66 *Be it enacted by the Legislature of the state of Utah:*

67 Section 1. Section **10-9a-509.5** is amended to read:

68 **10-9a-509.5. Review for application completeness -- Substantive application**  
69 **review -- Reasonable diligence required for determination of whether improvements or**  
70 **warranty work meets standards -- Money damages claim prohibited.**

71 (1) (a) Each municipality shall, in a timely manner, determine whether a land use  
72 application is complete for the purposes of subsequent, substantive land use authority review.

73 (b) After a reasonable period of time to allow the municipality diligently to evaluate  
74 whether all objective ordinance-based application criteria have been met, if application fees  
75 have been paid, the applicant may in writing request that the municipality provide a written  
76 determination either that the application is:

77 (i) complete for the purposes of allowing subsequent, substantive land use authority  
78 review; or

79 (ii) deficient with respect to a specific, objective, ordinance-based application  
80 requirement.

81 (c) Within 30 days of receipt of an applicant's request under this section, the  
82 municipality shall either:

83 (i) mail a written notice to the applicant advising that the application is deficient with  
84 respect to a specified, objective, ordinance-based criterion, and stating that the application shall  
85 be supplemented by specific additional information identified in the notice; or

86 (ii) accept the application as complete for the purposes of further substantive  
87 processing by the land use authority.

(d) If the notice required by Subsection (1)(c)(i) is not timely mailed, the application shall be considered complete, for purposes of further substantive land use authority review.

(e) (i) The applicant may raise and resolve in a single appeal any determination made under this Subsection (1) to the appeal authority, including an allegation that a reasonable period of time has elapsed under Subsection (1)(a).

(ii) The appeal authority shall issue a written decision for any appeal requested under this Subsection (1)(e).

(f) (i) The applicant may appeal to district court the decision of the appeal authority made under Subsection (1)(e).

(ii) Each appeal under Subsection (1)(f)(i) shall be made within 30 days of the date of the written decision.

(2) (a) Each land use authority shall substantively review a complete application and an application considered complete under Subsection (1)(d), and shall approve or deny each application with reasonable diligence~~[-, subject to the time limit under Subsection 11-58-402.5(2) for an inland port use application, as defined in Section 11-58-401].~~

(b) After a reasonable period of time to allow the land use authority to consider an application, the applicant may in writing request that the land use authority take final action within 45 days from date of service of the written request.

(c) Within 45 days from the date of service of the written request described in Subsection (2)(b):

(i) except as provided in Subsection (2)(c)(ii), the land use authority shall take final action, approving or denying the application; and

(ii) if a landowner petitions for a land use regulation, a legislative body shall take final action by approving or denying the petition.

(d) If the land use authority denies an application processed under the mandates of Subsection (2)(b), or if the applicant has requested a written decision in the application, the land use authority shall include its reasons for denial in writing, on the record, which may include the official minutes of the meeting in which the decision was rendered.

(e) If the land use authority fails to comply with Subsection (2)(c), the applicant may appeal this failure to district court within 30 days of the date on which the land use authority is required to take final action under Subsection (2)(c).

(3) (a) With reasonable diligence, each land use authority shall determine whether the installation of required subdivision improvements or the performance of warranty work meets the municipality's adopted standards.

(b) (i) An applicant may in writing request the land use authority to accept or reject the applicant's installation of required subdivision improvements or performance of warranty work.

(ii) The land use authority shall accept or reject subdivision improvements within 15 days after receiving an applicant's written request under Subsection (3)(b)(i), or as soon as practicable after that 15-day period if inspection of the subdivision improvements is impeded by winter weather conditions.

(iii) The land use authority shall accept or reject the performance of warranty work within 45 days after receiving an applicant's written request under Subsection (3)(b)(i), or as soon as practicable after that 45-day period if inspection of the warranty work is impeded by winter weather conditions.

(c) If a land use authority determines that the installation of required subdivision improvements or the performance of warranty work does not meet the municipality's adopted standards, the land use authority shall comprehensively and with specificity list the reasons for the land use authority's determination.

(4) Subject to Section 10-9a-509, nothing in this section and no action or inaction of the land use authority relieves an applicant's duty to comply with all applicable substantive ordinances and regulations.

(5) There shall be no money damages remedy arising from a claim under this section.

Section 2. Section 10-9a-701 is amended to read:

**10-9a-701. Appeal authority required -- Condition precedent to judicial review -- Appeal authority duties.**

(1) Each municipality adopting a land use ordinance shall, by ordinance, establish one or more appeal authorities to hear and decide:

(a) requests for variances from the terms of the land use ordinances;

(b) appeals from decisions applying the land use ordinances; and

(c) appeals from a fee charged in accordance with Section 10-9a-510.

(2) As a condition precedent to judicial review, each adversely affected person shall timely and specifically challenge a land use authority's decision, in accordance with local

ordinance.

(3) An appeal authority:

(a) shall:

(i) act in a quasi-judicial manner; and

(ii) serve as the final arbiter of issues involving the interpretation or application of land use ordinances~~[- except as provided in Title 11, Chapter 58, Part 4, Appeals to Appeals Panel, for an appeal of an inland port use appeal decision, as defined in Section 11-58-401];~~ and

(b) may not entertain an appeal of a matter in which the appeal authority, or any participating member, had first acted as the land use authority.

