section such that the public office or the person responsible 478
for the requested public record cannot reasonably identify what 479
public records are being requested, the public office or the 480
person responsible for the requested public record may deny the 481
request but shall provide the requester with an opportunity to 482
revise the request by informing the requester of the manner in 483
which records are maintained by the public office and accessed 484
in the ordinary course of the public office's or person's 485
duties. 486

(3) If a request is ultimately denied, in part or in 487
whole, the public office or the person responsible for the 488
requested public record shall provide the requester with an 489
explanation, including legal authority, setting forth why the 490
request was denied. If the initial request was provided in 491
writing, the explanation also shall be provided to the requester 492
in writing. The explanation shall not preclude the public office 493
or the person responsible for the requested public record from 494
relying upon additional reasons or legal authority in defending 495
an action commenced under division (C) of this section. 496

(4) Unless specifically required or authorized by state or 497
federal law or in accordance with division (B) of this section, 498
no public office or person responsible for public records may 499
limit or condition the availability of public records by 500
requiring disclosure of the requester's identity or the intended 501
use of the requested public record. Any requirement that the 502
requester disclose the requester's identity or the intended use 503
of the requested public record constitutes a denial of the 504
request. 505

(5) A public office or person responsible for public 506
records may ask a requester to make the request in writing, may 507
ask for the requester's identity, and may inquire about the 508
intended use of the information requested, but may do so only 509
after disclosing to the requester that a written request is not 510
mandatory, that the requester may decline to reveal the 511
requester's identity or the intended use, and when a written 512
request or disclosure of the identity or intended use would 513
benefit the requester by enhancing the ability of the public 514
office or person responsible for public records to identify, 515
locate, or deliver the public records sought by the requester. 516

(6) If any person requests a copy of a public record in 517
accordance with division (B) of this section, the public office 518
or person responsible for the public record may require that 519
person to pay in advance the cost involved in providing the copy 520
of the public record in accordance with the choice made by the 521
person requesting the copy under this division. The public 522
office or the person responsible for the public record shall 523
permit that person to choose to have the public record 524
duplicated upon paper, upon the same medium upon which the 525
public office or person responsible for the public record keeps 526
it, or upon any other medium upon which the public office or 527
person responsible for the public record determines that it 528
reasonably can be duplicated as an integral part of the normal 529
operations of the public office or person responsible for the 530
public record. When the person requesting the copy makes a 531
choice under this division, the public office or person 532
responsible for the public record shall provide a copy of it in 533
accordance with the choice made by that person. Nothing in this 534
section requires a public office or person responsible for the 535
public record to allow the person requesting a copy of the 536

public record to make the copies of the public record. 537

(7) (a) Upon a request made in accordance with division (B) 538
of this section and subject to division (B) (6) of this section, 539
a public office or person responsible for public records shall 540
transmit a copy of a public record to any person by United 541
States mail or by any other means of delivery or transmission 542
within a reasonable period of time after receiving the request 543
for the copy. The public office or person responsible for the 544
public record may require the person making the request to pay 545
in advance the cost of postage if the copy is transmitted by 546
United States mail or the cost of delivery if the copy is 547
transmitted other than by United States mail, and to pay in 548
advance the costs incurred for other supplies used in the 549
mailing, delivery, or transmission. 550

(b) Any public office may adopt a policy and procedures 551
that it will follow in transmitting, within a reasonable period 552
of time after receiving a request, copies of public records by 553
United States mail or by any other means of delivery or 554
transmission pursuant to division (B) (7) of this section. A 555
public office that adopts a policy and procedures under division 556
(B) (7) of this section shall comply with them in performing its 557
duties under that division. 558

(c) In any policy and procedures adopted under division 559
(B) (7) of this section: 560

(i) A public office may limit the number of records 561
requested by a person that the office will physically deliver by 562
United States mail or by another delivery service to ten per 563
month, unless the person certifies to the office in writing that 564
the person does not intend to use or forward the requested 565
records, or the information contained in them, for commercial 566

purposes; 567

(ii) A public office that chooses to provide some or all 568
of its public records on a web site that is fully accessible to 569
and searchable by members of the public at all times, other than 570
during acts of God outside the public office's control or 571
maintenance, and that charges no fee to search, access, 572
download, or otherwise receive records provided on the web site, 573
may limit to ten per month the number of records requested by a 574
person that the office will deliver in a digital format, unless 575
the requested records are not provided on the web site and 576
unless the person certifies to the office in writing that the 577
person does not intend to use or forward the requested records, 578
or the information contained in them, for commercial purposes. 579

(iii) For purposes of division (B)(7) of this section, 580
"commercial" shall be narrowly construed and does not include 581
reporting or gathering news, reporting or gathering information 582
to assist citizen oversight or understanding of the operation or 583
activities of government, or nonprofit educational research. 584

(8) A public office or person responsible for public 585
records is not required to permit a person who is incarcerated 586
pursuant to a criminal conviction or a juvenile adjudication to 587
inspect or to obtain a copy of any public record concerning a 588
criminal investigation or prosecution or concerning what would 589
be a criminal investigation or prosecution if the subject of the 590
investigation or prosecution were an adult, unless the request 591
to inspect or to obtain a copy of the record is for the purpose 592
of acquiring information that is subject to release as a public 593
record under this section and the judge who imposed the sentence 594
or made the adjudication with respect to the person, or the 595
judge's successor in office, finds that the information sought 596

in the public record is necessary to support what appears to be 597
a justiciable claim of the person. 598

(9) (a) Upon written request made and signed by a 599
journalist, a public office, or person responsible for public 600
records, having custody of the records of the agency employing a 601
specified designated public service worker shall disclose to the 602
journalist the address of the actual personal residence of the 603
designated public service worker and, if the designated public 604
service worker's spouse, former spouse, or child is employed by 605
a public office, the name and address of the employer of the 606
designated public service worker's spouse, former spouse, or 607
child. The request shall include the journalist's name and title 608
and the name and address of the journalist's employer and shall 609
state that disclosure of the information sought would be in the 610
public interest. 611

(b) Division (B) (9) (a) of this section also applies to 612
journalist requests for: 613

(i) Customer information maintained by a municipally owned 614
or operated public utility, other than social security numbers 615
and any private financial information such as credit reports, 616
payment methods, credit card numbers, and bank account 617
information; 618

(ii) Information about minors involved in a school vehicle 619
accident as provided in division (A) (1) (gg) of this section, 620
other than personal information as defined in section 149.45 of 621
the Revised Code. 622

(c) As used in division (B) (9) of this section, 623
"journalist" means a person engaged in, connected with, or 624
employed by any news medium, including a newspaper, magazine, 625

press association, news agency, or wire service, a radio or 626
television station, or a similar medium, for the purpose of 627
gathering, processing, transmitting, compiling, editing, or 628
disseminating information for the general public. 629

