

# AN ACT

To amend section 4511.132 of the Revised Code to specify that the alternative protocol for proceeding into an intersection with malfunctioning traffic lights due to a failure of a vehicle detector applies only to bicycles, and to declare an emergency.

*Be it enacted by the General Assembly of the State of Ohio:*

SECTION 1. That section 4511.132 of the Revised Code be amended to read as follows:

Sec. 4511.132. (A) The driver of a vehicle, streetcar, or trackless trolley who approaches an intersection where traffic is controlled by traffic control signals shall do all of the following; if the signal facing the driver exhibits no colored lights or colored lighted arrows, exhibits a combination of such lights or arrows that fails to clearly indicate the assignment of right-of-way, or, if the vehicle is a bicycle, the signals are otherwise malfunctioning, ~~including due to~~ the failure of a vehicle detector to detect the ~~vehicle~~ presence of the bicycle:

(1) Stop at a clearly marked stop line, but if none, stop before entering the crosswalk on the near side of the intersection, or, if none, stop before entering the intersection;

(2) Yield the right-of-way to all vehicles, streetcars, or trackless trolleys in the intersection or approaching on an intersecting road, if the vehicles, streetcars, or trackless trolleys will constitute an immediate hazard during the time the driver is moving across or within the intersection or junction of roadways;

(3) Exercise ordinary care while proceeding through the intersection.

(B) Except as otherwise provided in this division, whoever violates this section is guilty of a minor misdemeanor. If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to one predicate motor vehicle or traffic offense, whoever violates this section is guilty of a misdemeanor of the fourth degree. If, within one year of the offense, the offender previously has been convicted of two or more predicate motor vehicle or traffic offenses, whoever violates this section is guilty of a misdemeanor of the third degree.

SECTION 2. That existing section 4511.132 of the Revised Code is hereby repealed.

SECTION 3. This act is hereby declared to be an emergency measure necessary for the immediate preservation of the public peace, health, and safety. The reason for such necessity is that the General Assembly does not intend to grant persons operating vehicles other than bicycles the authority to determine that a traffic signal is malfunctioning and thus the opportunity to proceed through a red traffic signal on that basis. As that authority was granted effective March 21, 2017, it is imperative that this act become effective immediately in order to redress this issue. Therefore, this act shall go into immediate effect.
