

116TH CONGRESS
2D SESSION

H. RES. 828

Expressing the sense of the House of Representatives that the United States Trade Representative should promptly resume negotiations to conclude the Environmental Goods Agreement.

IN THE HOUSE OF REPRESENTATIVES

FEBRUARY 4, 2020

Ms. DELBENE (for herself, Mr. PANETTA, Mr. BEYER, Ms. SEWELL of Alabama, and Mr. KIND) submitted the following resolution; which was referred to the Committee on Ways and Means

RESOLUTION

Expressing the sense of the House of Representatives that the United States Trade Representative should promptly resume negotiations to conclude the Environmental Goods Agreement.

Whereas climate change is one of the most serious threats we face today;

Whereas transitioning towards a low-emissions economy must be a priority for all countries;

Whereas, on July 8, 2014, the United States and other member countries of the World Trade Organization, accounting for nearly 90 percent of global exports in environmental goods, began negotiations on the Environmental Goods Agreement;

Whereas the Environmental Goods Agreement would eliminate tariffs on a broad range of environmental goods including wind turbines, water treatment filters, solar water heaters, and bicycles;

Whereas the United States is a leader in the development of environmental goods, but such goods can face tariffs as high as 50 percent when exported to other countries; and

Whereas the negotiations represent a significant opportunity to help countries across the world access high-quality affordable environmental goods while also leveling the playing field for American manufacturers and supporting green jobs: Now, therefore, be it

1 *Resolved*, That it is the sense of the House of Rep-
 2 resentatives that not later than 90 days after the date of
 3 the adoption of this Resolution, the United States Trade
 4 Representative should resume negotiations to conclude the
 5 Environmental Goods Agreement.