(10) Upon a request made by a victim, victim's attorney, 630
or victim's representative, as that term is used in section 631
2930.02 of the Revised Code, a public office or person 632
responsible for public records shall transmit a copy of a 633
depiction of the victim as described in division (A) (1) (gg) of 634
this section to the victim, victim's attorney, or victim's 635
representative. 636

(C) (1) If a person allegedly is aggrieved by the failure 637
of a public office or the person responsible for public records 638
to promptly prepare a public record and to make it available to 639
the person for inspection in accordance with division (B) of 640
this section or by any other failure of a public office or the 641
person responsible for public records to comply with an 642
obligation in accordance with division (B) of this section, the 643
person allegedly aggrieved may do only one of the following, and 644
not both: 645

(a) File a complaint with the clerk of the court of claims 646
or the clerk of the court of common pleas under section 2743.75 647
of the Revised Code; 648

(b) Commence a mandamus action to obtain a judgment that 649
orders the public office or the person responsible for the 650
public record to comply with division (B) of this section, that 651
awards court costs and reasonable attorney's fees to the person 652
that instituted the mandamus action, and, if applicable, that 653
includes an order fixing statutory damages under division (C) (2) 654
of this section. The mandamus action may be commenced in the 655

court of common pleas of the county in which division (B) of 656
this section allegedly was not complied with, in the supreme 657
court pursuant to its original jurisdiction under Section 2 of 658
Article IV, Ohio Constitution, or in the court of appeals for 659
the appellate district in which division (B) of this section 660
allegedly was not complied with pursuant to its original 661
jurisdiction under Section 3 of Article IV, Ohio Constitution. 662

(2) If a requester transmits a written request by hand 663
delivery, electronic submission, or certified mail to inspect or 664
receive copies of any public record in a manner that fairly 665
describes the public record or class of public records to the 666
public office or person responsible for the requested public 667
records, except as otherwise provided in this section, the 668
requester shall be entitled to recover the amount of statutory 669
damages set forth in this division if a court determines that 670
the public office or the person responsible for public records 671
failed to comply with an obligation in accordance with division 672
(B) of this section. 673

The amount of statutory damages shall be fixed at one 674
hundred dollars for each business day during which the public 675
office or person responsible for the requested public records 676
failed to comply with an obligation in accordance with division 677
(B) of this section, beginning with the day on which the 678
requester files a mandamus action to recover statutory damages, 679
up to a maximum of one thousand dollars. The award of statutory 680
damages shall not be construed as a penalty, but as compensation 681
for injury arising from lost use of the requested information. 682
The existence of this injury shall be conclusively presumed. The 683
award of statutory damages shall be in addition to all other 684
remedies authorized by this section. 685

The court may reduce an award of statutory damages or not 686
award statutory damages if the court determines both of the 687
following: 688

(a) That, based on the ordinary application of statutory 689
law and case law as it existed at the time of the conduct or 690
threatened conduct of the public office or person responsible 691
for the requested public records that allegedly constitutes a 692
failure to comply with an obligation in accordance with division 693
(B) of this section and that was the basis of the mandamus 694
action, a well-informed public office or person responsible for 695
the requested public records reasonably would believe that the 696
conduct or threatened conduct of the public office or person 697
responsible for the requested public records did not constitute 698
a failure to comply with an obligation in accordance with 699
division (B) of this section; 700

(b) That a well-informed public office or person 701
responsible for the requested public records reasonably would 702
believe that the conduct or threatened conduct of the public 703
office or person responsible for the requested public records 704
would serve the public policy that underlies the authority that 705
is asserted as permitting that conduct or threatened conduct. 706

(3) In a mandamus action filed under division (C) (1) of 707
this section, the following apply: 708

(a) (i) If the court orders the public office or the person 709
responsible for the public record to comply with division (B) of 710
this section, the court shall determine and award to the relator 711
all court costs, which shall be construed as remedial and not 712
punitive. 713

(ii) If the court makes a determination described in 714

division (C) (3) (b) (iii) of this section, the court shall 715
determine and award to the relator all court costs, which shall 716
be construed as remedial and not punitive. 717

(b) If the court renders a judgment that orders the public 718
office or the person responsible for the public record to comply 719
with division (B) of this section or if the court determines any 720
of the following, the court may award reasonable attorney's fees 721
to the relator, subject to division (C) (4) of this section: 722

(i) The public office or the person responsible for the 723
public records failed to respond affirmatively or negatively to 724
the public records request in accordance with the time allowed 725
under division (B) of this section. 726

(ii) The public office or the person responsible for the 727
public records promised to permit the relator to inspect or 728
receive copies of the public records requested within a 729
specified period of time but failed to fulfill that promise 730
within that specified period of time. 731

(iii) The public office or the person responsible for the 732
public records acted in bad faith when the office or person 733
voluntarily made the public records available to the relator for 734
the first time after the relator commenced the mandamus action, 735
but before the court issued any order concluding whether or not 736
the public office or person was required to comply with division 737
(B) of this section. No discovery may be conducted on the issue 738
of the alleged bad faith of the public office or person 739
responsible for the public records. This division shall not be 740
construed as creating a presumption that the public office or 741
the person responsible for the public records acted in bad faith 742
when the office or person voluntarily made the public records 743
available to the relator for the first time after the relator 744

commenced the mandamus action, but before the court issued any 745
order described in this division. 746

(c) The court shall not award attorney's fees to the 747
relator if the court determines both of the following: 748

(i) That, based on the ordinary application of statutory 749
law and case law as it existed at the time of the conduct or 750
threatened conduct of the public office or person responsible 751
for the requested public records that allegedly constitutes a 752
failure to comply with an obligation in accordance with division 753
(B) of this section and that was the basis of the mandamus 754
action, a well-informed public office or person responsible for 755
the requested public records reasonably would believe that the 756
conduct or threatened conduct of the public office or person 757
responsible for the requested public records did not constitute 758
a failure to comply with an obligation in accordance with 759
division (B) of this section; 760

(ii) That a well-informed public office or person 761
responsible for the requested public records reasonably would 762
believe that the conduct or threatened conduct of the public 763
office or person responsible for the requested public records 764
would serve the public policy that underlies the authority that 765
is asserted as permitting that conduct or threatened conduct. 766

(4) All of the following apply to any award of reasonable 767
attorney's fees awarded under division (C) (3) (b) of this 768
section: 769

(a) The fees shall be construed as remedial and not 770
punitive. 771

(b) The fees awarded shall not exceed the total of the 772
reasonable attorney's fees incurred before the public record was 773

made available to the relator and the fees described in division 774
(C) (4) (c) of this section. 775

(c) Reasonable attorney's fees shall include reasonable 776
fees incurred to produce proof of the reasonableness and amount 777
of the fees and to otherwise litigate entitlement to the fees. 778