(4) By ordinance, a municipality may:

(a) designate a separate appeal authority to hear requests for variances than the appeal authority it designates to hear appeals;

(b) designate one or more separate appeal authorities to hear distinct types of appeals of land use authority decisions;

(c) require an adversely affected party to present to an appeal authority every theory of relief that it can raise in district court;

(d) not require an adversely affected party to pursue duplicate or successive appeals before the same or separate appeal authorities as a condition of the adversely affected party's duty to exhaust administrative remedies; and

(e) provide that specified types of land use decisions may be appealed directly to the district court.

(5) If the municipality establishes or, prior to the effective date of this chapter, has established a multiperson board, body, or panel to act as an appeal authority, at a minimum the board, body, or panel shall:

(a) notify each of its members of any meeting or hearing of the board, body, or panel;

(b) provide each of its members with the same information and access to municipal resources as any other member;

(c) convene only if a quorum of its members is present; and

(d) act only upon the vote of a majority of its convened members.

Section 3. Section **10-9a-708** is amended to read:

**10-9a-708. Final decision.**

(1) A decision of an appeal authority takes effect on the date when the appeal authority issues a written decision, or as otherwise provided by ordinance.

(2) A written decision, or other event as provided by ordinance, constitutes a final decision under Subsection 10-9a-801(2)(a) or a final action under Subsection 10-9a-801(4)[; except as provided in Title 11, Chapter 58, Part 4, Appeals to Appeals Panel, for an appeal of an inland port use appeal decision, as defined in Section 11-58-401].

Section 4. Section 11-58-102 is amended to read:

**11-58-102. Definitions.**

As used in this chapter:

(1) "Authority" means the Utah Inland Port Authority, created in Section 11-58-201.

(2) "Authority jurisdictional land" means land within the authority boundary delineated:

(a) in the electronic shapefile that[; (a)] is the electronic component of H.B. 2001, Utah Inland Port Authority Amendments, 2018 Second Special Session; and

(b) [may be accessed via the Utah Legislature's website] beginning April 1, 2020, as provided in Subsection 11-58-202(3).

(3) "Base taxable value" means:

(a) (i) except as provided in Subsection (3)(a)(ii), for a project area that consists of the authority jurisdictional land, the taxable value of authority jurisdictional land in calendar year 2018; and

(ii) for an area described in Subsection 11-58-601[(+)(c)](5), the taxable value of that area in calendar year 2017; or

(b) for a project area that consists of land outside the authority jurisdictional land, the taxable value of property within any portion of a project area, as designated by board resolution, from which the property tax differential will be collected, as shown upon the assessment roll last equalized before the year in which the authority adopts a project area plan for that area.

(4) "Board" means the authority's governing body, created in Section 11-58-301.

(5) "Business plan" means a plan designed to facilitate, encourage, and bring about development of the authority jurisdictional land to achieve the goals and objectives described in Subsection 11-58-203(1), including the development and establishment of an inland port.

(6) "Development" means:

(a) the demolition, construction, reconstruction, modification, expansion, or improvement of a building, utility, infrastructure, landscape, parking lot, park, trail, recreational amenity, or other facility, including publicly owned infrastructure and improvements; and

(b) the planning of, arranging for, or participation in any of the activities listed in Subsection (6)(a).

(7) "Development project" means a project for the development of land within a project area.

(8) "Inland port" means one or more sites that:

(a) contain multimodal transportation assets and other facilities that:

(i) are related but may be separately owned and managed; and

(ii) together are intended to:

(A) allow global trade to be processed and altered by value-added services as goods move through the supply chain;

(B) provide a regional merging point for transportation modes for the distribution of goods to and from ports and other locations in other regions;

(C) provide cargo-handling services to allow freight consolidation and distribution, temporary storage, customs clearance, and connection between transport modes; and

(D) provide international logistics and distribution services, including freight forwarding, customs brokerage, integrated logistics, and information systems; and

(b) may include a satellite customs clearance terminal, an intermodal facility, a customs pre-clearance for international trade, or other facilities that facilitate, encourage, and enhance regional, national, and international trade.

(9) "Inland port use" means a use of land:

(a) for an inland port;

(b) that directly implements or furthers the purposes of an inland port, as stated in Subsection (8);

(c) that complements or supports the purposes of an inland port, as stated in Subsection (8); or

(d) that depends upon the presence of the inland port for the viability of the use.

(10) "Intermodal facility" means a hub or other facility for trade combining any combination of rail, trucking, air cargo, and other transportation services.

(11) "Nonvoting member" means an individual appointed as a member of the board under Subsection 11-58-302(6) who does not have the power to vote on matters of authority business.

(12) "Project area" means:

(a) the authority jurisdictional land; or

(b) land outside the authority jurisdictional land, whether consisting of a single contiguous area or multiple noncontiguous areas, described in a project area plan or draft project area plan, where the development project set forth in the project area plan or draft project area plan takes place or is proposed to take place.

