12 after the expiration of thirty (30) days' notice to the department of an intention to
13 cancel the policy, bond, or contract. A prior cancellation may be allowed in cases
14 where one (1) policy, bond, or contract is substituted for another policy, bond, or
15 contract if the substituted policy, bond, or contract is of force and effect at a time
16 prior to the expiration of thirty (30) days' notice to the department of an intention to
17 cancel the policy, bond, or contract for which the additional policy, bond, or
18 contract is being substituted. The acceptance of any notice of an intention to cancel
19 any policy, bond, or contract or the cancellation of any policy, bond, or contract by
20 the department, unless under the circumstances set forth, shall not relieve the
21 insurance company, insurance carrier, surety, or obligor of any liability that accrued
22 prior to the effective date of the cancellation.

23 (9) Upon the cancellation of any bond or insurance policy required by this section, all
24 operating rights granted by the certificate for which the bond or policy was filed,
25 shall immediately cease, and the department may immediately require the cessation
26 of all operations conducted under authority of the certificate, and may require the
27 immediate surrender of all certificates, licenses, and other evidence of a right to act

1 as a motor carrier.

2 (10) The department may exempt in whole or in part from the requirements of this
3 section any person who applies for the exemption and shows to the satisfaction of
4 the department that, by reason of the financial ability of the person applying, there
5 is due assurance of the payment of all damages for which he or she may become
6 liable as a result of the operation of any vehicle owned by him or her or operated
7 under authority of his or her certificate.

8 (11) The provisions of this section notwithstanding, the Secretary of Transportation may
9 adopt, incorporate by reference, or set forth in its entirety the provisions of Title 49,
10 United States Code of Federal Regulations, Part 387, relating to the levels of
11 financial responsibility for motor carriers, in effect as of June 24, 2015, or as
12 amended after that date, with respect to any motor carrier operating in Kentucky.

13 (12) The cabinet shall promulgate administrative regulations to set standards for pre-trip
14 acceptance liability policies and prearranged ride liability insurance policies for
15 transportation network company vehicles. The minimum amount of insurance for
16 pre-trip acceptance liability policies shall be fifty thousand dollars (\$50,000) for
17 death and personal injury to one (1) person, one hundred thousand dollars
18 (\$100,000) for death and personal injury resulting from one (1) incident, and
19 twenty-five thousand dollars (\$25,000) for property damage. The minimum amount
20 of insurance for prearranged ride liability policies shall be the same as for motor
21 vehicles for the transportation of persons under subsection (4) of this section. Pre-
22 trip acceptance liability policies and prearranged ride liability policies may be
23 issued by an eligible surplus lines insurer.

24 (13) Notwithstanding any other provision of this section, any fully autonomous vehicle
25 operating under a certificate issued under this chapter shall have on file with the
26 department indemnifying bonds or insurance policies in the minimum amounts
27 of:

- 1 (a) One million dollars (\$1,000,000) of total liability for death of or injury to
2 persons resulting from any one (1) accident; and
3 (b) One million dollars (\$1,000,000) for property damage.