(d) The court may reduce the amount of fees awarded if the 779
court determines that, given the factual circumstances involved 780
with the specific public records request, an alternative means 781
should have been pursued to more effectively and efficiently 782
resolve the dispute that was subject to the mandamus action 783
filed under division (C) (1) of this section. 784

(5) If the court does not issue a writ of mandamus under 785
division (C) of this section and the court determines at that 786
time that the bringing of the mandamus action was frivolous 787
conduct as defined in division (A) of section 2323.51 of the 788
Revised Code, the court may award to the public office all court 789
costs, expenses, and reasonable attorney's fees, as determined 790
by the court. 791

(D) Chapter 1347. of the Revised Code does not limit the 792
provisions of this section. 793

(E) (1) To ensure that all employees of public offices are 794
appropriately educated about a public office's obligations under 795
division (B) of this section, all elected officials or their 796
appropriate designees shall attend training approved by the 797
attorney general as provided in section 109.43 of the Revised 798
Code. A future official may satisfy the requirements of this 799
division by attending the training before taking office, 800
provided that the future official may not send a designee in the 801
future official's place. 802

(2) All public offices shall adopt a public records policy 803
in compliance with this section for responding to public records 804
requests. In adopting a public records policy under this 805
division, a public office may obtain guidance from the model 806
public records policy developed and provided to the public 807
office by the attorney general under section 109.43 of the 808
Revised Code. Except as otherwise provided in this section, the 809
policy may not limit the number of public records that the 810
public office will make available to a single person, may not 811
limit the number of public records that it will make available 812
during a fixed period of time, and may not establish a fixed 813
period of time before it will respond to a request for 814
inspection or copying of public records, unless that period is 815
less than eight hours. 816

The public office shall distribute the public records 817
policy adopted by the public office under this division to the 818
employee of the public office who is the records custodian or 819
records manager or otherwise has custody of the records of that 820
office. The public office shall require that employee to 821
acknowledge receipt of the copy of the public records policy. 822
The public office shall create a poster that describes its 823
public records policy and shall post the poster in a conspicuous 824
place in the public office and in all locations where the public 825
office has branch offices. The public office may post its public 826
records policy on the internet web site of the public office if 827
the public office maintains an internet web site. A public 828
office that has established a manual or handbook of its general 829
policies and procedures for all employees of the public office 830
shall include the public records policy of the public office in 831
the manual or handbook. 832

(F) (1) The bureau of motor vehicles may adopt rules 833

pursuant to Chapter 119. of the Revised Code to reasonably limit 834
the number of bulk commercial special extraction requests made 835
by a person for the same records or for updated records during a 836
calendar year. The rules may include provisions for charges to 837
be made for bulk commercial special extraction requests for the 838
actual cost of the bureau, plus special extraction costs, plus 839
ten per cent. The bureau may charge for expenses for redacting 840
information, the release of which is prohibited by law. 841

(2) As used in division (F)(1) of this section: 842

(a) "Actual cost" means the cost of depleted supplies, 843
records storage media costs, actual mailing and alternative 844
delivery costs, or other transmitting costs, and any direct 845
equipment operating and maintenance costs, including actual 846
costs paid to private contractors for copying services. 847

(b) "Bulk commercial special extraction request" means a 848
request for copies of a record for information in a format other 849
than the format already available, or information that cannot be 850
extracted without examination of all items in a records series, 851
class of records, or database by a person who intends to use or 852
forward the copies for surveys, marketing, solicitation, or 853
resale for commercial purposes. "Bulk commercial special 854
extraction request" does not include a request by a person who 855
gives assurance to the bureau that the person making the request 856
does not intend to use or forward the requested copies for 857
surveys, marketing, solicitation, or resale for commercial 858
purposes. 859

(c) "Commercial" means profit-seeking production, buying, 860
or selling of any good, service, or other product. 861

(d) "Special extraction costs" means the cost of the time 862

spent by the lowest paid employee competent to perform the task, 863
the actual amount paid to outside private contractors employed 864
by the bureau, or the actual cost incurred to create computer 865
programs to make the special extraction. "Special extraction 866
costs" include any charges paid to a public agency for computer 867
or records services. 868

(3) For purposes of divisions (F) (1) and (2) of this 869
section, "surveys, marketing, solicitation, or resale for 870
commercial purposes" shall be narrowly construed and does not 871
include reporting or gathering news, reporting or gathering 872
information to assist citizen oversight or understanding of the 873
operation or activities of government, or nonprofit educational 874
research. 875

(G) A request by a defendant, counsel of a defendant, or 876
any agent of a defendant in a criminal action that public 877
records related to that action be made available under this 878
section shall be considered a demand for discovery pursuant to 879
the Criminal Rules, except to the extent that the Criminal Rules 880
plainly indicate a contrary intent. The defendant, counsel of 881
the defendant, or agent of the defendant making a request under 882
this division shall serve a copy of the request on the 883
prosecuting attorney, director of law, or other chief legal 884
officer responsible for prosecuting the action. 885

(H) (1) Any portion of a body-worn camera or dashboard 886
camera recording described in divisions (A) (17) (b) to (h) of 887
this section may be released by consent of the subject of the 888
recording or a representative of that person, as specified in 889
those divisions, only if either of the following applies: 890

(a) The recording will not be used in connection with any 891
probable or pending criminal proceedings; 892

(b) The recording has been used in connection with a 893
criminal proceeding that was dismissed or for which a judgment 894
has been entered pursuant to Rule 32 of the Rules of Criminal 895
Procedure, and will not be used again in connection with any 896
probable or pending criminal proceedings. 897

(2) If a public office denies a request to release a 898
restricted portion of a body-worn camera or dashboard camera 899
recording, as defined in division (A)(17) of this section, any 900
person may file a mandamus action pursuant to this section or a 901
complaint with the clerk of the court of claims pursuant to 902
section 2743.75 of the Revised Code, requesting the court to 903
order the release of all or portions of the recording. If the 904
court considering the request determines that the filing 905
articulates by clear and convincing evidence that the public 906
interest in the recording substantially outweighs privacy 907
interests and other interests asserted to deny release, the 908
court shall order the public office to release the recording. 909

Sec. 2919.13. (A) No person shall purposely take the life 910
of a child born by attempted abortion who is alive when removed 911
from the uterus of the pregnant woman. 912

(B) No person who performs an abortion shall purposely 913
fail to take the measures required by the exercise of medical 914
judgment in light of the attending circumstances to preserve the 915
health or life of a child who is alive when removed from the 916
uterus of the pregnant woman. 917

(C) Whoever violates this section is guilty of abortion 918
manslaughter, a felony of the first degree. 919

(D)(1) A woman on whom an abortion is performed or 920
attempted may file a civil action for the wrongful death of the 921

woman's child against a person who violates division (A) of this 922
section. 923

(2) A woman on whom an abortion is performed or attempted 924
may file a civil action for injury, death, or loss to person or 925
property against a person who violates division (B) of this 926
section. 927

