Where the board places a holder of a license or 251

Any order suspending a license or certificate shall state 258
the conditions under which the license or certificate will be 259
restored, which may include a conditional restoration during 260
which time the holder is in a probationary status pursuant to 261

documentation of the physical examination shall be completed by 274
the individual who conducted the examination. 275

Failure to comply with an order for an examination shall 276
be grounds for refusal of a license or certificate or summary 277
suspension of a license or certificate under division (E) of 278
this section. 279

(E) If a license or certificate holder has failed to 280
comply with an order under division (D) of this section, the 281

the holder under this chapter is automatically suspended, as of 305
the date of the guilty plea, conviction, or judicial finding, 306
whether the proceedings are brought in this state or another 307
jurisdiction. Continued practice by an individual after the 308
suspension of the individual's certificate or license under this 309
division shall be considered practicing without a certificate or 310
license. The board shall notify the suspended individual of the 311
suspension of the individual's certificate or license under this 312
division by certified mail or in person in accordance with 313
section 119.07 of the Revised Code. If an individual whose 314

make a timely request for an adjudicatory hearing, the board 316
shall enter a final order revoking the individual's certificate 317
or license. 318

(G) If the supervisory investigative panel determines both 319
of the following, the panel may recommend that the board suspend 320

the board. The board, upon review of those allegations and by an 327
affirmative vote of not fewer than four dentist members of the 328
board and seven of its members in total, excluding any member on 329
the supervisory investigative panel, may suspend a certificate 330
or license without a prior hearing. A telephone conference call 331
may be utilized for reviewing the allegations and taking the 332

vote on the summary suspension. 333

The board shall issue a written order of suspension by 334
certified mail or in person in accordance with section 119.07 of 335
the Revised Code. The order shall not be subject to suspension 336
by the court during pendency or any appeal filed under section 337
119.12 of the Revised Code. If the individual subject to the 338
summary suspension requests an adjudicatory hearing by the 339
board, the date set for the hearing shall be within fifteen 340
days, but not earlier than seven days, after the individual 341
requests the hearing, unless otherwise agreed to by both the 342
board and the individual. 343

Any summary suspension imposed under this division shall 344
remain in effect, unless reversed on appeal, until a final 345
adjudicative order issued by the board pursuant to this section 346
and Chapter 119. of the Revised Code becomes effective. The 347
board shall issue its final adjudicative order within seventy- 348
five days after completion of its hearing. A failure to issue 349
the order within seventy-five days shall result in dissolution 350
of the summary suspension order but shall not invalidate any 351
subsequent, final adjudicative order. 352

(H) Sanctions shall not be imposed under division (A) (13) 353
of this section against any certificate or license holder who 354
waives deductibles and copayments as follows: 355

(1) In compliance with the health benefit plan that 356
expressly allows such a practice. Waiver of the deductibles or 357
copayments shall be made only with the full knowledge and 358
consent of the plan purchaser, payer, and third-party 359
administrator. Documentation of the consent shall be made 360
available to the board upon request. 361

(2) For professional services rendered to any other person 362
who holds a certificate or license issued pursuant to this 363
chapter to the extent allowed by this chapter and the rules of 364
the board. 365

(I) In no event shall the board consider or raise during a 366
hearing required by Chapter 119. of the Revised Code the 367
circumstances of, or the fact that the board has received, one 368
or more complaints about a person unless the one or more 369
complaints are the subject of the hearing or resulted in the 370
board taking an action authorized by this section against the 371
person on a prior occasion. 372