(13) "Project area budget" means a multiyear projection of annual or cumulative revenues and expenses and other fiscal matters pertaining to the project area.

(14) "Project area plan" means a written plan that, after its effective date, guides and controls the development within a project area.

(15) "Property tax" includes a privilege tax and each levy on an ad valorem basis on tangible or intangible personal or real property.

(16) "Property tax differential":

(a) means the difference between:

(i) the amount of property tax revenues generated each tax year by all taxing entities from a project area, using the current assessed value of the property; and

(ii) the amount of property tax revenues that would be generated from that same area using the base taxable value of the property; and

(b) does not include property tax revenue from:

(i) a county additional property tax or multicounty assessing and collecting levy imposed in accordance with Section 59-2-1602;

(ii) a judgment levy imposed by a taxing entity under Section 59-2-1328 or 59-2-1330; or

(iii) a levy imposed by a taxing entity under Section 11-14-310 to pay for a general obligation bond.

(17) "Public entity" means:

(a) the state, including each department, division, or other agency of the state; or  
(b) a county, city, town, metro township, school district, local district, special service district, interlocal cooperation entity, community reinvestment agency, or other political subdivision of the state.

(18) "Publicly owned infrastructure and improvements":

(a) means infrastructure, improvements, facilities, or buildings that:

(i) benefit the public; and

(ii) (A) are owned by a public entity or a utility; or

(B) are publicly maintained or operated by a public entity;

(b) includes:

(i) facilities, lines, or systems that provide:

(A) water, chilled water, or steam; or

(B) sewer, storm drainage, natural gas, electricity, energy storage, renewable energy, microgrids, or telecommunications service; and

(ii) streets, roads, curb, gutter, sidewalk, walkways, solid waste facilities, parking facilities, and public transportation facilities.

(19) "Shapefile" means the digital vector storage format for storing geometric location and associated attribute information.

(20) "Taxable value" means the value of property as shown on the last equalized assessment roll [~~as certified by the county assessor~~].

(21) "Taxing entity" means a public entity that levies a tax on property within a project area.

(22) "Voting member" means an individual appointed or designated as a member of the board under Subsection 11-58-302(2).

Section 5. Section **11-58-103** is enacted to read:

**11-58-103. Vested right of landowner.**

(1) As used in this section:

(a) "Municipal inland port regulations" means a municipality's land use ordinances and regulations relating to the use of land within the authority jurisdictional land for an inland port use.

(b) "Vested development right" means a right:

(i) to use or develop land located within the authority jurisdictional land for an inland port use in accordance with municipal inland port regulations in effect on December 31, 2018; and

(ii) that may not be affected by later changes to municipal ordinances or regulations.

(c) "Vested right notice" means a notice that complies with the requirements of Subsection (3).

(2) An owner of land located within the boundary of the authority jurisdictional land may establish a vested development right on that land by causing a notice to be recorded in the office of the recorder of the county in which the land is located.

(3) A notice under Subsection (2) shall:

(a) state that the owner elects to establish a vested development right on the owner's land to use or develop the land for an inland port use in accordance with municipal inland port regulations in effect on December 31, 2018;

(b) state that the owner's election is made under Title 11, Chapter 58, Utah Inland Port Authority Act;

(c) describe the land in a way that complies with applicable requirements for the recording of an instrument affecting land;

(d) indicate the zoning district in which the land is located, including any overlay district;

(e) bear the signature of each owner of the land;

(f) be accompanied by the applicable recording fee; and

(g) include the following acknowledgment:

"I/we acknowledge that:

• the land identified in this notice is situated within the authority jurisdictional land of the Utah Inland Port Authority, established under Utah Code Title 11, Chapter 58, Utah Inland Port Authority Act, and is eligible for this election of a vested right;

• this vested right allows the land described in this notice to be used or developed in the manner allowed by applicable land use regulations in effect on December 31, 2018;

• all development activity must comply with those land use regulations;

• the right to use and develop the land described in this notice in accordance with those land use regulations continues for 40 years from the date this notice is recorded, unless a land

use application is submitted to the applicable land use authority that proposes a use or development activity that is not allowed under the land use regulations in effect on December 31, 2018, or all record owners of the land record a rescission of the election of a vested development right for this land."

(4) (a) An owner of land against which a vested right notice is recorded has a vested development right with respect to that land for 40 years from the date the vested right notice is recorded, or, if earlier, until the vested development right is rescinded by the recording of a rescission of the election of the vested development right signed by all record owners of the land.

(b) A vested development right may not be affected by changes to municipal ordinances or regulations that occur after a vested right notice is recorded.

(5) Within 10 days after the recording of a vested right notice under this section, the owner of the land shall provide a copy of the vested right notice, with recording information, to the applicable local land use authority.

(6) A vested development right may not be affected by an action under Subsection [17-27a-508\(1\)\(a\)\(ii\)\(A\)](#) or (B) or Subsection [10-9a-509\(1\)\(a\)\(ii\)\(A\)](#) or (B).

Section 6. Section **11-58-104** is enacted to read:

**11-58-104. Severability.**

If a court determines that any provision of this chapter, or the application of any provision of this chapter, is invalid, the remainder of this chapter shall be given effect without the invalid provision or application.

