supports; and
7	(6) efforts to reduce stigma.
8	(c) Authorization of Appropriations.—To carry
9	out this section, there is authorized to be appropriated
10	\$5,000,000 for the period beginning on the date of enact-
11	ment of this Act and ending on the later of—
12	(1) November 30, 2020; and
13	(2) the end of the emergency period (as defined
14	in section 1135(g)(1)(B) of the Social Security Act
15	(42 U.S.C. 1320b-5(g)(1)(B))).