(3) A woman who prevails in an action filed under division 928

following from the person who committed the act: 930

determined by the trier of fact; 932

(b) Court costs and reasonable attorney's fees. 933

available at least clinical laboratory services, diagnostic x- 948

ray services, treatment facilities for surgery or obstetrical 949
care, or other definitive medical treatment. "Hospital" does not 950
include a "home" as defined in section 3721.01 of the Revised 951

certificate, refuse to renew a license or certificate, refuse to 1173
reinstate a license or certificate, or reprimand or place on 1174
probation the holder of a license or certificate if the 1175
individual applying for or holding the license or certificate is 1176
found by the board to have committed fraud during the 1177
administration of the examination for a license or certificate 1178
to practice or to have committed fraud, misrepresentation, or 1179
deception in applying for, renewing, or securing any license or 1180
certificate to practice or certificate to recommend issued by 1181
the board. 1182

(B) The board, by an affirmative vote of not fewer than 1183
six members, shall, to the extent permitted by law, limit, 1184
revoke, or suspend a license or certificate to practice or 1185
certificate to recommend, refuse to issue a license or 1186
certificate, refuse to renew a license or certificate, refuse to 1187
reinstate a license or certificate, or reprimand or place on 1188
probation the holder of a license or certificate for one or more 1189
of the following reasons: 1190

(1) Permitting one's name or one's license or certificate 1191
to practice to be used by a person, group, or corporation when 1192
the individual concerned is not actually directing the treatment 1193
given; 1194

Code, selling, giving away, personally furnishing, prescribing, 1200

therapeutic purposes or a plea of guilty to, a judicial finding 1202
of guilt of, or a judicial finding of eligibility for 1203
intervention in lieu of conviction of, a violation of any 1204
federal or state law regulating the possession, distribution, or 1205
use of any drug; 1206

(4) Willfully betraying a professional confidence. 1207

For purposes of this division, "willfully betraying a 1208
professional confidence" does not include providing any 1209
information, documents, or reports under sections 307.621 to 1210
307.629 of the Revised Code to a child fatality review board; 1211
does not include providing any information, documents, or 1212

making of a report of an employee's use of a drug of abuse, or a 1217
report of a condition of an employee other than one involving 1218
the use of a drug of abuse, to the employer of the employee as 1219
described in division (B) of section 2305.33 of the Revised 1220
Code. Nothing in this division affects the immunity from civil 1221
liability conferred by section 2305.33 or 4731.62 of the Revised 1222
Code upon a physician who makes a report in accordance with 1223
section 2305.33 or notifies a mental health professional in 1224
accordance with section 4731.62 of the Revised Code. As used in 1225
this division, "employee," "employer," and "physician" have the 1226
same meanings as in section 2305.33 of the Revised Code. 1227

(5) Making a false, fraudulent, deceptive, or misleading 1228
statement in the solicitation of or advertising for patients; in 1229

relation to the practice of medicine and surgery, osteopathic 1230
medicine and surgery, podiatric medicine and surgery, or a 1231
limited branch of medicine; or in securing or attempting to 1232
secure any license or certificate to practice issued by the 1233
board. 1234

As used in this division, "false, fraudulent, deceptive, 1235
or misleading statement" means a statement that includes a 1236
misrepresentation of fact, is likely to mislead or deceive 1237
because of a failure to disclose material facts, is intended or 1238
is likely to create false or unjustified expectations of 1239
favorable results, or includes representations or implications 1240
that in reasonable probability will cause an ordinarily prudent 1241
person to misunderstand or be deceived. 1242

(6) A departure from, or the failure to conform to, 1243
minimal standards of care of similar practitioners under the 1244
same or similar circumstances, whether or not actual injury to a 1245
patient is established; 1246

(7) Representing, with the purpose of obtaining 1247
compensation or other advantage as personal gain or for any 1248
other person, that an incurable disease or injury, or other 1249
incurable condition, can be permanently cured; 1250

(8) The obtaining of, or attempting to obtain, money or 1251
anything of value by fraudulent misrepresentations in the course 1252
of practice; 1253

or a judicial finding of eligibility for intervention in lieu of 1255
conviction for, a felony; 1256

(10) Commission of an act that constitutes a felony in 1257
this state, regardless of the jurisdiction in which the act was 1258

committed; 1259

(11) A plea of guilty to, a judicial finding of guilt of, 1260
or a judicial finding of eligibility for intervention in lieu of 1261
conviction for, a misdemeanor committed in the course of 1262
practice; 1263

(12) Commission of an act in the course of practice that 1264
constitutes a misdemeanor in this state, regardless of the 1265
jurisdiction in which the act was committed; 1266

(13) A plea of guilty to, a judicial finding of guilt of, 1267
or a judicial finding of eligibility for intervention in lieu of 1268
conviction for, a misdemeanor involving moral turpitude; 1269

(14) Commission of an act involving moral turpitude that 1270
constitutes a misdemeanor in this state, regardless of the 1271
jurisdiction in which the act was committed; 1272

(15) Violation of the conditions of limitation placed by 1273
the board upon a license or certificate to practice; 1274

(16) Failure to pay license renewal fees specified in this 1275
chapter; 1276

(17) Except as authorized in section 4731.31 of the 1277
Revised Code, engaging in the division of fees for referral of 1278
patients, or the receiving of a thing of value in return for a 1279
specific referral of a patient to utilize a particular service 1280
or business; 1281

(18) Subject to section 4731.226 of the Revised Code, 1282
violation of any provision of a code of ethics of the American 1283
medical association, the American osteopathic association, the 1284
American podiatric medical association, or any other national 1285
professional organizations that the board specifies by rule. The 1286

state medical board shall obtain and keep on file current copies 1287
of the codes of ethics of the various national professional 1288
organizations. The individual whose license or certificate is 1289
being suspended or revoked shall not be found to have violated 1290
any provision of a code of ethics of an organization not 1291
appropriate to the individual's profession. 1292

For purposes of this division, a "provision of a code of 1293
ethics of a national professional organization" does not include 1294
any provision that would preclude the making of a report by a 1295
physician of an employee's use of a drug of abuse, or of a 1296
condition of an employee other than one involving the use of a 1297
drug of abuse, to the employer of the employee as described in 1298
division (B) of section 2305.33 of the Revised Code. Nothing in 1299
this division affects the immunity from civil liability 1300
conferred by that section upon a physician who makes either type 1301
of report in accordance with division (B) of that section. As 1302
used in this division, "employee," "employer," and "physician" 1303
have the same meanings as in section 2305.33 of the Revised 1304
Code. 1305

(19) Inability to practice according to acceptable and 1306
prevailing standards of care by reason of mental illness or 1307
physical illness, including, but not limited to, physical 1308
deterioration that adversely affects cognitive, motor, or 1309
perceptive skills. 1310