(J) The board may share any information it receives 373
pursuant to an investigation under division (D) of section 374
4715.03 of the Revised Code, including patient records and 375
patient record information, with law enforcement agencies, other 376
licensing boards, and other governmental agencies that are 377
prosecuting, adjudicating, or investigating alleged violations 378
of statutes or administrative rules. An agency or board that 379
receives the information shall comply with the same requirements 380
regarding confidentiality as those with which the state dental 381
board must comply, notwithstanding any conflicting provision of 382
the Revised Code or procedure of the agency or board that 383
applies when it is dealing with other information in its 384
possession. In a judicial proceeding, the information may be 385
admitted into evidence only in accordance with the Rules of 386
Evidence, but the court shall require that appropriate measures 387
are taken to ensure that confidentiality is maintained with 388
respect to any part of the information that contains names or 389
other identifying information about patients or complainants 390
whose confidentiality was protected by the state dental board 391
when the information was in the board's possession. Measures to 392

ensure confidentiality that may be taken by the court include 393
sealing its records or deleting specific information from its 394
records. 395

a consent agreement with an individual to resolve an allegation 723
of a violation of this chapter or any rule adopted under it. A 724
consent agreement, when ratified by a vote of a quorum, shall 725

adjudication that the registered nurse, licensed practical 752
nurse, or dialysis technician committed the act, or if the 753
registered nurse, licensed practical nurse, or dialysis 754
technician fails to participate in the adjudication, the board 755
may take action as though the registered nurse, licensed 756
practical nurse, or dialysis technician had been convicted of 757
the act. 758

If the board takes action on the basis of a conviction, 759
plea, or a judicial finding as described in divisions (B) (3) to 760

action. If the board determines that the decision on appeal was 768
not a decision on the merits, it shall conduct an adjudication 769
to determine whether the registered nurse, licensed practical 770
nurse, or dialysis technician committed the act on which the 771
original conviction, plea, or judicial finding was based. If the 772
board determines on the basis of the adjudication that the 773
registered nurse, licensed practical nurse, or dialysis 774
technician committed such act, or if the registered nurse, 775
licensed practical nurse, or dialysis technician does not 776
request an adjudication, the board shall reinstate its action; 777
otherwise, the board shall permanently rescind its action. 778

Notwithstanding the provision of division (C) (2) of 779
section 2953.32 of the Revised Code specifying that if records 780
pertaining to a criminal case are sealed under that section the 781
proceedings in the case shall be deemed not to have occurred, 782
sealing of the following records on which the board has based an 783
action under this section shall have no effect on the board's 784
action or any sanction imposed by the board under this section: 785
records of any conviction, guilty plea, judicial finding of 786
guilt resulting from a plea of no contest, or a judicial finding 787
of eligibility for a pretrial diversion program or intervention 788

criminal identification and investigation for a criminal records 797
check and check of federal bureau of investigation records in 798
accordance with the procedure described in section 4723.091 of 799

(G) During the course of an investigation conducted under 801
this section, the board may compel any registered nurse, 802
licensed practical nurse, or dialysis technician or applicant 803
under this chapter to submit to a mental or physical 804
examination, or both, as required by the board and at the 805
expense of the individual, if the board finds reason to believe 806
that the individual under investigation may have a physical or 807
mental impairment that may affect the individual's ability to 808
provide safe nursing care. Failure of any individual to submit 809
to a mental or physical examination when directed constitutes an 810
admission of the allegations, unless the failure is due to 811
circumstances beyond the individual's control, and a default and 812
final order may be entered without the taking of testimony or 813
presentation of evidence. 814

If the board finds that an individual is impaired, the 815
board shall require the individual to submit to care, 816
counseling, or treatment approved or designated by the board, as 817
a condition for initial, continued, reinstated, or renewed 818
authority to practice. The individual shall be afforded an 819
opportunity to demonstrate to the board that the individual can 820
begin or resume the individual's occupation in compliance with 821
acceptable and prevailing standards of care under the provisions 822
of the individual's authority to practice. 823

For purposes of this division, any registered nurse, 824
licensed practical nurse, or dialysis technician or applicant 825
under this chapter shall be deemed to have given consent to 826
submit to a mental or physical examination when directed to do 827
so in writing by the board, and to have waived all objections to 828
the admissibility of testimony or examination reports that 829
constitute a privileged communication. 830

