

115TH CONGRESS 1ST SESSION H.R. 2422

To amend the Public Health Service Act to improve essential oral health care for low-income and other underserved individuals by breaking down barriers to care, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

May 15, 2017

Ms. Kelly of Illinois (for herself and Mr. Simpson) introduced the following bill; which was referred to the Committee on Energy and Commerce

A BILL

To amend the Public Health Service Act to improve essential oral health care for low-income and other underserved individuals by breaking down barriers to care, and for other purposes.

- 1 Be it enacted by the Senate and House of Representa-
- 2 tives of the United States of America in Congress assembled,
- 3 SECTION 1. SHORT TITLE.
- 4 This Act may be cited as the "Action for Dental
- 5 Health Act of 2017".
- 6 SEC. 2. FINDINGS.
- 7 Congress finds the following:

- (1) More than 181 million Americans will not visit a dentist even though nearly half of people over 30 suffer from some form of gum disease and nearly one in four children under the age of five already have cavities.
 - (2) Many volunteer dental projects sponsored by national, State, and local dental societies provide free care now to those most in need. Annually, dentists deliver an estimated \$2.6 billion in free and discounted care according to the America's Dentists Care Foundation.
 - (3) It is estimated that emergency department (ED) charges for dental complaints totaled up to \$2.1 billion in 2010. Nearly 80 percent of the dental emergency room visits were nonurgent and could have been seen in a dental office. Shifting those ED visits to a dental office translates into potential cost savings of up to \$1.7 billion a year and offers the possibility of establishing a "dental home" for these individuals.
 - (4) Seniors, especially those in nursing homes and long-term care facilities, often have special dental needs and complicated medical histories that require consultation between dentists and fellow med-

1	ical professionals in providing an interdisciplinary
2	approach to their overall health needs.
3	SEC. 3. VOLUNTEER DENTAL PROJECTS AND ACTION FOR
4	DENTAL HEALTH PROGRAM.
5	Section 317M of the Public Health Service Act (42
6	U.S.C. 247b–14) is amended—
7	(1) by redesignating subsections (e) and (f) as
8	subsections (g) and (h), respectively;
9	(2) by inserting after subsection (d), the fol-
10	lowing new subsection:
11	"(e) Grants To Support Volunteer Dental
12	Projects.—
13	"(1) In General.—The Secretary, acting
14	through the Director of the Centers for Disease
15	Control and Prevention, may award grants to or
16	enter into contracts with eligible entities to obtain
17	portable or mobile dental equipment, and pay for ap-
18	propriate operational costs, for the provision of free
19	dental services to underserved populations that are
20	delivered in a manner consistent with State licensing
21	laws.
22	"(2) ELIGIBLE ENTITY.—In this subsection, the
23	term 'eligible entity' includes a State or local dental
24	association, a State oral health program, a dental
25	education, dental hygiene education, or postdoctoral

1	dental education program accredited by the Commis-
2	sion on Dental Accreditation, or a community-based
3	organization that partners with an academic institu-
4	tion, that—
5	"(A) is exempt from tax under section
6	501(c) of the Internal Revenue Code of 1986;
7	and
8	"(B) offers a free dental services program
9	for underserved populations.
10	"(f) Action for Dental Health Program.—
11	"(1) In General.—The Secretary, acting
12	through the Director of the Centers for Disease
13	Control and Prevention, may award grants to or
14	enter into contracts with eligible entities to collabo-
15	rate with State, county, or local public officials and
16	other stakeholders to develop and implement initia-
17	tives to accomplish any of the following goals:
18	"(A) To improve oral health education and
19	dental disease prevention, including through
20	community-wide prevention programs, through
21	the use of dental sealants and fluoride varnish,
22	and by increasing oral health literacy.
23	"(B) To make the health care delivery sys-
24	tem providing dental services more accessible
25	and efficient through the development and ex-

pansion of outreach programs that will facilitate the establishment of dental homes for children and adults, including for the aged, blind, and disabled populations.

- "(C) To reduce geographic barriers, language barriers, cultural barriers, and other similar barriers to the provision of dental services.
- "(D) To help reduce the use of emergency departments by individuals who seek dental services more appropriately delivered in a dental primary care setting.
- "(E) To facilitate the provision of dental care to nursing home residents who are disproportionately affected by the lack of dental care.
- "(2) ELIGIBLE ENTITY.—In this subsection, the term 'eligible entity' includes a State or local dental association; a State oral health program; or a dental education, dental hygiene, or postdoctoral dental education program accredited by the Commission on Dental Accreditation, or a community-based organization that partners with an academic institution, that—

1	"(A) is exempt from tax under section
2	501(c) of the Internal Revenue Code of 1986;
3	and
4	"(B) partners with public and private
5	stakeholders to facilitate the provision of dental
6	services for underserved populations."; and
7	(3) in subsection (h), as redesignated by para-
8	graph (1), by inserting "and \$18,000,000 for each
9	of the fiscal years 2018 through 2022" after "fiscal
10	years 2001 through 2005".
