15 amended to read as follows:

16 16-1506. PROCEEDINGS ON ADOPTION. (1) Proceedings to adopt a child
17 shall be commenced by the filing of a petition together with a copy thereof.
18 The petition shall be initiated by the person or persons proposing to adopt
19 the child and shall be filed with the district court of the county in which
20 said person or persons reside. If the adoption arises from a child protec-
21 tive act case, the petition shall be filed in the court having jurisdiction
22 over the child protective act case unless that court relinquishes jurisdic-
23 tion over the adoption proceeding. The petitioners shall have resided and
24 maintained a dwelling within the state of Idaho for at least six (6) consec-
25 utive months prior to the filing of a petition. The petition shall set forth
26 the name and address of the petitioner or petitioners, the name of the child
27 proposed to be adopted and the name by which the person to be adopted shall be
28 known if and when adopted, the degree of relationship of the child, if any,
29 to the petitioner or petitioners and the names of any person or agency whose
30 consent to said adoption is necessary. At the time fixed for hearing such
31 petition, the person adopting a child, and the child adopted, and the spouse
32 of the petitioner if a natural parent of the child, must appear before the
33 court of the county wherein the petition was filed. The petitioner shall at
34 such time execute an agreement to the effect that the child shall be adopted
35 and treated in all respects as his own lawful child should be treated.

36 (2) If the adoption arises from a child protective act case, then, in
37 addition to the petition filed pursuant to subsection (1) of this section,
38 the department of health and welfare shall file the permanency plan prepared
39 pursuant to section 16-1620 or 16-1622, Idaho Code, associated with the
40 child protective act case. If the court determines that the person proposing
41 to adopt the child is not the proposed adoptive parent named in the perma-
42 nency plan, then the judge shall stay the proceeding pending the department
43 preparing and filing an amended permanency plan pursuant to section 16-1620
44 or 16-1622, Idaho Code, and the approval of the amended permanency plan by
45 the judge presiding over the child protective act proceeding.

46 (3) Any person or persons whose consent is required shall execute such
47 consent in writing, in a form consistent with the provisions of section
48 16-2005(4), Idaho Code, which consent being filed in the court where the
49 application is made, shall be deemed a sufficient appearance on the part of

1 such person or persons. If any adoptive parent, or a person not a minor being
2 adopted by a resident adult under the provisions of section 16-1501, Idaho
3 Code, is a member of the armed services and is unable to attend the hearing,
4 his appearance and testimony shall be received by means of deposition, which
5 shall be filed in the court at the time of the hearing.

6 (4) Prior to the placement for adoption of any child in the home of
7 prospective adoptive parents, it shall be required that a thorough social
8 investigation of the prospective adoptive family and all of its members,
9 consistent with the rules regarding such investigations promulgated by the
10 department of health and welfare, shall be completed and that a positive
11 recommendation for adoptive placement shall have been made. The social in-
12 vestigation may be performed by any individual who meets the requirements of
13 the law. A copy of the study must be submitted to the department and the de-
14 partment may impose a reasonable fee, not to exceed fifty dollars (\$50.00),
15 for oversight of such privately conducted studies. If the prospective adop-
16 tive parent has a disability as defined in this chapter, the prospective
17 adoptive parent shall have the right, as a part of the social study, to pro-
18 vide information regarding the manner in which the use of adaptive equipment
19 or supportive services will enable the parent to carry out the responsibili-
20 ties of parenting the child. The person performing the social investigation
21 shall advise the prospective adoptive parent of such right and shall con-
22 sider all such information in any findings or recommendations. The social
23 investigation of any prospective adoptive parent with a disability shall
24 be conducted by, or with the assistance of, an individual with expertise in
25 the use of such equipment and services. Nothing in this chapter shall be
26 construed to create any new or additional obligation on state or local gov-
27 ernments to purchase or provide adaptive equipment or supportive services
28 for parents with disabilities. In those instances where the prospective
29 adoptive parent is married to the birth parent or is the grandparent of the
30 child to be adopted, such social investigation shall be completed with re-
31 gard to the prospective adoptive parent only upon order of the court. In
32 exigent circumstances where the prospective adoptive parents are determined
33 by the court to have been unable to complete a social investigation of the
34 family with a positive recommendation prior to the time the child is placed
35 in the home, the child shall remain in the home unless the court determines
36 the best interests of the child are served by other placement. If exigent
37 circumstances exist, a social investigation shall be initiated within five
38 (5) days of placement. Once initiated, all studies shall be completed within
39 sixty (60) days. Upon the filing of a petition to adopt a minor child by a
40 person unrelated to the child or unmarried to a natural parent of the child
41 and at the discretion of the court upon the filing of any other petition for
42 adoption, a copy of such petition, together with a statement containing the
43 full names and permanent addresses of the child and the petitioners, shall
44 be served by the court receiving the petition within five (5) days on the di-
45 rector of the department of health and welfare by registered mail or personal
46 service. If no private investigation is conducted, it shall then be the duty
47 of the said director, through the personnel of the department or through
48 such qualified child-placing children's adoption agency incorporated under
49 chapter 30, title 30, Idaho Code, as the director may designate, to verify
50 the allegations of the petition, and as soon as possible not exceeding thirty