(H) The board shall investigate evidence that appears to 831
show that any person has violated any provision of this chapter 832
or any rule of the board. Any person may report to the board any 833
information the person may have that appears to show a violation 834
of any provision of this chapter or rule of the board. In the 835
absence of bad faith, any person who reports such information or 836
who testifies before the board in any adjudication conducted 837
under Chapter 119. of the Revised Code shall not be liable for 838
civil damages as a result of the report or testimony. 839

(I) All of the following apply under this chapter with 840
respect to the confidentiality of information: 841

(1) Information received by the board pursuant to a 842
complaint or an investigation is confidential and not subject to 843
discovery in any civil action, except that the board may 844
disclose information to law enforcement officers and government 845
entities for purposes of an investigation of either a licensed 846
health care professional, including a registered nurse, licensed 847
practical nurse, or dialysis technician, or a person who may 848
have engaged in the unauthorized practice of nursing or dialysis 849
care. No law enforcement officer or government entity with 850
knowledge of any information disclosed by the board pursuant to 851
this division shall divulge the information to any other person 852
or government entity except for the purpose of a government 853

investigation, a prosecution, or an adjudication by a court or 854
government entity. 855

records, the investigation and proceeding shall be conducted in 857
such a manner as to protect patient confidentiality. 858

(3) All adjudications and investigations of the board 859
shall be considered civil actions for the purposes of section 860
2305.252 of the Revised Code. 861

(4) Any board activity that involves continued monitoring 862
of an individual as part of or following any disciplinary action 863
taken under this section shall be conducted in a manner that 864
maintains the individual's confidentiality. Information received 865
or maintained by the board with respect to the board's 866
monitoring activities is not subject to discovery in any civil 867
action and is confidential, except that the board may disclose 868
information to law enforcement officers and government entities 869
for purposes of an investigation of a licensee or certificate 870
holder. 871

(J) Any action taken by the board under this section 872
resulting in a suspension from practice shall be accompanied by 873
a written statement of the conditions under which the person may 874
be reinstated to practice. 875

(K) When the board refuses to grant a license or 876
certificate to an applicant, revokes a license or certificate, 877
or refuses to reinstate a license or certificate, the board may 878
specify that its action is permanent. An individual subject to 879
permanent action taken by the board is forever ineligible to 880
hold a license or certificate of the type that was refused or 881
revoked and the board shall not accept from the individual an 882

application for reinstatement of the license or certificate or 883
for a new license or certificate. 884

(L) No unilateral surrender of a nursing license or 885
dialysis technician certificate issued under this chapter shall 886
be effective unless accepted by majority vote of the board. No 887
application for a nursing license or dialysis technician 888
certificate issued under this chapter may be withdrawn without a 889
majority vote of the board. The board's jurisdiction to take 890
disciplinary action under this section is not removed or limited 891
when an individual has a license or certificate classified as 892
inactive or fails to renew a license or certificate. 893

(M) Sanctions shall not be imposed under division (B) (24) 894
of this section against any licensee who waives deductibles and 895
copayments as follows: 896

(1) In compliance with the health benefit plan that 897
expressly allows such a practice. Waiver of the deductibles or 898
copayments shall be made only with the full knowledge and 899
consent of the plan purchaser, payer, and third-party 900
administrator. Documentation of the consent shall be made 901
available to the board upon request. 902

board at a deposition or in written interrogatories, except that 1459
failure to cooperate with an investigation shall not constitute 1460
grounds for discipline under this section if a court of 1461
competent jurisdiction has issued an order that either quashes a 1462
subpoena or permits the individual to withhold the testimony or 1463
evidence in issue; 1464

(29) Failure to comply with terms of a consult agreement 1485
entered into with a pharmacist pursuant to section 4729.39 of 1486

