

## 117TH CONGRESS 1ST SESSION

## H. R. 2436

To amend title 38, United States Code, to concede exposure to airborne hazards and toxins from burn pits under certain circumstances, and for other purposes.

## IN THE HOUSE OF REPRESENTATIVES

APRIL 8, 2021

Ms. Slotkin (for herself and Mr. Meijer) introduced the following bill; which was referred to the Committee on Veterans' Affairs, and in addition to the Committee on Armed Services, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned

## A BILL

To amend title 38, United States Code, to concede exposure to airborne hazards and toxins from burn pits under certain circumstances, and for other purposes.

- 1 Be it enacted by the Senate and House of Representa-
- 2 tives of the United States of America in Congress assembled,
- 3 SECTION 1. SHORT TITLE.
- 4 This Act may be cited as the "Veterans Burn Pits
- 5 Exposure Recognition Act of 2021".
- 6 SEC. 2. FINDINGS; SENSE OF CONGRESS.
- 7 (a) FINDINGS.—Congress makes the following find-
- 8 ings:

- 1 (1) The health of some members of the Armed
  2 Forces and veterans who served in certain locations,
  3 often multiple times, may have been affected by
  4 their service near burn pits and other sources of air5 borne hazards.
  - (2) Determining the location of burn pits, and the scope of health effects associated to exposure, remains the subject of much investigation, research, and good faith efforts by the Department of Veterans Affairs, the Department of Defense, other government agencies, and the National Academies of Sciences, Engineering, and Medicine.
  - (3) The locations of burn pits used by the Department of Defense and partnered armed forces, and the possible health effects associated by their use, may never be completely known, as—
    - (A) some location and air and soil quality data is fragmentary; and
    - (B) the research involved with establishing links between burn pit exposure and health conditions by necessity is complex, years in length, and in the end, in some cases, inconclusive.
  - (4) The September 2020 National Academies of Sciences, Engineering and Medicine consensus study report entitled "Respiratory Health Effects of Air-

- 1 borne Hazards Exposures in the Southwest Asia 2 Theater of Military Operations" concludes that the 3 available evidence does not allow a definitive determination to be made about any potential association between airborne hazards in the theater and numer-6 ous respiratory health outcomes. The report charac-7 terizes existing research as inadequate, and advises 8 that additional research be done, including longitu-9 dinal studies that by design take years.
  - (5) In the interim, though, some veterans have already been adversely affected by their exposure to burn pits, and their claims to certain benefits furnished by the Department of Veterans Affairs can be reviewed on a case-by-case basis.
  - (6) When filing a claim for certain benefits furnished by the Department of Veterans Affairs, the application requires that each veteran show evidence of their exposure to burn pits, however if the evidence of exposure to burn pits is not provided, the claim is often denied.
- 21 (b) Sense of Congress.—It is the sense of Con-22 gress that—
- 23 (1) if it is determined that a veteran was de-24 ployed to a covered location during a certain period, 25 the Secretary of Veterans Affairs should concede

1	that the member or veteran was exposed to certain
2	toxic substances, chemicals, and hazards;
3	(2) a concession of exposure as described in
4	paragraph (1) should not alone be sufficient to enti-
5	tle one to health care or disability compensation
6	under laws administered by the Secretary of Vet-
7	erans Affairs;
8	(3) the Department of Veterans Affairs, the
9	Department of Defense, and other relevant agencies
10	should make information regarding burn pit loca-
11	tions immediately available to the public, with appro-
12	priate caveats to its completeness and need for po-
13	tential future revision; and
14	(4) the earliest possible period for which the
15	Secretary of Veterans Affairs should make conces-
16	sions as described in paragraph (1) should begin on
17	August 2, 1990.
18	SEC. 3. CONCESSION OF EXPOSURE TO AIRBORNE HAZ-
19	ARDS AND TOXIC SUBSTANCES FROM DE-
20	PARTMENT OF DEFENSE AND PARTNERED
21	ARMED FORCES BURN PITS.
22	(a) Concession Required.—
23	(1) IN GENERAL.—Subchapter II of chapter 11
24	of title 38, United States Code, is amended by add-
25	ing at the end the following new section:

