A BILL ENTITLED

1 AN ACT concerning

2 **Public Schools – Agricultural Education and Grant Programs**

3 FOR the purpose of requiring each county board of education, beginning in a certain school
4 year, to implement a certain agriculture science curriculum; requiring each county
5 board to implement an agricultural education program that prepares students for
6 successful careers and informed choices relating to certain systems and for
7 opportunities in agriculture-related employment and higher education by providing
8 instruction and developing skills in certain areas through certain integrated
9 classroom and laboratory instruction, supervised agricultural experiences, and
10 leadership experiences and involvement in student organizations; establishing the
11 Maryland Agricultural Education Grant Program to increase access to agricultural
12 education in the State; requiring the State Department of Education to implement
13 and administer the Program; requiring the Department to employ an individual to
14 act as a content leader for agricultural education and to administer the Program;
15 authorizing the Department to award grants to certain entities for certain purposes;
16 requiring the Governor, for a certain fiscal year and each fiscal year thereafter, to
17 include in the annual budget bill a certain appropriation to the Program; defining a
18 certain term; and generally relating to agricultural education programs in public
19 schools.