Section 7. Section **11-58-105** is enacted to read:

**11-58-105. Nonlapsing funds.**

Money the authority receives from legislative appropriations is nonlapsing.

Section 8. Section **11-58-202** is amended to read:

**11-58-202. Port authority powers and duties.**

(1) The authority has exclusive jurisdiction, responsibility, and power to coordinate the efforts of all applicable state and local government entities, property owners and other private parties, and other stakeholders to:

(a) develop and implement a business plan for the authority jurisdictional land, to include an environmental sustainability component, developed in conjunction with the Utah

Department of Environmental Quality, incorporating policies and best practices to meet or exceed applicable federal and state standards, including:

(i) emissions monitoring and reporting; and

(ii) strategies that use the best available technology to mitigate environmental impacts from development and uses on the authority jurisdictional land;

(b) plan and facilitate the development of inland port uses on authority jurisdictional land and on land in other authority project areas;

(c) manage any inland port located on land owned or leased by the authority; and

(d) establish a foreign trade zone, as provided under federal law, covering some or all of the authority jurisdictional land or land in other authority project areas.

(2) The authority may:

(a) facilitate and bring about the development of inland port uses on land that is part of the authority jurisdictional land or that is in other authority project areas, including engaging in marketing and business recruitment activities and efforts to encourage and facilitate:

(i) the development of an inland port on the authority jurisdictional land; and

(ii) other development of the authority jurisdictional land consistent with the policies and objectives described in Subsection 11-58-203(1);

(b) facilitate and provide funding for the development of the authority jurisdictional land and land in other authority project areas, including the development of publicly owned infrastructure and improvements and other infrastructure and improvements on or related to the authority jurisdictional land;

(c) engage in marketing and business recruitment activities and efforts to encourage and facilitate development of the authority jurisdictional land;

(d) apply for and take all other necessary actions for the establishment of a foreign trade zone, as provided under federal law, covering some or all of the authority jurisdictional land;

(e) as the authority considers necessary or advisable to carry out any of its duties or responsibilities under this chapter:

(i) buy, obtain an option upon, or otherwise acquire any interest in real or personal property;

(ii) sell, convey, grant, dispose of by gift, or otherwise dispose of any interest in real or

398 personal property; or

399 (iii) enter into a lease agreement on real or personal property, either as lessee or lessor;

400 (f) sue and be sued;

401 (g) enter into contracts generally;

402 (h) provide funding for the development of publicly owned infrastructure and  
403 improvements or other infrastructure and improvements on or related to the authority  
404 jurisdictional land or other authority project areas;

405 (i) exercise powers and perform functions under a contract, as authorized in the  
406 contract;

407 (j) receive the property tax differential, as provided in this chapter;

408 (k) accept financial or other assistance from any public or private source for the  
409 authority's activities, powers, and duties, and expend any funds so received for any of the  
410 purposes of this chapter;

411 (l) borrow money, contract with, or accept financial or other assistance from the federal  
412 government, a public entity, or any other source for any of the purposes of this chapter and  
413 comply with any conditions of the loan, contract, or assistance;

414 (m) issue bonds to finance the undertaking of any development objectives of the  
415 authority, including bonds under Chapter 17, Utah Industrial Facilities and Development Act,  
416 bonds under Chapter 42, Assessment Area Act, ~~[and]~~ bonds under Chapter 42a, Commercial  
417 Property Assessed Clean Energy Act, and bonds under Title 17B, Chapter 2a, Part 12, Public  
418 Infrastructure District Act;

419 (n) hire employees, including contract employees;

420 (o) transact other business and exercise all other powers provided for in this chapter;

421 (p) engage one or more consultants to advise or assist the authority in the performance  
422 of the authority's duties and responsibilities;

423 ~~[(q) enter into an agreement with a taxing entity to share property tax differential for~~  
424 ~~services that the taxing entity provides within the authority jurisdictional land;]~~

425 ~~[(r)]~~ (q) work with other political subdivisions and neighboring property owners and  
426 communities to mitigate potential negative impacts from the development of authority  
427 jurisdictional land;

428 ~~[(s)]~~ (r) own and operate an intermodal facility if the authority considers the authority's

ownership and operation of an intermodal facility to be necessary or desirable;

~~[(t)]~~ (s) own and operate publicly owned infrastructure and improvements in a project area outside the authority jurisdictional land; and

~~[(t)]~~ (t) exercise powers and perform functions that the authority is authorized by statute to exercise or perform.

(3) (a) Beginning ~~[January]~~ April 1, 2020, the authority shall:

~~[(a)]~~ (i) be the repository of the official delineation of the boundary of the authority jurisdictional land, identical to the boundary as delineated in the shapefile that is the electronic component of H.B. 2001, Utah Inland Port Authority Amendments, 2018 Second Special Session, subject to Subsection (3)(b) and any later changes to the boundary enacted by the Legislature; and

~~[(b)]~~ (ii) maintain an accurate digital file of the boundary that is easily accessible by the public.