1	"\$1119. Concession of exposure to airborne hazards
2	and toxic substances from burn pits
3	"(a) In General.—For purposes of section 1110
4	and chapter 17 of this title, any veteran who, during active
5	military, naval, or air service, was deployed in support of
6	a contingency operation while so serving and as part of
7	such deployment served in a covered location during a cor-
8	responding period set forth under subsection (b), shall be
9	considered to have been exposed to the toxic substances,
10	chemicals, and hazards listed in subsection (c), unless
11	there is affirmative evidence to establish that the veteran
12	was not exposed to any such substances, chemicals, or haz-
13	ards during that service.
14	"(b) Covered Locations and Corresponding
15	Periods.—(1) The covered locations and corresponding
16	periods set forth under this subsection are as follows:
17	"(A) Iraq and the following periods:
18	"(i) The period beginning on August 2,
19	1990, and ending on February 28, 1991.
20	"(ii) The period beginning on March 19,
21	2003, and ending on such date as the Secretary
22	determines burn pits are no longer used in Iraq.
23	"(B) The Southwest Asia Theater of oper-
24	ations, other than Iraq, and the period beginning on
25	August 2, 1990, and ending on such date as the

1	Secretary determines burn pits are no longer used in
2	such location, including the following:
3	"(i) Kuwait.
4	"(ii) Saudi Arabia.
5	"(iii) Oman.
6	"(iv) Qatar.
7	"(C) Somalia and the period beginning on Au-
8	gust 2, 1990, and ending on such date as the Sec-
9	retary determines burn pits are no longer used in
10	Somalia.
11	"(D) Afghanistan and the period beginning on
12	September 11, 2001, and ending on such date as the
13	Secretary determines burn pits are no longer used in
14	Afghanistan.
15	"(E) Djibouti and the period beginning on Sep-
16	tember 11, 2001, and ending on such date as the
17	Secretary determines burn pits are no longer used in
18	Djibouti.
19	"(F) Syria and the period beginning on Sep-
20	tember 11, 2001, and ending on such date as the
21	Secretary determines burn pits are no longer used in
22	Syria.
23	"(G) Jordan and the period beginning on Sep-
24	tember 11, 2001, and ending on such date as the

- Secretary determines burn pits are no longer used in
   Jordan.
- "(H) Egypt and the period beginning on September 11, 2001, and ending on such date as the Secretary determines burn pits are no longer used in Egypt.
- "(I) Lebanon and the period beginning on September 11, 2001, and ending on such date as the
  Secretary determines burn pits are no longer used in
  Lebanon.
  - "(J) Yemen and the period beginning on September 11, 2001, and ending on such date as the Secretary determines burn pits are no longer used in Yemen.
    - "(K) Uzbekistan and the period beginning on September 11, 2001, and ending on such date as the Secretary determines burn pits are no longer used in Uzbekistan.
    - "(L) The Philippines and the period beginning on September 11, 2001, and ending on such date as the Secretary determines burn pits are no longer used in the Philippines.
- "(M) Such other locations as are set forth by
  the Airborne Hazards and Open Burn Pit Registry
  established under section 201 of the Dignified Bur-

2	of 2012 (Public Law 112–260; 38 U.S.C. 527 note)
3	and corresponding periods set forth in such registry.
4	"(N) Such other locations and corresponding
5	periods as the Secretary, in collaboration with the
6	Secretary of Defense, may determine appropriate in
7	a report the Secretary of Veterans Affairs shall sub-
8	mit to Congress not later than two years after the
9	date of the enactment of the Veterans Burn Pits Ex-
10	posure Recognition Act of 2021 and not less fre-
11	quently than once every two years thereafter.
12	"(2) A location set forth under this subsection shall
13	not include any body of water around or any airspace
14	above such location.
15	"(c) Toxic Substances, Chemicals, Airborne
16	HAZARDS.—(1) Subject to paragraph (2), the toxic sub-
17	stances, chemicals, and airborne hazards listed in this sub-
18	section are as follows:
19	"(A) Particulate matter, including the fol-
20	lowing:
21	"(i) PM-10.
22	"(ii) PM-2.5.
23	"(B) Polycyclic aromatic hydrocarbons (PAHs),