1 (30) days after service of the petition on the director to make a thorough
2 investigation of the matter to include in all cases information as to the
3 alleged date and place of birth and as to parentage of the child to be adopted
4 as well as the source of all such information and report his findings in writ-
5 ing to the court. The investigative report shall include reasonably known
6 or available medical and genetic information regarding both natural parents
7 and sources of such information as well as reasonably known or available
8 providers of medical care and services to the natural parents. A copy of all
9 medical and genetic information compiled in the investigation shall be made
10 available to the adopting family by the department or other investigating
11 children's adoption agency prior to entry of the final order of adoption.
12 The petition, statement and all other papers, records or files relating to
13 the adoption, including the preplacement investigation and recommendation,
14 shall be returned to the court with the investigative report. The department
15 of health and welfare or other children's adoption agency may require the
16 petitioner to pay all or any part of the costs of the investigation. If the
17 report disapproves of the adoption of the child, motion may be made to the
18 court to dismiss the petition.

19 (5) Proceedings for termination of parent-child relationship in accor-
20 dance with chapter 20, title 16, Idaho Code, and proceedings for adoption may
21 be consolidated and determined at one (1) hearing provided that all of the
22 requirements of this chapter as well as chapter 20, title 16, Idaho Code, be
23 fully complied with. Nothing in either chapter shall be construed as limit-
24 ing the initiation of any petition for approval of a verified financial plan
25 for adoption expenses pursuant to section 18-1511, Idaho Code, prior to the
26 birth of the child which is the subject of any adoption proceeding. In all
27 disputed matters under this chapter or chapter 20, title 16, Idaho Code, the
28 paramount criterion for consideration and determination by the court shall
29 be the best interests of the child.

30 (6) Proceedings for the adoption of an adult shall be as provided in
31 subsection (1) of this section and any consents required shall be executed
32 as provided in subsection (3) of this section. Upon a finding by the court
33 that the consent of all persons for whom consent is required has been given
34 and that the requirements of section 16-1501, Idaho Code, have been proven
35 to the satisfaction of the court, the court shall enter an order granting the
36 adoption. In cases where the adult proposed to be adopted is incapacitated
37 or disabled, the court may require that an investigation be performed. The
38 form and extent of the investigation to be undertaken may be as provided in
39 subsection (4) of this section, or as otherwise ordered by the court. If an
40 investigation is performed, the court must review and approve the findings
41 of the investigation before issuing an order approving the adoption.

16 amended to read as follows:

17 16-1620. FINDING OF AGGRAVATED CIRCUMSTANCES -- PERMANENCY PLAN --
18 HEARING. (1) After a judicial determination that reasonable efforts to re-
19 turn the child to his home are not required because aggravated circumstances
20 were found to be present, the court shall hold a permanency hearing within
21 thirty (30) days after the finding, and every twelve (12) months thereafter
22 for as long as the court has jurisdiction. The department shall prepare a
23 permanency plan and file the permanency plan with the court at least five (5)
24 days prior to the permanency hearing. If the permanency plan has a goal of
25 termination of parental rights and adoption, the department shall file the
26 petition to terminate as required in section 16-1624(2), Idaho Code. Copies
27 of the permanency plan shall be delivered to the parents and other legal
28 guardians, prosecuting attorney or deputy attorney general, the guardian ad
29 litem and attorney for the child.

30 (2) The permanency plan shall have a permanency goal of termination of
31 parental rights and adoption, guardianship or, for youth age sixteen (16)
32 years and older only, another planned permanent living arrangement and shall
33 set forth the reasonable efforts necessary to finalize the permanency goal.