(b) (i) As used in this Subsection (3)(b), "split property" means a piece of land:

(A) with a single tax identification number; and

(B) that is partly included within and partly excluded from the authority jurisdictional land by the boundary delineated in the shapefile described in Subsection [11-58-102\(2\)](#).

(ii) With the consent of the mayor of the municipality in which the split property is located, the executive director may adjust the boundary of the authority jurisdictional land to include an excluded portion of a split property or exclude an included portion of a split property.

(iii) In adjusting the boundary under Subsection (3)(b)(ii), the executive director shall consult with the county assessor, the county surveyor, the owner of the split property, and the municipality in which the split property is located.

(iv) A boundary adjustment under this Subsection (3)(b) affecting the northwest boundary of the authority jurisdictional land shall maintain the buffer area between authority jurisdictional land intended for development and land outside the boundary of the authority jurisdictional land to be preserved from development.

(v) Upon completing boundary adjustments under this Subsection (3)(b), the executive director shall cause to be recorded in the county recorder's office a map or other description, sufficient for purposes of the county recorder, of the adjusted boundary of the authority

jurisdictional land.

(vi) The authority shall modify the official delineation of the boundary of the authority jurisdictional land under Subsection (3)(a) to reflect a boundary adjustment under this Subsection (3)(b).

(4) An intermodal facility owned by the authority is subject to a privilege tax under Title 59, Chapter 4, Privilege Tax.

Section 9. Section **11-58-203** is amended to read:

**11-58-203. Policies and objectives of the port authority -- Additional duties of the port authority.**

(1) The policies and objectives of the authority are to:

(a) maximize long-term economic benefits to the area, the region, and the state;

(b) maximize the creation of high-quality jobs;

(c) respect and maintain sensitivity to the unique natural environment of areas in proximity to the authority jurisdictional land and land in other authority project areas;

(d) improve air quality and minimize resource use;

(e) respect existing land use and other agreements and arrangements between property owners within the authority jurisdictional land and within other authority project areas and applicable governmental authorities;

(f) promote and encourage development and uses that are compatible with or complement uses in areas in proximity to the authority jurisdictional land or land in other authority project areas;

(g) take advantage of the authority jurisdictional land's strategic location and other features, including the proximity to transportation and other infrastructure and facilities, that make the authority jurisdictional land attractive to:

(i) businesses that engage in regional, national, or international trade; and

(ii) businesses that complement businesses engaged in regional, national, or international trade;

(h) facilitate the transportation of goods;

(i) coordinate trade-related opportunities to export Utah products nationally and internationally;

(j) support and promote land uses on the authority jurisdictional land and land in other

authority project areas that generate economic development, including rural economic development;

(k) establish a project of regional significance;

(l) facilitate an intermodal facility;

(m) support uses of the authority jurisdictional land for inland port uses, including warehousing, light manufacturing, and distribution facilities;

(n) facilitate an increase in trade in the region and in global commerce;

(o) promote the development of facilities that help connect local businesses to potential foreign markets for exporting or that increase foreign direct investment; ~~and~~

(p) encourage all class 5 through 8 designated truck traffic entering the authority jurisdictional land to meet the heavy-duty highway compression-ignition diesel engine and urban bus exhaust emission standards for year 2007 and later~~[-]; and~~

(q) encourage the development and use of cost-efficient renewable energy in project areas.

(2) In fulfilling its duties and responsibilities relating to the development of the authority jurisdictional land and land in other authority project areas and to achieve and implement the development policies and objectives under Subsection (1), the authority shall:

(a) work to identify funding sources, including federal, state, and local government funding and private funding, for capital improvement projects in and around the authority jurisdictional land and land in other authority project areas and for an inland port;

(b) review and identify land use and zoning policies and practices to recommend to municipal land use policymakers and administrators that are consistent with and will help to achieve:

(i) the policies and objectives stated in Subsection (1); and

(ii) the mutual goals of the state and local governments that have authority jurisdictional land with their boundaries with respect to the authority jurisdictional land; ~~and~~

(c) consult and coordinate with other applicable governmental entities to improve and enhance transportation and other infrastructure and facilities in order to maximize the potential of the authority jurisdictional land to attract, retain, and service users who will help maximize the long-term economic benefit to the state~~[-]; and~~

(d) pursue policies that the board determines are designed to avoid or minimize

negative environmental impacts of development;

(3) (a) The authority may use property tax differential and other authority money to encourage, incentivize, or require development that:

(i) mitigates noise, air pollution, light pollution, surface and groundwater pollution, and other negative environmental impacts;

(ii) mitigates traffic congestion; or

(iii) uses high efficiency building construction and operation.

(b) (i) In consultation with the municipality in which development is expected to occur, the authority shall establish minimum mitigation and environmental standards that a landowner is required to meet to qualify for the use of property tax differential in the landowner's development.

(ii) The authority may not use property tax differential for a landowner's development in a project area unless the minimum mitigation and environmental standards are followed with respect to that landowner's development.

(c) The authority may develop and implement world-class, state-of-the-art, zero-emissions logistics that support continued growth of the state's economy in order to:

(i) promote the state as the global center of efficient and sustainable supply chain logistics;

(ii) facilitate the efficient movement of goods on roads and rails and through the air;

(iii) benefit the commercial viability of developers, landowners, and tenants and users;

and

(iv) attract capital and expertise in pursuit of the next generation of logistics solutions.

