17 prevent, identify, and report trafficking in persons;

18 (3) agencies that already provide counter traf-
19 ficking-in-persons training for staff should share
20 their curricula with ones that do not have one;

21 (4) the head of each agency should inform all
22 candidates for employment about the anti-trafficking
23 provisions in the Code of Conduct of the agency;

1 (5) employees should also sign acknowledgment
2 of the Code of Conduct, and it should be kept in the
3 file of the employee; and

4 (6) violation of the Code of Conduct should lead
5 to disciplinary action up to and including termi-
6 nation of employment.

7 (c) IN GENERAL.—The President shall take such
8 steps as may be necessary to ensure that each officer and
9 employee (including temporary employees, persons sta-

19 ernment in a full-time or part-time capacity.

20 (2) A requirement that all Federal personnel,
21 without regard to whether the person is stationed
22 abroad, be sensitized to human trafficking and the
23 ethical conduct requirements that prohibit the pro-
24 curement of trafficking in persons.

1 (3) A requirement that all such personnel be
2 equipped with the necessary knowledge and tools to
3 prevent, recognize, report, and address human traf-
4 ficking offenses through a training for new personnel
5 and through regular refresher courses offered every
6 two years.