34 (3) The permanency plan shall also:

35 (a) Identify the services to be provided to the child, including ser-
36 vices to identify and meet any educational, emotional, physical or de-
37 velopmental needs the child may have, to assist the child in adjusting
38 to the placement or to ensure the stability of the placement;

39 (b) Address all options for permanent placement of the child, including
40 consideration of options for in-state and out-of-state placement of the
41 child;

42 (c) Address the advantages and disadvantages of each option and include
43 a recommendation as to which option is in the child's best interest;

44 (d) Specifically identify the actions necessary to implement the rec-
45 ommended option;

46 (e) Specifically set forth a schedule for accomplishing the actions
47 necessary to implement the permanency goal;

48 (f) Address the options for maintaining the child's connection to the
49 community, including individuals with a significant relationship to

1 the child, and organizations or community activities with which the
2 child has a significant connection. This shall also include the efforts
3 made to ensure educational stability for the child, the efforts to keep
4 the child in the school in which the child is enrolled at the time of
5 placement or the reasons why remaining in that school is not in the best
6 interests of the child;

7 (g) Document that siblings were placed together, or if siblings were
8 not placed together, document the efforts made to place siblings to-
9 gether, the reasons why siblings were not placed together, and a plan
10 for ensuring frequent visitation or ongoing interaction between the
11 siblings, unless visitation or ongoing interaction would be contrary to
12 the safety or well-being of one (1) or more of the siblings;

13 (h) For youth age fourteen (14) years and older:

14 (i) Identify the services needed to assist the youth to make the
15 transition from foster care to successful adulthood; and

16 (ii) Document the youth's rights in regard to his education,
17 health, visitation, court participation and receipt of an annual
18 credit report, including a signed acknowledgment by the depart-
19 ment that the youth was provided with a written copy of these
20 rights and that the rights were explained to the youth in an age or
21 developmentally appropriate manner;

22 (i) For youth age sixteen (16) years and older with a proposed perma-
23 nency goal of another planned permanent living arrangement, document:

24 (i) The intensive, ongoing, and as of the date of the hearing,
25 unsuccessful efforts made to place the youth with a parent, in an
26 adoptive placement, in a guardianship, or in the legal custody of
27 the department in a placement with a fit and willing relative, in-
28 cluding an adult sibling;

29 (ii) Why another planned permanent living arrangement is the best
30 permanency plan for the youth and compelling reasons why, as of the
31 date of the permanency hearing, it would not be in the best inter-
32 est of the youth to be placed permanently with a parent, in an adop-
33 tive placement, in a guardianship, or in the legal custody of the
34 department in a placement with a fit and willing relative, includ-
35 ing an adult sibling;

36 (iii) The steps that the department has taken to ensure that the
37 youth's foster parents or child care institution are following the
38 reasonable and prudent parent standard when determining whether
39 to allow the youth in their care to participate in extracurricu-
40 lar, enrichment, cultural and social activities; and

41 (iv) The opportunities provided to the youth to engage in age or
42 developmentally appropriate activities; and

44 has been no final determination as to the child's status as an Indian
45 child, document:

46 (i) The efforts made to determine whether the child is an Indian
47 child; and

48 (ii) The department's efforts to work with all tribes of which the
49 child may be a member to verify whether the child is a member or el-
50 igible for membership; and

1 (hk) Identify the prospective adoptive parents, if known; if the
2 prospective adoptive parents are not known, the department shall amend
3 the plan to name the proposed adoptive parents as soon as such persons
4 become known.

5 (4) The court shall hold a permanency hearing to determine whether the
6 best interest of the child is served by adopting, rejecting or modifying the
7 permanency plan proposed by the department. At each permanency hearing:

8 (a) For youth age twelve (12) years and older, unless good cause is
9 shown, the court shall ask the youth about his desired permanency out-
10 come and consult with the youth about the youth's current permanency
11 plan;

12 (b) If there is reason to believe that the child is an Indian child and
13 there has not been a final determination regarding the child's status as
14 an Indian child, the court shall:

15 (i) Inquire about the efforts that have been made since the last
16 hearing to determine whether the child is an Indian child; and

17 (ii) Determine that the department is using active efforts to work
18 with all tribes of which the child may be a member to verify whether
19 the child is a member or eligible for membership.

20 (c) If the child is being treated with psychotropic medication, these
21 additional requirements shall apply:

22 (i) The department shall report to the court the medication and
23 dosage prescribed for the child and the medical professional who
24 prescribed the medication; and

25 (ii) The court shall inquire as to, and may make any additional
26 inquiry relevant to, the use of psychotropic medication.

27 (5) Notice of the permanency hearing shall be provided to the parents
28 and other legal guardians, prosecuting attorney or deputy attorney general,
29 guardian ad litem, attorney for the child, the department and foster par-
30 ents; provided however, that foster parents are not thereby made parties to
31 the child protective act action.

32 (6) The permanency plan as approved by the court shall be entered into
33 the record as an order of the court. The order may include interim and fi-
34 nal deadlines for implementing the permanency plan and finalizing the perma-
35 nency goal.