Section 10. Section 11-58-205 is amended to read:

**11-58-205. Applicability of other law -- Cooperation of state and local governments -- Municipality to consider board input -- Prohibition relating to natural resources -- Inland port as permitted or conditional use -- Municipal services -- Sharing property tax differential -- Disclosure by nonauthority governing body member.**

(1) Except as provided in Part 4, Appeals to Appeals Panel, the authority does not have and may not exercise any powers relating to the regulation of land uses on the authority jurisdictional land.

(2) The authority is subject to and governed by Sections 63E-2-106, 63E-2-107,

553 63E-2-108, 63E-2-109, 63E-2-110, and 63E-2-111, but is not otherwise subject to or governed  
554 by Title 63E, Independent Entities Code.

555 (3) A department, division, or other agency of the state and a political subdivision of  
556 the state shall cooperate with the authority to the fullest extent possible to provide whatever  
557 support, information, or other assistance the board requests that is reasonably necessary to help  
558 the authority fulfill its duties and responsibilities under this chapter.

559 (4) In making decisions affecting the authority jurisdictional land, the legislative body  
560 of a municipality in which the authority jurisdictional land is located shall consider input from  
561 the authority board.

562 (5) (a) No later than December 31, 2018, the ordinances of a municipality with  
563 authority jurisdictional land within its boundary shall allow an inland port as a permitted or  
564 conditional use, subject to standards that are:

565 (i) determined by the municipality; and

566 (ii) consistent with the policies and objectives stated in Subsection 11-58-203(1).

567 (b) A municipality whose ordinances do not comply with Subsection (5)(a) within the  
568 time prescribed in that subsection shall allow an inland port as a permitted use without regard  
569 to any contrary provision in the municipality's land use ordinances.

570 (6) The transporting, unloading, loading, transfer, or temporary storage of natural  
571 resources may not be prohibited on the authority jurisdictional land.

572 (7) (a) [(f)] A municipality whose boundary includes authority jurisdictional land shall  
573 provide the same municipal services to the area of the municipality that is within the authority  
574 jurisdictional land as the municipality provides to other areas of the municipality with similar  
575 zoning and a similar development level.

576 [(f)] (b) The level and quality of municipal services that a municipality provides  
577 within authority jurisdictional land shall be fairly and reasonably consistent with the level and  
578 quality of municipal services that the municipality provides to other areas of the municipality  
579 with similar zoning and a similar development level.

580 [(b) (i) The board shall negotiate and enter into an agreement with a municipality

Section 15. Section 11-58-505 is amended to read:

**11-58-505. Project area budget.**

(1) Before the authority may use the property tax differential from a project area, the board shall prepare and adopt a project area budget.

(2) A project area budget shall include:

(a) the base taxable value of property in the project area;

(b) the projected property tax differential expected to be generated within the project area;

~~[(c) the amount of the property tax differential expected to be shared with other taxing entities;]~~

~~[(d)]~~ (c) the amount of the property tax differential expected to be used to implement the project area plan, including the estimated amount of the property tax differential to be used for land acquisition, public improvements, infrastructure improvements, and loans, grants, or other incentives to private and public entities;

~~[(e)]~~ (d) the property tax differential expected to be used to cover the cost of administering the project area plan; and

~~[(f)]~~ (e) for property that the authority owns or leases and expects to sell or sublease, the expected total cost of the property to the authority and the expected selling price or lease payments.

(3) The board may amend an adopted project area budget as and when the board considers it appropriate.

(4) For a project area that consists of the authority jurisdictional land, the budget requirements of this part are met by the authority complying with the budget requirements of Part 8, Port Authority Budget, Reporting, and Audits.

Section 16. Section 11-58-601 is amended to read:

770           **11-58-601. Port authority receipt and use of property tax differential --**  
771 **Distribution of property tax differential.**  
772           ~~[(1) (a) The authority:]~~  
773           ~~[(i) subject to Subsections (1)(b), (c), and (d):]~~  
774           ~~[(A) shall be paid 100% of the property tax differential, as provided in Subsection (3),~~

777           ~~[(B) may be paid up to 100% of the property tax differential, as provided in Subsection~~  
778 ~~(3), for a period of 15 additional years beyond the period stated in Subsection (1)(a)(i)(A) if the~~  
779 ~~board determines that the additional years of property tax differential will produce a significant~~  
780 ~~benefit; and]~~  
781           ~~[(ii) may use the property tax differential before, during, and after the period described~~  
782 ~~in Subsection (1)(a)(i).]~~  
783           ~~[(b) With respect to a parcel located within a project area, the period described in~~  
784 ~~Subsection (1)(a)(i) begins on the day on which the authority receives the first property tax~~  
785 ~~differential from that parcel.]~~  
786           (1) As used in this section:  
787           (a) "Designation resolution" means a resolution adopted by the board that designates a  
788 transition date for the parcel specified in the resolution.  
789           (b) "Post-designation differential" means 75% of property tax differential generated  
790 from a post-designation parcel.  
791           (c) "Post-designation parcel" means a parcel within a project area after the transition  
792 date for that parcel.  
793           (d) "Pre-designation differential" means 75% of property tax differential generated  
794 from all pre-designation parcels within a project area.  
795           (e) "Pre-designation parcel" means a parcel within a project area before the transition  
796 date for that parcel.  
797           (f) "Transition date" means the date after which the authority is to be paid  
798 post-designation differential for the parcel that is the subject of a designation resolution.  
799           (2) (a) The authority shall be paid pre-designation differential generated within the  
800 authority jurisdictional land:

