3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “United States Coast  
5 Guard Commemorative Coin Act of 2019”.

6 **SEC. 2. FINDINGS.**

7 The Congress finds the following:

1           (1) The United States Coast Guard was found-  
2           ed on August 4, 1790, as the Revenue Cutter Serv-  
3           ice under the United States Department of the  
4           Treasury.

5           (2) Congress created the Coast Guard on Janu-  
6           ary 28, 1915, by merging the Revenue Cutter Serv-  
7           ice and the United States Lifesaving Service, was  
8           moved to the Department of Transportation in  
9           1967, and on February 25, 2003, became part of  
10          the Department of Homeland Security.

11          (3) Although the smallest of the uniformed  
12          services, today the United States Coast Guard con-  
13          ducts a wide variety of missions to protect the pub-  
14          lic, the environment, and the United States economic  
15          and security interests in any maritime region, in-  
16          cluding international waters and America's coasts,  
17          ports, and inland waterways.

18          (4) Every day, the United States Coast Guard  
19          plays a broad and important role in homeland secu-  
20          rity, law enforcement, search and rescue, marine en-  
21         vironmental pollution response, and the maintenance  
22          of river, intra-coastal and offshore aids to navigation  
23          (ATON).

24          (5) The United States Coast Guard is our Na-  
25          tion's oldest seagoing military service, staying true

1 to their motto, Semper Paratus or “Always Ready”,  
2 for 227 years.

3 (6) The United States Coast Guard is sup-  
4 ported by over 55,000 Active Duty, Reserve, and Ci-  
5 vilian personnel, who in 2016 responded to 16,304  
6 search and rescue cases saving 5,221 lives, con-  
7 ducted 47,418 waterborne patrols of critical mari-  
8 time infrastructure, escorted over 2,671 high-capac-  
9 ity passenger vessels, conducted 7,022 security  
10 boardings in and around United States ports, re-  
11 moved \$5.7 billion worth of illegal drugs, interdicted  
12 6,346 undocumented migrants attempting to illegally  
13 enter the United States, and maintained 45,114  
14 navigation aids that support \$3.2 trillion in eco-  
15 nomic activity on our Nation’s waterways.

16 (7) Section 213 of Public Law 108–293 states  
17 that “The Commandant may establish a National  
18 Coast Guard Museum, on lands which will be feder-  
19 ally owned and administered by the Coast Guard,  
20 and are located in New London, Connecticut, at, or  
21 in close proximity to, the Coast Guard Academy”.

22 (8) The National Coast Guard Museum Asso-  
23 ciation, a nonprofit association dedicated to improve  
24 public understanding of the history, service, and  
25 missions of the Coast Guard, is working with the

1 United States Coast Guard, the City of New Lon-  
2 don, the State of Connecticut, and a range of local,  
3 regional, and national stakeholders to develop, plan,  
4 and raise capital for the National Coast Guard Mu-  
5 seum, to be located in New London, Connecticut.

6 (9) The United States Coast Guard is the only