36 (7) For youth with a proposed or current permanency goal of another
37 planned permanent living arrangement, at each permanency hearing the court
38 shall make written, case-specific findings that as of the date of the perma-
39 nency hearing, another planned permanent living arrangement is the best per-
40 manency plan for the youth and that there are compelling reasons why it is
41 not in the youth's best interest to be placed permanently with a parent, in
42 an adoptive placement, in a guardianship, or in the legal custody of the de-
43 partment in a placement with a fit and willing relative, including an adult
44 sibling.

45 (8) The court may authorize the department to suspend further efforts
46 to reunify the child with the child's parent, pending further order of the
47 court, when a petition or other motion is filed in a child protection pro-
48 ceeding seeking a determination of the court that aggravated circumstances
49 were present.

2 amended to read as follows:

3 16-1621. CASE PLAN HEARING -- NO FINDING OF AGGRAVATED CIRCUM-
4 STANCES. (1) In every case in which the child is determined to be within
5 the jurisdiction of the court, and there is no judicial determination that
6 aggravated circumstances were present, the department shall prepare a writ-
7 ten case plan, including cases in which the parent(s) is incarcerated. The
8 court shall schedule a case plan hearing to be held within thirty (30) days
9 after the adjudicatory hearing. The case plan shall be filed with the court
10 no later than five (5) days prior to the case plan hearing. Copies of the
11 case plan shall be delivered to the parents and other legal guardians, the
12 prosecuting attorney or deputy attorney general, the guardian ad litem and
13 attorney for the child.

14 (a) The court shall hold a case plan hearing to determine whether the
15 best interest of the child is served by adopting, rejecting or modifying
16 the case plan proposed by the department.

17 (b) If there is reason to believe that the child is an Indian child and
18 there has not been a final determination regarding the child's status as
19 an Indian child, the court shall:

20 (i) Inquire about the efforts that have been made since the last
21 hearing to determine whether the child is an Indian child; and

22 (ii) Determine that the department is using active efforts to work
23 with all tribes of which the child may be a member to verify whether
24 the child is a member or eligible for membership.

25 (c) If the child is being treated with psychotropic medication, the
26 court shall inquire as to, and may make any additional inquiry relevant
27 to, the use of psychotropic medication.

28 (2) Notice of the case plan hearing shall be provided to the parents,
29 and other legal guardians, the prosecuting attorney or deputy attorney gen-
30 eral, guardian ad litem, attorney for the child, the department and foster
31 parents. Although foster parents are provided notice of this hearing, they
32 are not parties to the child protective act action.

33 (3) If the child is placed in the legal custody of the department, the
34 case plan filed by the department shall set forth reasonable efforts that
35 will be made to make it possible for the child to return home. The case plan
36 shall also:

37 (a) Identify the services to be provided to the child, including ser-
38 vices to identify and meet any educational, emotional, physical or de-
39 velopmental needs the child may have, and to assist the child in adjust-
40 ing to the placement or to ensure the stability of the placement. For
41 youth age fourteen (14) years and older:

42 (i) Identify the services needed to assist the youth in making the
43 transition to successful adulthood; and

44 (ii) Document the youth's rights in regard to his education and
45 health, visitation, court participation and receipt of an annual
46 credit report, including a signed acknowledgment by the depart-
47 ment that the youth was provided with a written copy of these
48 rights and that the rights were explained to the youth in an age or
49 developmentally appropriate manner;

1 (b) Address the options for maintaining the child's connection to the
2 community:

3 (i) Include connections to individuals with a significant rela-

5 with which the child has a significant connection;

6 (ii) Ensure educational stability for the child, including the

9 that school is not in the best interests of the child;

10 (iii) Include a visitation plan and identify the need for supervi-
11 sion of visitation and child support;

12 (iv) Document either that siblings were placed together, or, if
13 siblings were not placed together, document the efforts made to
14 place the siblings together, the reasons why siblings were not
15 placed together and a plan for ensuring frequent visitation or
16 other ongoing interaction among siblings, unless visitation or
17 ongoing interaction would be contrary to the safety or well-being
18 of one (1) or more of the siblings; and

19 (v) If there is reason to believe the child is an Indian child and
20 there has been no final determination as to the child's status as
21 an Indian child, document:

22 1. The efforts made to determine whether the child is an In-
23 dian child; and

24 2. The department's efforts to work with all tribes of which
25 the child may be a member to verify whether the child is a
26 member or eligible for membership;