801 (i) for the period beginning November 2019 and ending November 2044; and

802 (ii) for a period of 15 years following the period described in Subsection (2)(a)(i) if,  
803 before the end of the period described in Subsection (2)(a)(i), the board adopts a resolution  
804 extending the period described in Subsection (2)(a)(i) for 15 years.

805 (b) The authority shall be paid pre-designation differential generated within a project  
806 area, other than the authority jurisdictional land:

807 (i) for a period of 25 years beginning the date the board adopts a project area plan  
808 under Section 11-58-502 establishing the project area; and

809 (ii) for a period of 15 years following the period described in Subsection (2)(b)(i) if,  
810 before the end of the period described in Subsection (2)(b)(i), the board adopts a resolution  
811 extending the period described in Subsection (2)(b)(i) for 15 years.

812 (3) The authority shall be paid post-designation differential generated from a  
813 post-designation parcel:

814 (a) for a period of 25 years beginning on the transition date for that parcel; and

815 (b) for a period of an additional 15 years beyond the period stated in Subsection (3)(a)  
816 if the board determines by resolution that the additional years of post-designation differential  
817 from that parcel will produce a significant benefit.

818 (4) (a) For purposes of this section, the authority may designate an improved portion of  
819 a parcel in a project area as a separate parcel.

820 (b) An authority designation of an improved portion of a parcel as a separate parcel  
821 under Subsection (4)(a) does not constitute a subdivision, as defined in Section 10-9a-103 or  
822 Section 17-27a-103.

823 (c) A county assessor shall assign a separate tax identification number to the improved  
824 portion of a parcel designated by the authority as a separate parcel under Subsection (4)(a).

825 ~~[(e)]~~ (5) The authority may not receive [property tax differential from]:

826 ~~[(f)]~~ (a) a taxing entity's portion of property tax differential generated from an area  
827 included within a community reinvestment project area under a community reinvestment  
828 project area plan, as defined in Section 17C-1-102, adopted before October 1, 2018~~[, from a]~~ if  
829 the taxing entity [that] has, before October 1, 2018, entered into a fully executed, legally  
830 binding agreement under which the taxing entity agrees to the use of its tax increment, as  
831 defined in Section 17C-1-102, under the community reinvestment project area plan; or

832 ~~[(ii)]~~ (b) property tax differential from a parcel of land:  
833 (i) that was substantially developed before December 1, 2018;  
834 (ii) for which a certificate of occupancy was issued before December 1, 2018[-]; and  
835 (iii) that is identified in a list that the municipality in which the land is located provides  
836 to the authority and the county assessor by April 1, 2020.

837 ~~[(d)-(i)]~~ (6) (a) As used in this Subsection ~~[(+)(d)]~~ (6):  
838 ~~[(A)]~~ (i) "Agency land" means authority jurisdictional land that is within the boundary  
839 of an eligible community reinvestment agency and from which the authority is paid property  
840 tax differential.

841 (ii) "Applicable differential" means the amount of property tax differential paid to the  
842 authority that is generated from agency land.

843 ~~[(B)]~~ (iii) "Eligible community reinvestment agency" means the community  
844 reinvestment agency in which agency land is located.

845 ~~[(ii)]~~ (b) The authority shall pay 10% of ~~[the property tax differential generated from~~  
846 ~~agency land]~~ applicable differential to the eligible community reinvestment agency, to be used  
847 for affordable housing as provided in Section 17C-1-412.

848 ~~[(2)]~~ (7) A county that collects property tax on property within a project area shall pay  
849 and distribute to the authority the property tax differential that the authority is entitled to collect  
850 under this ~~[title]~~ chapter, in the manner and at the time provided in Section 59-2-1365.

851 ~~[(3)]~~ ~~Until the end of the period described in Subsection (1)(a)(i), the county shall pay~~

856 ~~forms the basis of the base taxable value calculation.]~~

857 Section 17. Section 11-58-602 is amended to read:

858 **11-58-602. Allowable uses of property tax differential and other funds.**

859 (1) The authority may use the property tax differential, money the authority receives  
860 from the state, money the authority receives under Subsection 59-12-205(2)(b)(iii), and other  
861 funds available to the authority:

862 (a) for any purpose authorized under this chapter;

(b) ~~[subject to Subsection (4),]~~ for administrative, overhead, legal, consulting, and other operating expenses of the authority;

(c) to pay for, including financing or refinancing, all or part of the development of land within a project area, including assisting the ongoing operation of a development or facility within the project area;

(d) to pay the cost of the installation and construction of publicly owned infrastructure and improvements within the project area from which the property tax differential funds were collected;

(e) to pay the cost of the installation of publicly owned infrastructure and improvements outside a project area if the board determines by resolution that the infrastructure and improvements are of benefit to the project area;

~~[(f) to pay for municipal services that a municipality provides within the authority jurisdictional land;]~~

~~[(g) to pay for other services that a taxing entity provides within the authority jurisdictional land;]~~

~~[(h) to share growth in the amount of property tax differential over time with other taxing entities;]~~

~~[(i)]~~ (f) to pay to a community reinvestment agency for affordable housing, as provided in Subsection [11-58-601](#)~~[(1)(d)]~~(6); and

~~[(j)]~~ (g) to pay the principal and interest on bonds issued by the authority.

