1 **SEC. 105. SENSE OF CONGRESS ON FIRST AMENDMENT**  
2 **RIGHTS.**

3 (a) IN GENERAL.—Title VIII of the Elementary and  
4 Secondary Education Act of 1965 (20 U.S.C. 7801 et  
5 seq.) is amended—

6 (1) by redesignating section 8549C as section  
7 8549D; and

8 (2) by inserting after section 8549B the fol-  
9 lowing new section:

10 **“SEC. 8549C. SENSE OF CONGRESS ON FIRST AMENDMENT**  
11 **RIGHTS.**

12 “(a) FINDINGS.—Congress finds the following:

13 “(1) The right of parents to educate their chil-  
14 dren is a pre-political natural right that the U.S.  
15 Supreme Court has recognized as ‘beyond debate’  
16 and rooted in the ‘history and culture of Western  
17 civilization’.

18 “(2) Parents have a First Amendment right to  
19 express their opinions on decisions made by State  
20 and local education leaders.

21 “(3) States and local educational agencies  
22 should empower parents to communicate regularly  
23 with Federal, State, and local policymakers and edu-  
24 cators regarding the education and well-being of  
25 their children.

1           “(4) Transparent and cooperative relationships  
2           between parents and schools have significant and  
3           long-lasting positive effects on the development of  
4           children.

5           “(5) Parents’ concerns over content and peda-  
6           gogy deserve to be heard and fully considered by  
7           school professionals.

8           “(6) Parent and other community input about  
9           schools that is presented in a lawful and appropriate  
10          manner should always be encouraged.

11          “(7) Educators, policymakers, elected officials,  
12          Executive Branch officials and employees, and other  
13          stakeholders should never seek to use law enforce-  
14          ment to criminalize the lawfully expressed concerns  
15          of parents about their children’s education, but  
16          should never hesitate to contact public safety offi-  
17          cials if there is a credible threat to the safety and  
18          security of students, parents, educators, policy-  
19          makers, elected officials, executive branch officials or  
20          employees, or other stakeholders, school faculty, or  
21          staff.

22          “(b) SENSE OF CONGRESS.—It is the sense of Con-  
23          gress that—

24                 “(1) the First Amendment guarantees parents  
25                 and other stakeholders the right to assemble and ex-

1 press their opinions on decisions affecting their chil-  
 2 dren and communities, and that educators and pol-  
 3 icymakers should welcome and encourage that en-  
 4 gagement and consider that feedback when making  
 5 decisions; and

6 “(2) parents have a fundamental right, pro-  
 7 tected by the U.S. Constitution, to direct the edu-  
 8 cation of their children, and the strict scrutiny test  
 9 used by courts to evaluate cases concerning funda-  
 10 mental rights is the correct standard of review for  
 11 government actions that interfere with the right of  
 12 parents to educate their children.”.

 14 section 2 of the Elementary and Secondary Education Act
