division shall make it or cause it to be made to the public 406

parents or the person or persons having custody of the child, if 418

(2) The child's age and the nature and extent of the 420  
child's injuries, abuse, or neglect that is known or reasonably 421

evidence of previous injuries, abuse, or neglect; 425

(3) Any other information, including, but not limited to, 426  
results and reports of any medical examinations, tests, or 427  
procedures performed under division (D) of this section, that 428

or neglect that is known or reasonably suspected or believed, as 430  
applicable, to have occurred or of the threat of injury, abuse, 431  
or neglect that is known or reasonably suspected or believed, as 432  
applicable, to exist. 433

(D) (1) Any person, who is required by division (A) of this 434  
section to report child abuse or child neglect that is known or 435  
reasonably suspected or believed to have occurred, may take or 436  
cause to be taken color photographs of areas of trauma visible 437  
on a child and, if medically necessary for the purpose of 438  
diagnosing or treating injuries that are suspected to have 439  
occurred as a result of child abuse or child neglect, perform or 440  
cause to be performed radiological examinations and any other 441

(2) The results and any available reports of examinations, 443  
tests, or procedures made under division (D) (1) of this section 444  
shall be included in a report made pursuant to division (A) of 445  
this section. Any additional reports of examinations, tests, or 446

children services agency, upon request. 448

(3) If a health care professional provides health care 449  
services in a hospital, children's advocacy center, or emergency 450  
medical facility to a child about whom a report has been made 451  
under division (A) of this section, the health care professional 452  
may take any steps that are reasonably necessary for the release 453  
or discharge of the child to an appropriate environment. Before 454  
the child's release or discharge, the health care professional 455  
may obtain information, or consider information obtained, from 456  
other entities or individuals that have knowledge about the 457  
child. Nothing in division (D) (3) of this section shall be 458

sections 2151.27 and 2151.31 of the Revised Code. 460

(4) A health care professional may conduct medical 461  
examinations, tests, or procedures on the siblings of a child 462  
about whom a report has been made under division (A) of this 463  
section and on other children who reside in the same home as the 464  
child, if the professional determines that the examinations, 465  
tests, or procedures are medically necessary to diagnose or 466  
treat the siblings or other children in order to determine 467  
whether reports under division (A) of this section are warranted 468  
with respect to such siblings or other children. The results of 469  
the examinations, tests, or procedures on the siblings and other 470  
children may be included in a report made pursuant to division 471  
(A) of this section. 472

(5) Medical examinations, tests, or procedures conducted 473  
under divisions (D)(1) and (4) of this section and decisions 474  
regarding the release or discharge of a child under division (D) 475  
(3) of this section do not constitute a law enforcement 476  
investigation or activity. 477

(E)(1) When a municipal or county peace officer receives a 478  
report concerning the possible abuse or neglect of a child or 479  
the possible threat of abuse or neglect of a child, upon receipt 480  
of the report, the municipal or county peace officer who 481  
receives the report shall refer the report to the appropriate 482  
public children services agency. 483

(2) When a public children services agency receives a 484  
report pursuant to this division or division (A) or (B) of this 485  
section, upon receipt of the report, the public children 486  
services agency shall do both of the following: 487

(a) Comply with section 2151.422 of the Revised Code; 488

(b) If the county served by the agency is also served by a 489  
children's advocacy center and the report alleges sexual abuse 490  
of a child or another type of abuse of a child that is specified 491  
in the memorandum of understanding that creates the center as 492  
being within the center's jurisdiction, comply regarding the 493  
report with the protocol and procedures for referrals and 494  
investigations, with the coordinating activities, and with the 495  
authority or responsibility for performing or providing 496  
functions, activities, and services stipulated in the 497  
interagency agreement entered into under section 2151.428 of the 498  
Revised Code relative to that center. 499

(F) No township, municipal, or county peace officer shall 500  
remove a child about whom a report is made pursuant to this 501  
section from the child's parents, stepparents, or guardian or 502  
any other persons having custody of the child without 503  
consultation with the public children services agency, unless, 504  
in the judgment of the officer, and, if the report was made by 505  
physician, the physician, immediate removal is considered 506  
essential to protect the child from further abuse or neglect. 507  
The agency that must be consulted shall be the agency conducting 508  
the investigation of the report as determined pursuant to 509  
section 2151.422 of the Revised Code. 510

(G) (1) Except as provided in section 2151.422 of the 511  
Revised Code or in an interagency agreement entered into under 512  
section 2151.428 of the Revised Code that applies to the 513  
particular report, the public children services agency shall 514  
investigate, within twenty-four hours, each report of child 515  
abuse or child neglect that is known or reasonably suspected or 516  
believed to have occurred and of a threat of child abuse or 517

child neglect that is known or reasonably suspected or believed 518  
to exist that is referred to it under this section to determine 519  
the circumstances surrounding the injuries, abuse, or neglect or 520  
the threat of injury, abuse, or neglect, the cause of the 521  
injuries, abuse, neglect, or threat, and the person or persons 522  
responsible. The investigation shall be made in cooperation with 523  
the law enforcement agency and in accordance with the memorandum 524  
of understanding prepared under division (K) of this section. A 525  
representative of the public children services agency shall, at 526  
the time of initial contact with the person subject to the 527  
investigation, inform the person of the specific complaints or 528  
allegations made against the person. The information shall be 529  
given in a manner that is consistent with division (I) (1) of 530  
this section and protects the rights of the person making the 531  
report under this section. 532