(2) The authority may use revenue generated from the operation of publicly owned infrastructure operated by the authority or improvements, including an intermodal facility, operated by the authority to:

(a) operate and maintain the infrastructure or improvements; and

(b) pay for authority operating expenses, including administrative, overhead, and legal expenses.

(3) The determination of the board under Subsection (1)(e) regarding benefit to the project area is final.

~~[(4) The authority may not use more than 5% of property tax differential revenue collected during the period described in Subsection [11-58-601](#)(1)(a)(i) to pay for authority operating expenses, including:]~~

894 ~~[(a) administrative and overhead expenses; and]~~  
895 ~~[(b) legal expenses, except legal fees and expenses with respect to potential or pending]~~  
896 ~~litigation involving the authority.]~~

897 ~~[(5)]~~ (4) The authority may not use property tax differential revenue collected from one  
898 project area for a development project within another project area.

899 ~~[(6)]~~ (5) Until the authority adopts a business plan under Subsection 11-58-202(1)(a),  
900 the authority may not spend property tax differential revenue collected from authority  
901 jurisdictional land.

902 ~~[(7)]~~ (6) (a) As used in this Subsection ~~[(7)]~~ (6):

903 (i) "Authority sales and use tax revenue" means money distributed to the authority  
904 under Subsection 59-12-205(2)(b)(iii).

905 (ii) "Eligible county" means a county that would be entitled to receive sales and use tax  
906 revenue under Subsection 59-12-205(2)(b)(i) in the absence of Subsection 59-12-205(2)(b)(iii).

907 (iii) "Eligible municipality" means a municipality that would be entitled to receive  
908 sales and use tax revenue under Subsection 59-12-205(2)(b)(i) in the absence of Subsection  
909 59-12-205(2)(b)(iii).

910 (iv) "Point of sale portion" means:

911 (A) for an eligible county, the amount of sales and use tax revenue the eligible county  
912 would have received under Subsection 59-12-205(2)(b)(i) in the absence of Subsection  
913 59-12-205(2)(b)(iii), excluding the retail sales portion; and

914 (B) for an eligible municipality, the amount of sales and use tax revenue the eligible  
915 municipality would have received under Subsection 59-12-205(2)(b)(i) in the absence of  
916 Subsection 59-12-205(2)(b)(iii), excluding the retail sales portion.

917 (v) "Retail sales portion" means the amount of sales and use tax revenue collected  
918 under Subsection 59-12-205(2)(b)(i) from retail sales transactions that occur on authority  
919 jurisdictional land.

920 (b) Within 45 days after receiving authority sales and use tax revenue, the authority  
921 shall:

922 (i) distribute half of the point of sale portion to each eligible county and eligible  
923 municipality; and

924 (ii) distribute all of the retail sales portion to each eligible county and eligible

925 municipality.

926 Section 18. Section **54-17-806** is amended to read:

927 **54-17-806. Qualified utility renewable energy tariff.**

928 (1) The commission may authorize a qualified utility to implement a renewable energy  
929 tariff in accordance with this section if the commission determines the tariff that the qualified  
930 utility proposes is reasonable and in the public interest.

931 (2) The commission may authorize a tariff under Subsection (1) to apply to:

932 (a) a qualified utility customer with an aggregated electrical load of at least five  
933 megawatts; or

934 (b) a combination of qualified utility customers who are separately metered if:

935 (i) the aggregated electrical load of the qualified utility customers is at least five  
936 megawatts; and

937 (ii) each of the qualified utility customers [~~and the renewable energy source are~~] is  
938 located within [~~authority jurisdictional land~~] a project area, as defined in Section 11-58-102.

939 (3) A customer who agrees to take service that is subject to the renewable energy tariff  
940 under this section shall pay:

941 (a) the customer's normal tariff rate;

942 (b) an incremental charge in an amount equal to the difference between the cost to the  
943 qualified utility to supply renewable generation to the renewable energy tariff customer and the  
944 qualified utility's avoided costs as defined in Subsection 54-2-1(1), or a different methodology  
945 recommended by the qualified utility; and

946 (c) an administrative fee in an amount approved by the commission.

947 (4) The commission shall allow a qualified utility to recover the qualified utility's  
948 prudently incurred cost of renewable generation procured pursuant to the tariff established in  
949 this section that is not otherwise recovered from the proceeds of the tariff paid by customers  
950 agreeing to service that is subject to the renewable energy tariff.
