

115TH CONGRESS 1ST SESSION

H. R. 2050

To provide for a Medicare demonstration project to evaluate the fiscal impact of covering low vision devices as durable medical equipment under part B of the Medicare program.

IN THE HOUSE OF REPRESENTATIVES

April 6, 2017

Mrs. Carolyn B. Maloney of New York (for herself, Mr. Bilirakis, and Mr. Cohen) introduced the following bill; which was referred to the Committee on Energy and Commerce, and in addition to the Committee on Ways and Means, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned

A BILL

To provide for a Medicare demonstration project to evaluate the fiscal impact of covering low vision devices as durable medical equipment under part B of the Medicare program.

- 1 Be it enacted by the Senate and House of Representa-
- 2 tives of the United States of America in Congress assembled,
- 3 SECTION 1. SHORT TITLE.
- 4 This Act may be cited as the "Medicare Demonstra-
- 5 tion of Coverage for Low Vision Devices Act of 2017".

SEC. 2. DEMONSTRATION PROJECT ON MEDICARE COV-
ERAGE OF LOW VISION DEVICES AS DURABLE
MEDICAL EQUIPMENT.
(a) Establishment of Demonstration
Project.—
(1) In general.—Beginning not later than 1
year after the date of the enactment of this Act, the
Secretary of Health and Human Services (in this
section referred to as the "Secretary") shall com-
mence a project (in this section referred to as the
"demonstration project") to demonstrate and evalu-
ate the fiscal impact of covering low vision devices
(including subsets of such devices) under part B of
title XVIII of the Social Security Act (42 U.S.C.
1395j et seq.) in the same or similar manner as cov-
erage is provided for durable medical equipment
under such part.
(2) Low vision device defined.—In this sec-
tion, the term "low vision device" means a device,
prescribed by a physician, that magnifies, enhances,
or otherwise augments or interprets visual images ir-
respective of the size, form, or technological features
of such device and does not include ordinary eye-
glasses or contact lenses. In the previous sentence,

the term "ordinary eyeglasses or contact lenses"

25

means lenses that are intended to fully correct visual
acuity or fully eliminate refractive error.

(b) Project Details.—

- (1) ELIGIBLE PARTICIPANTS.—An individual enrolled under such part is eligible to participate in the demonstration project if an ophthalmologist or optometrist, after a clinical evaluation, has determined and certifies through a prescription that furnishing a low vision device to the individual is medically necessary.
- (2) NATIONAL SCOPE AND DURATION.—The demonstration project shall be national in scope and shall be conducted for a period of 5 years.
- (3) Project design.—The Secretary shall design the demonstration project in a manner so as to provide a rich, well-structured, and defined data set from which inferences about the fiscal impact on the Federal Supplementary Medical Insurance Trust Fund under section 1841 of the Social Security Act (42 U.S.C. 1395t) resulting from the permanent coverage under part B of title XVIII of the Social Security Act (42 U.S.C. 1395j et seq.) of low vision devices (including coverage for subcategories or subsets of such devices) can be made using appropriate statistical methods. To the maximum extent pos-

- sible, such demonstration project shall evaluate the fiscal impact of permanent coverage under such part for the most function-rich, most powerful, and most expensive low vision devices.
 - (4) Consultation.—In conducting the demonstration project the Secretary shall consult with organizations of consumers with vision loss and other stakeholder organizations.

(c) Reports.—

- (1) Interim report.—Not later than 180 days after the last day of the third year of the demonstration project, the Secretary shall submit to the Committee on Finance of the Senate and to the Committees on Ways and Means and Energy and Commerce of the House of Representatives a report that describes the progress and preliminary findings from the demonstration project.
- (2) Final Report.—Not later than 180 days after the last day of the demonstration project and after solicitation and consideration of formal written input on the project from organizations representing consumers with vision loss and other stakeholder organizations, the Secretary shall submit to such Committees a final report on the project. Such report shall include an evaluation of the fiscal impact on

- the Medicare program under part B of title XVIII
- of the Social Security Act (42 U.S.C. 1395 et seq.)
- 3 of providing coverage of low vision devices (including
- 4 coverage for subcategories or subsets of such de-
- 5 vices) and such other findings and recommendations
- 6 as the Secretary deems appropriate.
- 7 (d) Funding.—For fiscal year 2018 and for each of
- 8 the four succeeding fiscal years, out of any funds in the
- 9 Treasury not otherwise appropriated, \$2,500,000 is ap-
- 10 propriated to the Secretary to carry out the demonstration
- 11 project.