In enforcing this division, the board, upon a showing of a 1311
possible violation, may compel any individual authorized to 1312
practice by this chapter or who has submitted an application 1313
pursuant to this chapter to submit to a mental examination, 1314
physical examination, including an HIV test, or both a mental 1315
and a physical examination. The expense of the examination is 1316

the responsibility of the individual compelled to be examined. 1317
Failure to submit to a mental or physical examination or consent 1318
to an HIV test ordered by the board constitutes an admission of 1319
the allegations against the individual unless the failure is due 1320
to circumstances beyond the individual's control, and a default 1321
and final order may be entered without the taking of testimony 1322
or presentation of evidence. If the board finds an individual 1323
unable to practice because of the reasons set forth in this 1324
division, the board shall require the individual to submit to 1325
care, counseling, or treatment by physicians approved or 1326
designated by the board, as a condition for initial, continued, 1327
reinstated, or renewed authority to practice. An individual 1328
affected under this division shall be afforded an opportunity to 1329
demonstrate to the board the ability to resume practice in 1330
compliance with acceptable and prevailing standards under the 1331
provisions of the individual's license or certificate. For the 1332
purpose of this division, any individual who applies for or 1333
receives a license or certificate to practice under this chapter 1334
accepts the privilege of practicing in this state and, by so 1335
doing, shall be deemed to have given consent to submit to a 1336
mental or physical examination when directed to do so in writing 1337
by the board, and to have waived all objections to the 1338
admissibility of testimony or examination reports that 1339
constitute a privileged communication. 1340

(20) Except as provided in division (F)(1)(b) of section 1341
4731.282 of the Revised Code or when civil penalties are imposed 1342
under section 4731.225 of the Revised Code, and subject to 1343
section 4731.226 of the Revised Code, violating or attempting to 1344
violate, directly or indirectly, or assisting in or abetting the 1345
violation of, or conspiring to violate, any provisions of this 1346
chapter or any rule promulgated by the board. 1347

This division does not apply to a violation or attempted 1348
violation of, assisting in or abetting the violation of, or a 1349
conspiracy to violate, any provision of this chapter or any rule 1350
adopted by the board that would preclude the making of a report 1351
by a physician of an employee's use of a drug of abuse, or of a 1352
condition of an employee other than one involving the use of a 1353
drug of abuse, to the employer of the employee as described in 1354
division (B) of section 2305.33 of the Revised Code. Nothing in 1355
this division affects the immunity from civil liability 1356
conferred by that section upon a physician who makes either type 1357
of report in accordance with division (B) of that section. As 1358
used in this division, "employee," "employer," and "physician" 1359
have the same meanings as in section 2305.33 of the Revised 1360
Code. 1361

(21) The violation of section 3701.79 of the Revised Code 1362
or of any abortion rule adopted by the director of health 1363
pursuant to section 3701.341 of the Revised Code; 1364

(22) Any of the following actions taken by an agency 1365
responsible for authorizing, certifying, or regulating an 1366
individual to practice a health care occupation or provide 1367
health care services in this state or another jurisdiction, for 1368
any reason other than the nonpayment of fees: the limitation, 1369
revocation, or suspension of an individual's license to 1370
practice; acceptance of an individual's license surrender; 1371
denial of a license; refusal to renew or reinstate a license; 1372
imposition of probation; or issuance of an order of censure or 1373
other reprimand; 1374

(23) The violation of section 2919.12 of the Revised Code 1375
or the performance or inducement of an abortion upon a pregnant 1376
woman with actual knowledge that the conditions specified in 1377

division (B) of section 2317.56 of the Revised Code have not 1378
been satisfied or with a heedless indifference as to whether 1379
those conditions have been satisfied, unless an affirmative 1380
defense as specified in division (H) (2) of that section would 1381
apply in a civil action authorized by division (H) (1) of that 1382
section; 1383

(24) The revocation, suspension, restriction, reduction, 1384
or termination of clinical privileges by the United States 1385
department of defense or department of veterans affairs or the 1386
termination or suspension of a certificate of registration to 1387
prescribe drugs by the drug enforcement administration of the 1388
United States department of justice; 1389

(25) Termination or suspension from participation in the 1390
medicare or medicaid programs by the department of health and 1391
human services or other responsible agency; 1392

(26) Impairment of ability to practice according to 1393
acceptable and prevailing standards of care because of habitual 1394
or excessive use or abuse of drugs, alcohol, or other substances 1395
that impair ability to practice. 1396

For the purposes of this division, any individual 1397
authorized to practice by this chapter accepts the privilege of 1398
practicing in this state subject to supervision by the board. By 1399
filing an application for or holding a license or certificate to 1400
practice under this chapter, an individual shall be deemed to 1401
have given consent to submit to a mental or physical examination 1402
when ordered to do so by the board in writing, and to have 1403
waived all objections to the admissibility of testimony or 1404
examination reports that constitute privileged communications. 1405

If it has reason to believe that any individual authorized 1406

to practice by this chapter or any applicant for licensure or 1407
certification to practice suffers such impairment, the board may 1408
compel the individual to submit to a mental or physical 1409
examination, or both. The expense of the examination is the 1410
responsibility of the individual compelled to be examined. Any 1411
mental or physical examination required under this division 1412
shall be undertaken by a treatment provider or physician who is 1413
qualified to conduct the examination and who is chosen by the 1414
board. 1415

Failure to submit to a mental or physical examination 1416
ordered by the board constitutes an admission of the allegations 1417
against the individual unless the failure is due to 1418
circumstances beyond the individual's control, and a default and 1419
final order may be entered without the taking of testimony or 1420
presentation of evidence. If the board determines that the 1421
individual's ability to practice is impaired, the board shall 1422
suspend the individual's license or certificate or deny the 1423
individual's application and shall require the individual, as a 1424
condition for initial, continued, reinstated, or renewed 1425
licensure or certification to practice, to submit to treatment. 1426

Before being eligible to apply for reinstatement of a 1427
license or certificate suspended under this division, the 1428
impaired practitioner shall demonstrate to the board the ability 1429
to resume practice in compliance with acceptable and prevailing 1430
standards of care under the provisions of the practitioner's 1431
license or certificate. The demonstration shall include, but 1432
shall not be limited to, the following: 1433

(a) Certification from a treatment provider approved under 1434
section 4731.25 of the Revised Code that the individual has 1435
successfully completed any required inpatient treatment; 1436

(b) Evidence of continuing full compliance with an 1437
aftercare contract or consent agreement; 1438

(c) Two written reports indicating that the individual's 1439
ability to practice has been assessed and that the individual 1440
has been found capable of practicing according to acceptable and 1441
prevailing standards of care. The reports shall be made by 1442
individuals or providers approved by the board for making the 1443
assessments and shall describe the basis for their 1444
determination. 1445