(C) Disciplinary actions taken by the board under 1488
divisions (A) and (B) of this section shall be taken pursuant to 1489
an adjudication under Chapter 119. of the Revised Code, except 1490
that in lieu of an adjudication, the board may enter into a 1491
consent agreement with a physician assistant or applicant to 1492
resolve an allegation of a violation of this chapter or any rule 1493
adopted under it. A consent agreement, when ratified by an 1494
affirmative vote of not fewer than six members of the board, 1495
shall constitute the findings and order of the board with 1496
respect to the matter addressed in the agreement. If the board 1497
refuses to ratify a consent agreement, the admissions and 1498
findings contained in the consent agreement shall be of no force 1499
or effect. 1500

(D) For purposes of divisions (B) (12), (15), and (16) of 1501
this section, the commission of the act may be established by a 1502
finding by the board, pursuant to an adjudication under Chapter 1503
119. of the Revised Code, that the applicant or license holder 1504
committed the act in question. The board shall have no 1505
jurisdiction under these divisions in cases where the trial 1506
court renders a final judgment in the license holder's favor and 1507
that judgment is based upon an adjudication on the merits. The 1508
board shall have jurisdiction under these divisions in cases 1509
where the trial court issues an order of dismissal upon 1510

technical or procedural grounds. 1511

(E) The sealing of conviction records by any court shall 1512
have no effect upon a prior board order entered under the 1513
provisions of this section or upon the board's jurisdiction to 1514
take action under the provisions of this section if, based upon 1515
a plea of guilty, a judicial finding of guilt, or a judicial 1516
finding of eligibility for intervention in lieu of conviction, 1517
the board issued a notice of opportunity for a hearing prior to 1518
the court's order to seal the records. The board shall not be 1519
required to seal, destroy, redact, or otherwise modify its 1520
records to reflect the court's sealing of conviction records. 1521

(F) For purposes of this division, any individual who 1522
holds a license issued under this chapter, or applies for a 1523
license issued under this chapter, shall be deemed to have given 1524
consent to submit to a mental or physical examination when 1525
directed to do so in writing by the board and to have waived all 1526
objections to the admissibility of testimony or examination 1527
reports that constitute a privileged communication. 1528

(1) In enforcing division (B)(4) of this section, the 1529
board, upon a showing of a possible violation, may compel any 1530
individual who holds a license issued under this chapter or who 1531
has applied for a license pursuant to this chapter to submit to 1532
a mental examination, physical examination, including an HIV 1533
test, or both a mental and physical examination. The expense of 1534
the examination is the responsibility of the individual 1535
compelled to be examined. Failure to submit to a mental or 1536
physical examination or consent to an HIV test ordered by the 1537
board constitutes an admission of the allegations against the 1538
individual unless the failure is due to circumstances beyond the 1539
individual's control, and a default and final order may be 1540

entered without the taking of testimony or presentation of 1541
evidence. If the board finds a physician assistant unable to 1542
practice because of the reasons set forth in division (B) (4) of 1543
this section, the board shall require the physician assistant to 1544
submit to care, counseling, or treatment by physicians approved 1545
or designated by the board, as a condition for an initial, 1546
continued, reinstated, or renewed license. An individual 1547
affected under this division shall be afforded an opportunity to 1548
demonstrate to the board the ability to resume practicing in 1549
compliance with acceptable and prevailing standards of care. 1550

(2) For purposes of division (B) (5) of this section, if 1551
the board has reason to believe that any individual who holds a 1552
license issued under this chapter or any applicant for a license 1553
suffers such impairment, the board may compel the individual to 1554
submit to a mental or physical examination, or both. The expense 1555
of the examination is the responsibility of the individual 1556
compelled to be examined. Any mental or physical examination 1557
required under this division shall be undertaken by a treatment 1558
provider or physician qualified to conduct such examination and 1559
chosen by the board. 1560

Failure to submit to a mental or physical examination 1561
ordered by the board constitutes an admission of the allegations 1562
against the individual unless the failure is due to 1563
circumstances beyond the individual's control, and a default and 1564
final order may be entered without the taking of testimony or 1565
presentation of evidence. If the board determines that the 1566
individual's ability to practice is impaired, the board shall 1567
suspend the individual's license or deny the individual's 1568
application and shall require the individual, as a condition for 1569
initial, continued, reinstated, or renewed licensure, to submit 1570
to treatment. 1571