A failure to make the investigation in accordance with the 533  
memorandum is not grounds for, and shall not result in, the 534  
dismissal of any charges or complaint arising from the report or 535  
the suppression of any evidence obtained as a result of the 536  
report and does not give, and shall not be construed as giving, 537  
any rights or any grounds for appeal or post-conviction relief 538  
to any person. The public children services agency shall report 539  
each case to the uniform statewide automated child welfare 540  
information system that the department of job and family 541  
services shall maintain in accordance with section 5101.13 of 542  
the Revised Code. The public children services agency shall 543  
submit a report of its investigation, in writing, to the law 544  
enforcement agency. 545

(2) The public children services agency shall make any 546  
recommendations to the county prosecuting attorney or city 547  
director of law that it considers necessary to protect any 548

a report made pursuant to division (A) of this section or 566  
participating in good faith in a proceeding resulting from a 567  
report made pursuant to division (B) of this section. 568

(b) Immunity under division (H) (1) (a) (ii) of this section 569  
shall not apply when a health care provider has deviated from 570  
the standard of care applicable to the provider's profession. 571

(c) Notwithstanding section 4731.22 of the Revised Code, 572  
the physician-patient privilege shall not be a ground for 573  
excluding evidence regarding a child's injuries, abuse, or 574

judicial proceeding resulting from a report submitted pursuant 576  
to this section. 577

report under this section was not in good faith or participation 580  
in a judicial proceeding resulting from a report made under this 581  
section was not in good faith, the court shall award the 582  
prevailing party reasonable attorney's fees and costs and, if a 583  
civil action or proceeding is voluntarily dismissed, may award 584  
reasonable attorney's fees and costs to the party against whom 585  
the civil action or proceeding is brought. 586

(I) (1) Except as provided in divisions (I) (4) and (O) of 587

The information provided in a report made pursuant to this 589  
section and the name of the person who made the report shall not 590  
be released for use, and shall not be used, as evidence in any 591  
civil action or proceeding brought against the person who made 592  
the report. Nothing in this division shall preclude the use of 593

neglect in a civil action or proceeding brought pursuant to 595  
division (N) of this section against a person who is alleged to 596

subject of the report or the maker of the report, if the maker 599  
of the report is not the defendant or an agent or employee of 600  
the defendant, has been redacted. In a criminal proceeding, the 601  
report is admissible in evidence in accordance with the Rules of 602  
Evidence and is subject to discovery in accordance with the 603  
Rules of Criminal Procedure. 604

(2) (a) Except as provided in division (I) (2) (b) of this 605  
section, no person shall permit or encourage the unauthorized 606  
dissemination of the contents of any report made under this 607  
section. 608

(b) A health care professional that obtains the same 609  
information contained in a report made under this section from a 610  
source other than the report may disseminate the information, if 611  
its dissemination is otherwise permitted by law. 612

to make a false report under division (B) of this section that 614  
alleges that any person has committed an act or omission that 615  
resulted in a child being an abused child or a neglected child 616  
is guilty of a violation of section 2921.14 of the Revised Code. 617

(4) If a report is made pursuant to division (A) or (B) of 618  
this section and the child who is the subject of the report dies 619  
for any reason at any time after the report is made, but before 620  
the child attains eighteen years of age, the public children 621  
services agency or municipal or county peace officer to which 622  
the report was made or referred, on the request of the child 623  
fatality review board or the director of health pursuant to 624

center established by the memorandum. 687

(2) A memorandum of understanding shall set forth the 688  
normal operating procedure to be employed by all concerned 689  
officials in the execution of their respective responsibilities 690  
under this section and division (C) of section 2919.21, division 691  
(B) (1) of section 2919.22, division (B) of section 2919.23, and 692

providing for only one interview of a child who is the subject 697  
of any report made pursuant to division (A) or (B) of this 698  
section. A failure to follow the procedure set forth in the 699  
memorandum by the concerned officials is not grounds for, and 700

neglected. 718

(4) If a public children services agency participated in 719  
the execution of a memorandum of understanding under section 720  
2151.426 of the Revised Code establishing a children's advocacy 721

responsibilities as required of officials specified in the 728  
memorandum. 729

(L) (1) Except as provided in division (L) (4) or (5) of 730  
this section, a person who is required to make a report pursuant 731  
to division (A) of this section may make a reasonable number of 732  
requests of the public children services agency that receives or 733  
is referred the report, or of the children's advocacy center 734

complaint in juvenile court or of criminal charges in another 748  
court. 749

(2) A person may request the information specified in 750  
division (L) (1) of this section only if, at the time the report 751  
is made, the person's name, address, and telephone number are 752  
provided to the person who receives the report. 753

When a municipal or county peace officer or employee of a 754

the person making the report. If that person's identity is 765  
verified, the agency shall provide the person with the 766  
information described in division (L)(1) of this section a 767  
reasonable number of times, except that the agency shall not 768  
disclose any confidential information regarding the child who is 769  
the subject of the report other than the information described 770  
in those divisions. 771

(3) A request made pursuant to division (L)(1) of this 772  
section is not a substitute for any report required to be made 773  
pursuant to division (A) of this section. 774

(4) If an agency other than the agency that received or 775  
was referred the report is conducting the investigation of the 776  
report pursuant to section 2151.422 of the Revised Code, the 777  
agency conducting the investigation shall comply with the 778  
requirements of division (L) of this section. 779

determines are necessary to protect children from child abuse 795  
and child neglect. 796

(N) Whoever violates division (A) of this section is 797  
liable for compensatory and exemplary damages to the child who 798  
would have been the subject of the report that was not made. A 799  
person who brings a civil action or proceeding pursuant to this 800  
division against a person who is alleged to have violated 801  
division (A) (1) of this section may use in the action or 802  
proceeding reports of other incidents of known or suspected 803  
abuse or neglect, provided that any information in a report that 804  
would identify the child who is the subject of the report or the 805  
maker of the report, if the maker is not the defendant or an 806  
agent or employee of the defendant, has been redacted. 807