The board may reinstate a license or certificate suspended 1446
under this division after that demonstration and after the 1447
individual has entered into a written consent agreement. 1448

When the impaired practitioner resumes practice, the board 1449
shall require continued monitoring of the individual. The 1450
monitoring shall include, but not be limited to, compliance with 1451
the written consent agreement entered into before reinstatement 1452
or with conditions imposed by board order after a hearing, and, 1453
upon termination of the consent agreement, submission to the 1454
board for at least two years of annual written progress reports 1455
made under penalty of perjury stating whether the individual has 1456
maintained sobriety. 1457

(27) A second or subsequent violation of section 4731.66 1458
or 4731.69 of the Revised Code; 1459

(28) Except as provided in division (N) of this section: 1460

(a) Waiving the payment of all or any part of a deductible 1461
or copayment that a patient, pursuant to a health insurance or 1462
health care policy, contract, or plan that covers the 1463
individual's services, otherwise would be required to pay if the 1464
waiver is used as an enticement to a patient or group of 1465

patients to receive health care services from that individual; 1466

(b) Advertising that the individual will waive the payment 1467
of all or any part of a deductible or copayment that a patient, 1468
pursuant to a health insurance or health care policy, contract, 1469
or plan that covers the individual's services, otherwise would 1470
be required to pay. 1471

(29) Failure to use universal blood and body fluid 1472
precautions established by rules adopted under section 4731.051 1473
of the Revised Code; 1474

(30) Failure to provide notice to, and receive 1475
acknowledgment of the notice from, a patient when required by 1476
section 4731.143 of the Revised Code prior to providing 1477
nonemergency professional services, or failure to maintain that 1478
notice in the patient's medical record; 1479

(31) Failure of a physician supervising a physician 1480
assistant to maintain supervision in accordance with the 1481
requirements of Chapter 4730. of the Revised Code and the rules 1482
adopted under that chapter; 1483

(32) Failure of a physician or podiatrist to enter into a 1484
standard care arrangement with a clinical nurse specialist, 1485
certified nurse-midwife, or certified nurse practitioner with 1486
whom the physician or podiatrist is in collaboration pursuant to 1487
section 4731.27 of the Revised Code or failure to fulfill the 1488
responsibilities of collaboration after entering into a standard 1489
care arrangement; 1490

(33) Failure to comply with the terms of a consult 1491
agreement entered into with a pharmacist pursuant to section 1492
4729.39 of the Revised Code; 1493

(34) Failure to cooperate in an investigation conducted by 1494

the board under division (F) of this section, including failure 1495
to comply with a subpoena or order issued by the board or 1496
failure to answer truthfully a question presented by the board 1497
in an investigative interview, an investigative office 1498
conference, at a deposition, or in written interrogatories, 1499
except that failure to cooperate with an investigation shall not 1500
constitute grounds for discipline under this section if a court 1501
of competent jurisdiction has issued an order that either 1502
quashes a subpoena or permits the individual to withhold the 1503
testimony or evidence in issue; 1504

(35) Failure to supervise an oriental medicine 1505
practitioner or acupuncturist in accordance with Chapter 4762. 1506
of the Revised Code and the board's rules for providing that 1507
supervision; 1508

(36) Failure to supervise an anesthesiologist assistant in 1509
accordance with Chapter 4760. of the Revised Code and the 1510

the Revised Code; 1513

(38) Failure to comply with the requirements of section 1514
2317.561 of the Revised Code; 1515

(39) Failure to supervise a radiologist assistant in 1516
accordance with Chapter 4774. of the Revised Code and the 1517
board's rules for supervision of radiologist assistants; 1518

(40) Performing or inducing an abortion at an office or 1519
facility with knowledge that the office or facility fails to 1520
post the notice required under section 3701.791 of the Revised 1521
Code; 1522

(41) Failure to comply with the standards and procedures 1523

established in rules under section 4731.054 of the Revised Code 1524
for the operation of or the provision of care at a pain 1525
management clinic; 1526

(42) Failure to comply with the standards and procedures 1527
established in rules under section 4731.054 of the Revised Code 1528
for providing supervision, direction, and control of individuals 1529
at a pain management clinic; 1530

(43) Failure to comply with the requirements of section 1531
4729.79 or 4731.055 of the Revised Code, unless the state board 1532
of pharmacy no longer maintains a drug database pursuant to 1533
section 4729.75 of the Revised Code; 1534

(44) Failure to comply with the requirements of section 1535
2919.171, 2919.202, or 2919.203 of the Revised Code or failure 1536
to submit to the department of health in accordance with a court 1537
order a complete report as described in section 2919.171 or 1538
2919.202 of the Revised Code; 1539

(45) Practicing at a facility that is subject to licensure 1540
as a category III terminal distributor of dangerous drugs with a 1541
pain management clinic classification unless the person 1542
operating the facility has obtained and maintains the license 1543
with the classification; 1544

(46) Owning a facility that is subject to licensure as a 1545
category III terminal distributor of dangerous drugs with a pain 1546
management clinic classification unless the facility is licensed 1547
with the classification; 1548

(47) Failure to comply with any of the requirements 1549
regarding making or maintaining medical records or documents 1550
described in division (A) of section 2919.192, division (C) of 1551
section 2919.193, division (B) of section 2919.195, or division 1552

(A) of section 2919.196 of the Revised Code; 1553

(48) Failure to comply with the requirements in section 1554
3719.061 of the Revised Code before issuing for a minor a 1555
prescription for an opioid analgesic, as defined in section 1556
3719.01 of the Revised Code; 1557

(49) Failure to comply with the requirements of section 1558
4731.30 of the Revised Code or rules adopted under section 1559
4731.301 of the Revised Code when recommending treatment with 1560

(50) Practicing at a facility, clinic, or other location 1562
that is subject to licensure as a category III terminal 1563

(51) Owning a facility, clinic, or other location that is 1567
subject to licensure as a category III terminal distributor of 1568
dangerous drugs with an office-based opioid treatment 1569
classification unless that place is licensed with the 1570
classification; 1571

(52) A pattern of continuous or repeated violations of 1572
division (E) (2) or (3) of section 3963.02 of the Revised Code; 1573

(53) Failure to take the steps specified in section 1574
4731.92 of the Revised Code following an abortion or attempted 1575
abortion in an ambulatory surgical facility or other location 1576
that is not a hospital when a child is born alive. 1577

(C) Disciplinary actions taken by the board under 1578
divisions (A) and (B) of this section shall be taken pursuant to 1579
an adjudication under Chapter 119. of the Revised Code, except 1580
that in lieu of an adjudication, the board may enter into a 1581

consent agreement with an individual to resolve an allegation of 1582
a violation of this chapter or any rule adopted under it. A 1583
consent agreement, when ratified by an affirmative vote of not 1584
fewer than six members of the board, shall constitute the 1585
findings and order of the board with respect to the matter 1586
addressed in the agreement. If the board refuses to ratify a 1587
consent agreement, the admissions and findings contained in the 1588
consent agreement shall be of no force or effect. 1589