"(xvii) octachlorodibenzofuran. 1 2 "(E) Such other toxic substances, chemicals, 3 and airborne hazards as the Secretary, in collabora-4 tion with the Secretary of Defense, may add under 5 paragraph (2). "(2) The Secretary may add to or remove from the 6 list under paragraph (1) as the Secretary determines ap-8 propriate in a report the Secretary shall submit to Congress not later than two years after the date of the enact-10 ment of the Veterans Burn Pits Exposure Recognition Act of 2021, and not less frequently than once every two years 11 thereafter. 12 13 "(d) Medical Examinations and Medical Opin-IONS.—(1) If a veteran described in subsection (a) sub-14 15 mits to the Secretary a claim for compensation for a service-connected disability with evidence of a disability and 16 service in a covered location and corresponding period set 18 forth under subsection (b) and such evidence is not sufficient to establish a service connection for the disability, 19 the Secretary shall provide the veteran with a medical ex-20 21 amination and the Secretary shall request a medical opinion as to any causal link between the disability and a toxic 23 substance, chemical, or hazard set listed in subsection (c). "(2) When providing the Secretary with a medical 24 opinion requested under paragraph (1), the provider shall

1	consider the total potential exposure through all applicable
2	military deployments, and the synergistic effect of all com-
3	bined toxic substances through inhalation, dermal expo-
4	sure, and ingestion.
5	"(e) Definition of Burn Pit.—In this section, the
6	term 'burn pit' means an area of land that—
7	"(1) is designated by the Secretary of Defense
8	to be used for disposing solid waste by burning in
9	the outdoor air; and
10	"(2) does not contain a commercially manufac-
11	tured incinerator or other equipment specifically de-
12	signed and manufactured for the burning of solid
13	waste.".
14	(2) CLERICAL AMENDMENT.—The table of sec-
15	tions at the beginning of chapter 11 of such title is
16	amended by inserting after the item relating to sec-
17	tion 1118 the following new item:
	"1119. Concession of exposure to airborne hazards and toxic substances from burn pits.".
18	(b) Reports.—
19	(1) Reports required.—The Secretary shall
20	submit to the Committee on Veterans' Affairs of the
21	Senate and Committee on Veterans' Affairs of the
22	House of Representatives reports as follows:
23	(A) Not later than 60 days after the date
24	of the enactment of this Act, a report covering

1	the one-year period preceding the date of the
2	enactment of this Act.
3	(B) Not later than 425 days after the date
4	of the enactment of this Act, a report covering
5	the one-year period beginning on the date of the
6	enactment of this Act.
7	(C) Not later than 790 days after the date
8	of the enactment of this Act, a report covering
9	the one-year period beginning on the date that
10	is one year after the date of the enactment of
11	this Act.
12	(2) Contents.—Each report submitted under
13	paragraph (1) shall include, for the period covered
14	by the report and disaggregated by each of the cat-
15	egories set forth under paragraph (3), the following:
16	(A) Total number of claims completed for
17	compensation under chapter 11 of title 38,
18	United States Code.
19	(B) Total number of such completed
20	claims for which the Secretary provided medical
21	examinations.
22	(C) The current status of such completed
23	claims, disaggregated by the following:
24	(i) Total claims granted.

1	(ii) Total claims denied for which the
2	claimant took no further action.
3	(iii) Total claims denied for which the
4	claimant filed a supplemental claim.
5	(iv) Total claims denied for which the
6	claimant requested a higher level review.
7	(v) Total claims denied for which the
8	claimant filed an appeal to the Board of
9	Veterans' Appeals.
10	(D) Total number of claims for compensa-
11	tion under chapter 11 of such title pending a
12	decision.
13	(3) Categories.—The categories set forth
14	under this paragraph are claims for compensation
15	under chapter 11 of title 38, United States Code, in-
16	volving exposure to a toxic substance, chemical, or
17	hazard listed in subsection (c) of section 1119 of
18	such title, as added by subsection (a)(1), during ac-
19	tive military, naval, or air service in support of a
20	contingency operation in a covered location during a
21	corresponding period set forth under subsection (b)
22	of such section.
23	(4) Public access to reports.—The Sec-
24	retary shall make each report required by paragraph
25	(1) available to the public, including by publishing

the reports on a publicly accessible page of the
website of the Department of Veterans Affairs, along
with such additional information or comments as the
Secretary considers appropriate to provide context
for the report.