Before being eligible to apply for reinstatement of a 1572
license suspended under this division, the physician assistant 1573
shall demonstrate to the board the ability to resume practice or 1574
prescribing in compliance with acceptable and prevailing 1575
standards of care. The demonstration shall include the 1576
following: 1577

(a) Certification from a treatment provider approved under 1578
section 4731.25 of the Revised Code that the individual has 1579
successfully completed any required inpatient treatment; 1580

(b) Evidence of continuing full compliance with an 1581
aftercare contract or consent agreement; 1582

(c) Two written reports indicating that the individual's 1583
ability to practice has been assessed and that the individual 1584
has been found capable of practicing according to acceptable and 1585
prevailing standards of care. The reports shall be made by 1586
individuals or providers approved by the board for making such 1587
assessments and shall describe the basis for their 1588
determination. 1589

The board may reinstate a license suspended under this 1590
division after such demonstration and after the individual has 1591
entered into a written consent agreement. 1592

When the impaired physician assistant resumes practice or 1593
prescribing, the board shall require continued monitoring of the 1594
physician assistant. The monitoring shall include compliance 1595
with the written consent agreement entered into before 1596
reinstatement or with conditions imposed by board order after a 1597
hearing, and, upon termination of the consent agreement, 1598
submission to the board for at least two years of annual written 1599
progress reports made under penalty of falsification stating 1600

whether the physician assistant has maintained sobriety. 1601

(G) If the secretary and supervising member determine that 1602
there is clear and convincing evidence that a physician 1603
assistant has violated division (B) of this section and that the 1604
individual's continued practice or prescribing presents a danger 1605
of immediate and serious harm to the public, they may recommend 1606
that the board suspend the individual's license without a prior 1607
hearing. Written allegations shall be prepared for consideration 1608
by the board. 1609

The board, upon review of those allegations and by an 1610
affirmative vote of not fewer than six of its members, excluding 1611
the secretary and supervising member, may suspend a license 1612
without a prior hearing. A telephone conference call may be 1613
utilized for reviewing the allegations and taking the vote on 1614
the summary suspension. 1615

The board shall issue a written order of suspension by 1616
certified mail or in person in accordance with section 119.07 of 1617
the Revised Code. The order shall not be subject to suspension 1618
by the court during pendency of any appeal filed under section 1619
119.12 of the Revised Code. If the physician assistant requests 1620
an adjudicatory hearing by the board, the date set for the 1621
hearing shall be within fifteen days, but not earlier than seven 1622
days, after the physician assistant requests the hearing, unless 1623
otherwise agreed to by both the board and the license holder. 1624

A summary suspension imposed under this division shall 1625
remain in effect, unless reversed on appeal, until a final 1626
adjudicative order issued by the board pursuant to this section 1627
and Chapter 119. of the Revised Code becomes effective. The 1628
board shall issue its final adjudicative order within sixty days 1629
after completion of its hearing. Failure to issue the order 1630

within sixty days shall result in dissolution of the summary 1631
suspension order, but shall not invalidate any subsequent, final 1632
adjudicative order. 1633

(H) If the board takes action under division (B) (11), 1634
(13), or (14) of this section, and the judicial finding of 1635
guilt, guilty plea, or judicial finding of eligibility for 1636
intervention in lieu of conviction is overturned on appeal, upon 1637
exhaustion of the criminal appeal, a petition for 1638
reconsideration of the order may be filed with the board along 1639
with appropriate court documents. Upon receipt of a petition and 1640
supporting court documents, the board shall reinstate the 1641
individual's license. The board may then hold an adjudication 1642
under Chapter 119. of the Revised Code to determine whether the 1643
individual committed the act in question. Notice of opportunity 1644
for hearing shall be given in accordance with Chapter 119. of 1645
the Revised Code. If the board finds, pursuant to an 1646
adjudication held under this division, that the individual 1647
committed the act, or if no hearing is requested, it may order 1648
any of the sanctions identified under division (B) of this 1649
section. 1650