A telephone conference call may be utilized for 1590
ratification of a consent agreement that revokes or suspends an 1591
individual's license or certificate to practice or certificate 1592
to recommend. The telephone conference call shall be considered 1593
a special meeting under division (F) of section 121.22 of the 1594
Revised Code. 1595

If the board takes disciplinary action against an 1596
individual under division (B) of this section for a second or 1597
subsequent plea of guilty to, or judicial finding of guilt of, a 1598
violation of section 2919.123 of the Revised Code, the 1599
disciplinary action shall consist of a suspension of the 1600
individual's license or certificate to practice for a period of 1601
at least one year or, if determined appropriate by the board, a 1602
more serious sanction involving the individual's license or 1603
certificate to practice. Any consent agreement entered into 1604
under this division with an individual that pertains to a second 1605
or subsequent plea of guilty to, or judicial finding of guilt 1606
of, a violation of that section shall provide for a suspension 1607
of the individual's license or certificate to practice for a 1608
period of at least one year or, if determined appropriate by the 1609
board, a more serious sanction involving the individual's 1610
license or certificate to practice. 1611

(D) For purposes of divisions (B) (10), (12), and (14) of this section, the commission of the act may be established by a finding by the board, pursuant to an adjudication under Chapter 119. of the Revised Code, that the individual committed the act. The board does not have jurisdiction under those divisions if the trial court renders a final judgment in the individual's favor and that judgment is based upon an adjudication on the merits. The board has jurisdiction under those divisions if the trial court issues an order of dismissal upon technical or procedural grounds.

(E) The sealing of conviction records by any court shall have no effect upon a prior board order entered under this section or upon the board's jurisdiction to take action under this section if, based upon a plea of guilty, a judicial finding of guilt, or a judicial finding of eligibility for intervention in lieu of conviction, the board issued a notice of opportunity for a hearing prior to the court's order to seal the records. The board shall not be required to seal, destroy, redact, or otherwise modify its records to reflect the court's sealing of conviction records.

(F) (1) The board shall investigate evidence that appears to show that a person has violated any provision of this chapter or any rule adopted under it. Any person may report to the board in a signed writing any information that the person may have that appears to show a violation of any provision of this chapter or any rule adopted under it. In the absence of bad faith, any person who reports information of that nature or who testifies before the board in any adjudication conducted under Chapter 119. of the Revised Code shall not be liable in damages in a civil action as a result of the report or testimony. Each complaint or allegation of a violation received by the board

shall be assigned a case number and shall be recorded by the 1643
board. 1644

(2) Investigations of alleged violations of this chapter 1645
or any rule adopted under it shall be supervised by the 1646
supervising member elected by the board in accordance with 1647
section 4731.02 of the Revised Code and by the secretary as 1648
provided in section 4731.39 of the Revised Code. The president 1649
may designate another member of the board to supervise the 1650
investigation in place of the supervising member. No member of 1651
the board who supervises the investigation of a case shall 1652
participate in further adjudication of the case. 1653

(3) In investigating a possible violation of this chapter 1654
or any rule adopted under this chapter, or in conducting an 1655
inspection under division (E) of section 4731.054 of the Revised 1656
Code, the board may question witnesses, conduct interviews, 1657
administer oaths, order the taking of depositions, inspect and 1658
copy any books, accounts, papers, records, or documents, issue 1659
subpoenas, and compel the attendance of witnesses and production 1660
of books, accounts, papers, records, documents, and testimony, 1661
except that a subpoena for patient record information shall not 1662
be issued without consultation with the attorney general's 1663
office and approval of the secretary and supervising member of 1664
the board. 1665

(a) Before issuance of a subpoena for patient record 1666
information, the secretary and supervising member shall 1667
determine whether there is probable cause to believe that the 1668
complaint filed alleges a violation of this chapter or any rule 1669
adopted under it and that the records sought are relevant to the 1670
alleged violation and material to the investigation. The 1671
subpoena may apply only to records that cover a reasonable 1672

period of time surrounding the alleged violation. 1673

(b) On failure to comply with any subpoena issued by the 1674
board and after reasonable notice to the person being 1675
subpoenaed, the board may move for an order compelling the 1676
production of persons or records pursuant to the Rules of Civil 1677
Procedure. 1678

(c) A subpoena issued by the board may be served by a 1679
sheriff, the sheriff's deputy, or a board employee or agent 1680
designated by the board. Service of a subpoena issued by the 1681
board may be made by delivering a copy of the subpoena to the 1682
person named therein, reading it to the person, or leaving it at 1683
the person's usual place of residence, usual place of business, 1684
or address on file with the board. When serving a subpoena to an 1685
applicant for or the holder of a license or certificate issued 1686
under this chapter, service of the subpoena may be made by 1687
certified mail, return receipt requested, and the subpoena shall 1688
be deemed served on the date delivery is made or the date the 1689
person refuses to accept delivery. If the person being served 1690
refuses to accept the subpoena or is not located, service may be 1691
made to an attorney who notifies the board that the attorney is 1692
representing the person. 1693

(d) A sheriff's deputy who serves a subpoena shall receive 1694
the same fees as a sheriff. Each witness who appears before the 1695
board in obedience to a subpoena shall receive the fees and 1696
mileage provided for under section 119.094 of the Revised Code. 1697

(4) All hearings, investigations, and inspections of the 1698
board shall be considered civil actions for the purposes of 1699
section 2305.252 of the Revised Code. 1700

(5) A report required to be submitted to the board under 1701

this chapter, a complaint, or information received by the board 1702
pursuant to an investigation or pursuant to an inspection under 1703
division (E) of section 4731.054 of the Revised Code is 1704
confidential and not subject to discovery in any civil action. 1705

The board shall conduct all investigations or inspections 1706
and proceedings in a manner that protects the confidentiality of 1707
patients and persons who file complaints with the board. The 1708
board shall not make public the names or any other identifying 1709
information about patients or complainants unless proper consent 1710
is given or, in the case of a patient, a waiver of the patient 1711
privilege exists under division (B) of section 2317.02 of the 1712
Revised Code, except that consent or a waiver of that nature is 1713
not required if the board possesses reliable and substantial 1714
evidence that no bona fide physician-patient relationship 1715
exists. 1716