27 (c) Include a goal of reunification and a plan for achieving that
28 goal. The reunification plan shall identify all issues that need to
29 be addressed before the child can safely be returned home without de-
30 partment supervision. The court may specifically identify issues to
31 be addressed by the plan. The reunification plan shall specifically
32 identify the tasks to be completed by the department, each parent or
33 others to address each issue, including services to be made available
34 by the department to the parents and in which the parents are required
35 to participate, and deadlines for completion of each task. The case
36 plan shall state with specificity the role of the department toward each
37 parent. When appropriate, the reunification plan should identify terms
38 for visitation, supervision of visitation and child support;

39 (d) Include a concurrent permanency goal and a plan for achieving that
40 goal. The concurrent permanency goal may be one (1) of the following:
41 termination of parental rights and adoption, guardianship or, for youth
42 age sixteen (16) years or older only, another planned permanent living
43 arrangement. The concurrent plan shall:

44 (i) Address all options for permanent placement of the child,
45 including consideration of options for in-state and out-of-state
46 placement of the child;

47 (ii) Address the advantages and disadvantages of each option and
48 include a recommendation as to which option is in the child's best
49 interest;

1 (iii) Specifically identify the actions necessary to implement
2 the recommended option;

3 (iv) Specifically set forth a schedule for accomplishing the ac-
4 tions necessary to implement the concurrent permanency goal;

5 (v) Address options for maintaining the child's connection to
6 the community, including individuals with a significant relation-
7 ship to the child, and organizations or community activities with
8 which the child has a significant connection;

9 (vi) Identify the names of the proposed adoptive parents when
10 known if the permanency goal is termination of parental rights and
11 adoption;

12 (vii) In the case of a child who has attained the age of fourteen
13 (14) years, include the services needed to assist the child to make
14 the transition from foster care to successful adulthood;

15 (viii) For youth with a proposed permanency goal of another perma-
16 nent planned living arrangement, document:

17 1. The intensive, ongoing, and, as of the date of the hear-

19 ent, in an adoptive placement, in a guardianship, or in the
20 legal custody of the department in a placement with a fit and
21 willing relative, including an adult sibling;

22 2. Why another planned permanent living arrangement is the
23 best permanency goal for the youth and a compelling reason
24 why, as of the date of the case plan hearing, it would not be
25 in the best interest of the child to be placed permanently
26 with a parent, in an adoptive placement, in a guardianship,
27 or in the legal custody of the department in a placement with
28 a fit and willing relative, including an adult sibling;

29 3. The steps taken by the department to ensure that the
30 youth's foster parents or child care institution are follow-

34 4. The opportunities provided to the youth to regularly en-
35 gage in age or developmentally appropriate activities; and

36 (viii) Identify further investigation necessary to identify or
37 assess other options for permanent placement, to identify actions
38 necessary to implement the recommended placement or to identify
39 options for maintaining the child's significant connections.

40 (4) If the child has been placed under protective supervision of the de-
41 partment, the case plan, filed by the department, shall:

42 (a) Identify the services to be provided to the child, including ser-
43 vices to identify and meet any educational, emotional, physical or de-
44 velopmental needs the child may have, and to assist the child in adjust-
45 ing to the placement or to ensure the stability of the placement. For
46 youth age fourteen (14) years and older, identify the services needed
47 to assist the youth in making the transition to successful adulthood and
48 document the youth's rights in regard to his education and health, vis-
49 itation, court participation and receipt of an annual credit report,
50 including a signed acknowledgment by the department that the youth was

1 provided with a written copy of his rights and that the rights were ex-
2 plained to the youth in an age or developmentally appropriate manner.
3 The plan shall also address options for maintaining the child's connec-
4 tion to the community, including individuals with a significant rela-
5 tionship to the child, and organizations or community activities with
6 which the child has a significant connection;

7 (b) Identify all issues that need to be addressed to allow the child to
8 remain at home without department supervision. The court may specifi-
9 cally identify issues to be addressed by the plan. The case plan shall
10 specifically identify the tasks to be completed by the department, the
11 parents or others to address each issue, including services to be made
12 available by the department to the parents and in which the parents are
13 required to participate, and deadlines for completion of each task. The
14 plan shall state with specificity the role of the department toward each
15 parent.

16 (5) The case plan, as approved by the court, shall be entered into the
17 record as an order of the court. The order may include interim and final
18 deadlines for implementing the case plan and finalizing the permanency goal.
19 The court's order shall provide that reasonable efforts shall be made to re-
20 unify the family in a timely manner in accordance with the case plan. Unless
21 the child has been placed under the protective supervision of the depart-
22 ment, the court's order shall also require the department to simultaneously
23 take steps to accomplish the goal of reunification and the concurrent perma-
24 nency goal.