(I) The license to practice issued to a physician 1651
assistant and the physician assistant's practice in this state 1652
are automatically suspended as of the date the physician 1653
assistant pleads guilty to, is found by a judge or jury to be 1654
guilty of, or is subject to a judicial finding of eligibility 1655
for intervention in lieu of conviction in this state or 1656
treatment or intervention in lieu of conviction in another state 1657
for any of the following criminal offenses in this state or a 1658
substantially equivalent criminal offense in another 1659
jurisdiction: aggravated murder, murder, voluntary manslaughter, 1660
felonious assault, kidnapping, rape, sexual battery, gross 1661

sexual imposition, aggravated arson, aggravated robbery, or 1662
aggravated burglary. Continued practice after the suspension 1663
shall be considered practicing without a license. 1664

The board shall notify the individual subject to the 1665
suspension by certified mail or in person in accordance with 1666
section 119.07 of the Revised Code. If an individual whose 1667
license is suspended under this division fails to make a timely 1668
request for an adjudication under Chapter 119. of the Revised 1669
Code, the board shall enter a final order permanently revoking 1670
the individual's license to practice. 1671

(J) In any instance in which the board is required by 1672
Chapter 119. of the Revised Code to give notice of opportunity 1673
for hearing and the individual subject to the notice does not 1674
timely request a hearing in accordance with section 119.07 of 1675
the Revised Code, the board is not required to hold a hearing, 1676
but may adopt, by an affirmative vote of not fewer than six of 1677
its members, a final order that contains the board's findings. 1678
In that final order, the board may order any of the sanctions 1679
identified under division (A) or (B) of this section. 1680

(K) Any action taken by the board under division (B) of 1681
this section resulting in a suspension shall be accompanied by a 1682
written statement of the conditions under which the physician 1683
assistant's license may be reinstated. The board shall adopt 1684
rules in accordance with Chapter 119. of the Revised Code 1685
governing conditions to be imposed for reinstatement. 1686
Reinstatement of a license suspended pursuant to division (B) of 1687
this section requires an affirmative vote of not fewer than six 1688
members of the board. 1689

(L) When the board refuses to grant or issue to an 1690
applicant a license to practice as a physician assistant, 1691

revokes an individual's license, refuses to renew an 1692
individual's license, or refuses to reinstate an individual's 1693
license, the board may specify that its action is permanent. An 1694
individual subject to a permanent action taken by the board is 1695
forever thereafter ineligible to hold the license and the board 1696
shall not accept an application for reinstatement of the license 1697
or for issuance of a new license. 1698

(M) Notwithstanding any other provision of the Revised 1699
Code, all of the following apply: 1700

(1) The surrender of a license issued under this chapter 1701
is not effective unless or until accepted by the board. 1702
Reinstatement of a license surrendered to the board requires an 1703
affirmative vote of not fewer than six members of the board. 1704

(2) An application made under this chapter for a license 1705
may not be withdrawn without approval of the board. 1706

(3) Failure by an individual to renew a license in 1707
accordance with section 4730.14 of the Revised Code shall not 1708
remove or limit the board's jurisdiction to take disciplinary 1709
action under this section against the individual. 1710

Sec. 5164.14. The medicaid program may cover a health care 1711
service that a pharmacist provides to a medicaid recipient in 1712
accordance with Chapter 4729. of the Revised Code, including any 1713
of the following services: 1714

(A) Managing drug therapy under a consult agreement ~~with a~~ 1715
~~physician~~ pursuant to section 4729.39 of the Revised Code; 1716

(B) Administering immunizations in accordance with section 1717
4729.41 of the Revised Code; 1718

(C) Administering drugs in accordance with section 4729.45 1719

of the Revised Code.

1720

4715.14, 4715.30, 4715.36, 4723.28, 4729.01, 4729.39, 4730.25,
and 5164.14 of the Revised Code are hereby repealed.
