> To authorize the minting of a coin in honor of the 75th anniversary of the end of World War II, and for other purposes.

IN THE SENATE OF THE UNITED STATES

August 2, 2017

Mr. KENNEDY (for himself, Mr. NELSON, Mr. INHOFE, Mr. RUBIO, Mr. CAS-SIDY, and Ms. WARREN) introduced the following bill; which was read twice and referred to the Committee on Banking, Housing, and Urban Affairs

A BILL

- To authorize the minting of a coin in honor of the 75th anniversary of the end of World War II, and for other purposes.
 - 1 Be it enacted by the Senate and House of Representa-
 - 2 tives of the United States of America in Congress assembled,

3 SECTION 1. SHORT TITLE.

- 4 This Act may be cited as the "75th Anniversary of
- 5 the End of World War II Commemorative Coin Act".

6 SEC. 2. FINDINGS.

- 7 Congress finds that—
- 8 (1) the United States entered World War II as
 9 a result of the surprise Japanese attack against our

fleet at Pearl Harbor, Hawaii, on December 7,
 1941, which killed 2,403 people of the United
 States;

4 (2) the United States joined the wartime Allied
5 cause against the militarist, fascist, and racist dicta6 torships of Germany, Japan, and Italy (the Axis),
7 fighting for President Franklin D. Roosevelt's "Four
8 Freedoms" (freedom of speech, of worship, from
9 want, and from fear);

(3) the United States placed no more than
16,000,000 of its citizens into uniform in the course
of the struggle, enduring a string of early defeats,
recovering to conduct a total war on land, sea, and
air, and eventually establishing total dominance over
its enemies;

16 (4) the war took the lives of 405,399 United
17 States military personnel, fellow citizens who made
18 the supreme sacrifice in a perilous moment in the
19 history of the United States, giving their lives for
20 the cause of democracy and peace;

(5) the conflict led to a comprehensive transformation of the home front from a civilian economy
dedicated to peacetime production into the mightiest
engine of military might in human history (labeled
the "Arsenal of Democracy"), demanding the par-

ticipation of the entire citizenry and thus leading to
 increased opportunities for racial minorities and
 women;

4 (6) the war ended on September 2, 1945, after
5 the unconditional surrender of Nazi Germany, Fas6 cist Italy, and Imperial Japan, and a total victory
7 for the United States and the Allies;

8 (7) Allied victory in World War II transformed 9 the United States into the leader of the "free world," a community of countries dedicated to demo-10 11 cratic principles and to resisting all forms of tyr-12 anny, including authoritarian, militarist, or com-13 munist, and an international order founded on open 14 societies, liberal economies, and the peaceful resolu-15 tion of disputes;

16 participation in the wartime (8)struggle 17 emboldened women, African Americans and other 18 previously marginalized groups to seek equal rights, 19 encouraged the growth of the civil rights movement, 20 and thus contributed to the development of "a more 21 perfect union," guaranteeing freedom, justice, and 22 equality for all;

(9) the generation of United States citizens who
fought World War II is passing away with the
march of time, and that therefore the urgent need

to give honor to those who served is all the more
 critical; and

3 (10) the period from May 8, 2020, to Sep4 tember 2, 2020, will mark the 75th anniversary of
5 the end of the involvement of the United States in
6 World War II and the surrender of Nazi Germany
7 and Imperial Japan, respectively.