23 reorganize by forming an insurance holding company system, which shall
24 be designated as "a mutual insurance holding company," based upon a
25 mutual insurance company plan and continuing the corporate existence
26 of the reorganizing insurer as a stock insurer. The director, after a
27 public hearing as provided in section 41-3806, Idaho Code, if satisfied
28 that the interests of the policyholders are properly protected and that
29 the plan of reorganization is fair and equitable to the policyholders,
30 may approve the proposed plan of reorganization and may require as a
31 condition of approval such modifications of the proposed plan of reor-
32 ganization as the director finds necessary for the protection of the
33 policyholders' interests. The director may retain consultants for this
34 purpose as provided in section 41-3806(5), Idaho Code. A reorganiza-
35 tion pursuant to this section is subject to the requirements of sections
36 41-3804 and 41-3805, Idaho Code. The director shall retain jurisdic-
37 tion over a mutual insurance holding company organized pursuant to this
38 section to assure that policyholder interests are protected.

39 (b) All of the initial shares of the capital stock of the reorganized
40 insurer shall be issued to the mutual insurance holding company. The
41 membership interests of the policyholders of the reorganized insurer
42 shall become membership interests in the mutual insurance holding com-

44 mutual insurance holding company in accordance with the articles of in-
45 corporation and bylaws of the mutual insurance holding company. The mu-
46 tual insurance holding company shall at all times own a majority of the
47 voting shares of the capital stock of the reorganized insurer.

48 (2) (a) A domestic mutual insurer, upon the approval of the director,
49 may reorganize by merging its policyholders' membership interests into

1 a mutual insurance holding company formed pursuant to subsection (1) of
2 this section and continuing the corporate existence of the reorganizing
3 insurer as a stock insurer subsidiary of the mutual insurance holding
4 company. The director, after a public hearing as provided in section
5 41-3806, Idaho Code, if satisfied that the interests of the policyhold-
6 ers are properly protected and that the merger is fair and equitable to
7 the policyholders, may approve the proposed merger and may require as a
8 condition of approval such modifications of the proposed merger as the
9 director finds necessary for the protection of the policyholders' in-
10 terests. For this purpose, the director may retain consultants as pro-
11 vided in section 41-3806(5), Idaho Code. A merger pursuant to this sub-
12 section is subject to sections 41-3804 and 41-3805, Idaho Code. The di-
13 rector shall retain jurisdiction over the mutual insurance holding com-
14 pany organized pursuant to this section to assure that policyholder in-
15 terests are protected.

16 (b) All of the initial shares of the capital stock of the reorganized
17 insurer shall be issued to the mutual insurance holding company. The
18 membership interests of the policyholders of the reorganized insurance
19 company shall become membership interests in the mutual insurance hold-
20 ing company. Policyholders of the reorganized insurer shall be members
21 of the mutual insurance holding company in accordance with the articles
22 of incorporation and bylaws of the mutual insurance holding company.
23 The mutual insurance holding company shall at all times own a majority
24 of the voting shares of the capital stock of the reorganized insurer.
25 A merger of policyholders' membership interests in a mutual insurer
26 into a mutual insurance holding company shall be deemed to be a merger
27 of insurance companies pursuant to section 41-2857, Idaho Code, and is
28 subject to the requirements of section 41-2857, Idaho Code.

29 (c) A foreign mutual insurer that is a domestic insurer organized under
30 chapter 3, title 41, Idaho Code, may reorganize upon the approval of
31 the director and in compliance with the requirements of any law or rule
32 applicable to the foreign mutual insurer by merging its policyholders'
33 membership interests into a mutual insurance holding company formed
34 pursuant to subsection (1) of this section and continuing the corporate
35 existence of the reorganizing foreign mutual insurer as a foreign stock
36 insurer subsidiary of the mutual insurance holding company. The direc-
37 tor, after a public hearing as provided in section 41-3806, Idaho Code,
38 may approve the proposed merger. The director may retain consultants
39 as provided in section 41-3806(5), Idaho Code. A merger pursuant to
40 this paragraph is subject to the requirements of sections 41-3804 and
41 41-3805, Idaho Code. The reorganizing foreign mutual insurer may re-
42 main a foreign company or foreign corporation after the merger and may
43 be admitted to do business in this state, upon approval by the director.
44 A foreign mutual insurer that is a party to the merger may at the same
45 time redomesticate in this state by complying with the applicable re-
46 quirements of this state and its state of domicile. The provisions of
47 ~~subsection (2) paragraph~~ (b) of this subsection shall apply to a merger
48 authorized under this paragraph.

