

**WITHDRAWN**

Senators Martin of the 9th and Unterman of the 45th offered the following amendment:

Amend Committee Substitute to HB 419 by inserting following line 88:

"any property where the use of consumer fireworks would create a fire damage hazard to any building or personal property located on an adjacent property; provided, however that an owner of such property may grant permission to any person, firm, corporation, association, or partnership to use ignite or cause to be ignited consumer fireworks on the property."