The board may share any information it receives pursuant 1717
to an investigation or inspection, including patient records and 1718
patient record information, with law enforcement agencies, other 1719
licensing boards, and other governmental agencies that are 1720
prosecuting, adjudicating, or investigating alleged violations 1721
of statutes or administrative rules. An agency or board that 1722
receives the information shall comply with the same requirements 1723
regarding confidentiality as those with which the state medical 1724
board must comply, notwithstanding any conflicting provision of 1725
the Revised Code or procedure of the agency or board that 1726
applies when it is dealing with other information in its 1727
possession. In a judicial proceeding, the information may be 1728
admitted into evidence only in accordance with the Rules of 1729
Evidence, but the court shall require that appropriate measures 1730
are taken to ensure that confidentiality is maintained with 1731
respect to any part of the information that contains names or 1732

other identifying information about patients or complainants 1733
whose confidentiality was protected by the state medical board 1734
when the information was in the board's possession. Measures to 1735
ensure confidentiality that may be taken by the court include 1736
sealing its records or deleting specific information from its 1737
records. 1738

(6) On a quarterly basis, the board shall prepare a report 1739
that documents the disposition of all cases during the preceding 1740
three months. The report shall contain the following information 1741
for each case with which the board has completed its activities: 1742

(a) The case number assigned to the complaint or alleged 1743
violation; 1744

(b) The type of license or certificate to practice, if 1745
any, held by the individual against whom the complaint is 1746
directed; 1747

(c) A description of the allegations contained in the 1748
complaint; 1749

(d) The disposition of the case. 1750

The report shall state how many cases are still pending 1751
and shall be prepared in a manner that protects the identity of 1752
each person involved in each case. The report shall be a public 1753
record under section 149.43 of the Revised Code. 1754

(G) If the secretary and supervising member determine both 1755
of the following, they may recommend that the board suspend an 1756
individual's license or certificate to practice or certificate 1757
to recommend without a prior hearing: 1758

(1) That there is clear and convincing evidence that an 1759
individual has violated division (B) of this section; 1760

(2) That the individual's continued practice presents a 1761
danger of immediate and serious harm to the public. 1762

Written allegations shall be prepared for consideration by 1763
the board. The board, upon review of those allegations and by an 1764
affirmative vote of not fewer than six of its members, excluding 1765
the secretary and supervising member, may suspend a license or 1766
certificate without a prior hearing. A telephone conference call 1767
may be utilized for reviewing the allegations and taking the 1768
vote on the summary suspension. 1769

The board shall issue a written order of suspension by 1770
certified mail or in person in accordance with section 119.07 of 1771
the Revised Code. The order shall not be subject to suspension 1772
by the court during pendency of any appeal filed under section 1773
119.12 of the Revised Code. If the individual subject to the 1774
summary suspension requests an adjudicatory hearing by the 1775
board, the date set for the hearing shall be within fifteen 1776
days, but not earlier than seven days, after the individual 1777
requests the hearing, unless otherwise agreed to by both the 1778
board and the individual. 1779

Any summary suspension imposed under this division shall 1780
remain in effect, unless reversed on appeal, until a final 1781
adjudicative order issued by the board pursuant to this section 1782
and Chapter 119. of the Revised Code becomes effective. The 1783
board shall issue its final adjudicative order within seventy- 1784
five days after completion of its hearing. A failure to issue 1785
the order within seventy-five days shall result in dissolution 1786
of the summary suspension order but shall not invalidate any 1787
subsequent, final adjudicative order. 1788

(H) If the board takes action under division (B) (9), (11), 1789
or (13) of this section and the judicial finding of guilt, 1790

guilty plea, or judicial finding of eligibility for intervention 1791
in lieu of conviction is overturned on appeal, upon exhaustion 1792
of the criminal appeal, a petition for reconsideration of the 1793
order may be filed with the board along with appropriate court 1794
documents. Upon receipt of a petition of that nature and 1795
supporting court documents, the board shall reinstate the 1796
individual's license or certificate to practice. The board may 1797
then hold an adjudication under Chapter 119. of the Revised Code 1798
to determine whether the individual committed the act in 1799
question. Notice of an opportunity for a hearing shall be given 1800
in accordance with Chapter 119. of the Revised Code. If the 1801
board finds, pursuant to an adjudication held under this 1802
division, that the individual committed the act or if no hearing 1803
is requested, the board may order any of the sanctions 1804
identified under division (B) of this section. 1805

(I) The license or certificate to practice issued to an 1806
individual under this chapter and the individual's practice in 1807
this state are automatically suspended as of the date of the 1808
individual's second or subsequent plea of guilty to, or judicial 1809
finding of guilt of, a violation of section 2919.123 of the 1810
Revised Code. In addition, the license or certificate to 1811
practice or certificate to recommend issued to an individual 1812
under this chapter and the individual's practice in this state 1813
are automatically suspended as of the date the individual pleads 1814
guilty to, is found by a judge or jury to be guilty of, or is 1815
subject to a judicial finding of eligibility for intervention in 1816
lieu of conviction in this state or treatment or intervention in 1817
lieu of conviction in another jurisdiction for any of the 1818
following criminal offenses in this state or a substantially 1819
equivalent criminal offense in another jurisdiction: aggravated 1820
murder, murder, voluntary manslaughter, felonious assault, 1821

kidnapping, rape, sexual battery, gross sexual imposition, 1822
aggravated arson, aggravated robbery, or aggravated burglary. 1823
Continued practice after suspension shall be considered 1824
practicing without a license or certificate. 1825

The board shall notify the individual subject to the 1826
suspension by certified mail or in person in accordance with 1827
section 119.07 of the Revised Code. If an individual whose 1828
license or certificate is automatically suspended under this 1829
division fails to make a timely request for an adjudication 1830
under Chapter 119. of the Revised Code, the board shall do 1831
whichever of the following is applicable: 1832

(1) If the automatic suspension under this division is for 1833
a second or subsequent plea of guilty to, or judicial finding of 1834
guilt of, a violation of section 2919.123 of the Revised Code, 1835
the board shall enter an order suspending the individual's 1836
license or certificate to practice for a period of at least one 1837
year or, if determined appropriate by the board, imposing a more 1838
serious sanction involving the individual's license or 1839
certificate to practice. 1840

(2) In all circumstances in which division (I)(1) of this 1841
section does not apply, enter a final order permanently revoking 1842
the individual's license or certificate to practice. 1843

(J) If the board is required by Chapter 119. of the 1844
Revised Code to give notice of an opportunity for a hearing and 1845
if the individual subject to the notice does not timely request 1846
a hearing in accordance with section 119.07 of the Revised Code, 1847
the board is not required to hold a hearing, but may adopt, by 1848
an affirmative vote of not fewer than six of its members, a 1849
final order that contains the board's findings. In that final 1850
order, the board may order any of the sanctions identified under 1851

division (A) or (B) of this section. 1852

(K) Any action taken by the board under division (B) of 1853
this section resulting in a suspension from practice shall be 1854
accompanied by a written statement of the conditions under which 1855
the individual's license or certificate to practice may be 1856
reinstated. The board shall adopt rules governing conditions to 1857
be imposed for reinstatement. Reinstatement of a license or 1858
certificate suspended pursuant to division (B) of this section 1859
requires an affirmative vote of not fewer than six members of 1860
the board. 1861