49 (3) A mutual insurance holding company resulting from the reorganiza-
50 tion of a domestic mutual insurer organized under chapter 21, title 30, Idaho

1 Code, shall be incorporated pursuant to chapter 21, title 30, Idaho Code.
2 This requirement shall supersede any conflicting provisions of chapter 21,
3 title 30, Idaho Code. The articles of incorporation and any amendments to
4 such articles of the mutual insurance holding company shall be subject to ap-
5 proval of the director in the same manner as those of an insurance company.

6 (4) A mutual insurance holding company is deemed to be an insurer sub-
7 ject to chapter 33, title 41, Idaho Code, and shall automatically be a party
8 to any proceeding under chapter 33, title 41, Idaho Code, involving an in-
9 surer that, as a result of a reorganization pursuant to subsection (1) or (2)
10 of this section, is a subsidiary of the mutual insurance holding company.
11 In any proceeding under chapter 33, title 41, Idaho Code, involving the re-
12 organized insurer, the assets of the mutual insurance holding company are
13 deemed to be assets of the estate of the reorganized insurer for purposes of
14 satisfying the claims of the reorganized insurer's policyholders. A mutual
15 insurance holding company shall not be dissolved or liquidated without the
16 prior approval of the director or as ordered by the district court pursuant
17 to chapter 33, title 41, Idaho Code.

18 (5) (a) Section 41-2855, Idaho Code, is not applicable to a reorganiza-
19 tion or merger pursuant to this section.

20 (b) Section 41-2855, Idaho Code, is applicable to demutualization of
21 a mutual insurance holding company that resulted from the reorganiza-
22 tion of a domestic mutual insurer organized pursuant to chapter 3, title
23 41, Idaho Code, as if the domestic mutual insurer were a mutual life in-
24 surer.

25 (6) A membership interest in a domestic mutual insurance holding com-
26 pany shall not constitute a security as defined in section 30-14-102(28),
27 Idaho Code.

28 (7) The majority of the voting shares of the capital stock of the reor-
29 ganized insurer, which is required by this section to be at all times owned
30 by a mutual insurance holding company, shall not be conveyed, transferred,
31 assigned, pledged, subject to a security interest or lien, encumbered or
32 otherwise hypothecated or alienated by the mutual insurance holding company
33 or intermediate holding company. Any conveyance, transfer, assignment,
34 pledge, security interest, lien, encumbrance, hypothecation or alienation
35 of, in or on the majority of the voting shares of the reorganized insurer that
36 is required by this section to be at all times owned by a mutual insurance
37 holding company, is in violation of the provisions of this section and shall
38 be void in inverse chronological order of the date of such conveyance, trans-
39 fer, assignment, pledge, security interest, lien, encumbrance or hypothe-
40 cation or alienation, as to the shares necessary to constitute a majority of
41 such voting shares. The majority of the voting shares of the capital stock of
42 the reorganized insurer that is required by this section to be at all times
43 owned by a mutual insurance holding company shall not be subject to execution
44 and levy as provided in title 11, Idaho Code. The shares of the capital stock
45 of the surviving or new company resulting from a merger or consolidation of
46 two (2) or more reorganized insurers or two (2) or more intermediate holding
47 companies that were subsidiaries of the same mutual insurance holding com-
48 pany are subject to the same requirements, restrictions and limitations as
49 provided in this section to which the shares of the merging or consolidating

1 reorganized insurers or intermediate holding companies were subject as pro-
2 vided in this section prior to the merger or consolidation.

3 (a) As used in this section, "majority of the voting shares of the capi-
4 tal stock of the reorganized insurer" means shares of the capital stock
5 of the reorganized insurer that carry the right to cast a majority of the
6 votes entitled to be cast by all of the outstanding shares of the capi-
7 tal stock of the reorganized insurer for the election of directors and
8 on all other matters submitted to a vote of the shareholders of the re-
9 organized insurer. The ownership of a majority of the voting shares of
10 the capital stock of the reorganized insurer that is required pursuant
11 to this section to be at all times owned by a parent mutual insurance
12 holding company includes indirect ownership through one (1) or more in-
13 termediate holding companies in a corporate structure approved by the
14 director. However, indirect ownership through one (1) or more interme-
15 diate holding companies shall not result in the mutual insurance hold-
16 ing company owning less than the equivalent of a majority of the voting
17 shares of the capital stock of the reorganized insurer. The director
18 shall have jurisdiction over an intermediate holding company as if it
19 were a mutual insurance holding company.

20 (b) As used in this section, "intermediate holding company" means a
21 holding company that is a subsidiary of a mutual insurance holding
22 company and that either directly or through a subsidiary intermediate
23 holding company has one (1) or more subsidiary-reorganized insurers of
24 which a majority of the voting shares of the capital stock would other-
25 wise have been required pursuant to this section to be at all times owned
26 by the mutual insurance holding company.

27 (8) It is the intent of the legislature that the formation of a mutual
28 insurance holding company shall not increase the Idaho tax burden of the mu-
29 tual insurance holding company system and that a stock insurance subsidiary
30 shall continue to be subject to Idaho insurance premium taxation in lieu of
31 all other taxes except real property taxes as provided in section 41-405,
32 Idaho Code. Subject to approval by the director as required under Idaho law,
33 a stock insurance subsidiary may issue dividends or distributions to the mu-
34 tual insurance holding company or any intermediate holding company and such
35 dividends or distributions shall be excluded from the Idaho taxable income
36 of the recipients; provided however, that such exclusion shall not apply if,
37 in the year preceding the year in which the dividends or distributions were
38 made, the subsidiary insurer's liability for Idaho premium tax was less than
39 the amount of Idaho income tax, computed after allowance for income tax cred-
40 its, for which the insurer would have been liable in such year had the insurer
41 been subject to Idaho income taxation rather than premium taxation.

42 SECTION 27. That Section 41-4934, Idaho Code, be, and the same is hereby
43 amended to read as follows:

44 41-4934. PROHIBITED PECUNIARY INTERESTS IN PLAN MANAGEMENT. (1) Nei-

49 any fee, commission, compensation or emolument, other than salary or

16 of urban renewal plans in this state. To establish a complete list of
17 all urban renewal plans of urban renewal agencies operating in Idaho, on
18 the effective date of this act and so that the registry established will
19 be comprehensive, every urban renewal agency shall register with the
20 state registry. For calendar year 2017, the submission of information
21 required by subsection (2) of this section shall occur prior to March 1,
22 2017, and shall be in the form and format required by the state tax com-
23 mission. In addition to the information required by this section for
24 the March 1, 2017, filing deadline, the entity shall report the date of
25 its last adoption or amendment or modification of an urban renewal plan.
26 The registry listing will be available on the state tax commission web-
27 site by July 1, 2017.

28 (b) The state tax commission shall notify each urban renewal agency of
29 the requirements of this section.

30 (c) After March 1, and on or before December 1 of each year, the county
31 clerk of each county shall submit a list to the state tax commission of

46 this section or submits noncompliant information required by this sec-
47 tion, the state tax commission shall notify the entity immediately af-
48 ter the due date of the information that either the information was not
49 submitted in a timely manner or the information submitted was noncom-

10 legal reporting requirements of this section. The county commissioners
11 shall assess to the entity the cost of the public notice. Such costs may
12 be deducted from any distributions of tax increment financing of the
13 urban renewal agency. For any noncomplying urban renewal agency, the
14 state tax commission shall notify the board of county commissioners and
15 city council of the compliance status of such entity by September 1 of
16 each year until the entity is in compliance.

17 (c) An urban renewal agency that fails to comply with this section shall
18 have any property tax revenue that exceeds the amount received in the
19 immediate prior tax year distributed to the taxing districts located in
20 or overlapping any revenue allocation area within that urban renewal
21 district. Said distribution shall be based on each taxing district's
22 proportionate share of the increment value in the current tax year mul-
23 tiplied by the taxing district's current levy rate, reduced proportion-
24 ately to match the excess to be so apportioned. Any money so received
25 by any taxing district shall be treated as property tax revenue for the

33 the provisions of this section, at which point the state tax commission
34 shall pay any money owed to an urban renewal agency that was previously
35 in violation of this section to the urban renewal agency.

36 (e) For any urban renewal agency, upon notification to the board of
37 county commissioners from the state tax commission of noncompliance by

40 following:

41 (i) Require a meeting of the board of county commissioners and the
42 urban renewal agency's governing body wherein the board of county
43 commissioners shall require compliance of this section by the en-
44 tity; and

45 (ii) Assess a noncompliance fee on the noncomplying urban renewal
46 agency. Such fee shall not exceed five thousand dollars (\$5,000).
47 Such fees and costs may be deducted from any distributions of the
48 tax increment financing. Any fee collected shall be deposited
49 into the county's current expense fund.

1 (54) The provisions of this section shall have no impact or effect upon
2 reporting requirements for local governing entities relating to the state
3 tax commission. The state tax commission may allow compliance with this sec-

42 enforcement of valid covenants, conditions or restrictions limiting a prop-
43 erty owner's right to transfer his interest in land or the structures thereon
44 ~~so~~ as long as that covenant, condition or restriction applied to the property
45 at the time the homeowner acquired his interest in the property.

 27 for such purposes, then the assessor shall determine the value of the entire
 28 property and the value of the part used that is not directly related to the
 29 hospital corporation's exempt purposes. If the value of the part ~~which that~~
