35 conducted in the manner provided for in K.S.A. 74-4908, and amendments  
36 thereto, the board shall certify, on or before July 15 of each year to each

37 such employer an actuarially determined estimate of the rate of  
38 contribution which shall be required to be paid by each such employer to  
39 pay all of the liabilities which shall accrue under the system from and after  
40 the entry date as determined by the board, upon recommendation of the  
41 actuary. Such rate shall be termed the employer's participating service

42 contribution and shall be uniform for all participating employers. Such  
43 additional liability shall be amortized as determined by the board. For all

1 participating employers described in this section, the board shall determine  
2 the actuarial cost method to be used in annual actuarial valuations to  
3 determine the employer contribution rates that shall be certified by the  
4 board.

5 (ii) The board shall determine for each such employer separately an  
6 amount sufficient to amortize all liabilities for prior service costs which  
7 shall have accrued at the time of entry into the system. On the basis of  
8 such determination the board shall annually certify to each such employer  
9 separately an actuarially determined estimate of the rate of contribution  
10 which shall be required to be paid by that employer to pay all of the  
11 liabilities for such prior service costs. Such rate shall be termed the  
12 employer's prior service contribution.

13 (2) The division of the budget and the governor shall include in the  
14 budget and in the budget request for appropriations for personal services  
15 the sum required to satisfy the state's obligation under this act as certified

19 system a sum sufficient to satisfy the obligation under this act as certified  
20 by the board.

21 (4) Each participating employer is hereby authorized to pay the  
22 employer's contribution from the same fund that the compensation for  
23 which such contribution is made is paid from or from any other funds

25 instrumentality of the state, which is by law authorized to levy taxes for  
26 other purposes, may levy annually at the time of its levy of taxes, a tax  
27 which may be in addition to all other taxes authorized by law for the  
28 purpose of making its contributions under this act and, in the case of cities  
29 and counties, to pay a portion of the principal and interest on bonds issued  
30 under the authority of K.S.A. 12-1774, and amendments thereto, by cities  
31 located in the county, which tax, together with any other fund available,  
32 shall be sufficient to enable it to make such contribution. In lieu of levying  
33 the tax authorized in this subsection, any taxing subdivision may pay such  
34 costs from any employee benefits contribution fund established pursuant to  
35 K.S.A. 12-16,102, and amendments thereto. Each participating employer  
36 which is not by law authorized to levy taxes as described above, but which  
37 prepares a budget for its expenses for the ensuing year and presents the  
38 same to a governing body which is authorized by law to levy taxes as  
39 described above, may include in its budget an amount sufficient to make  
40 its contributions under this act which may be in addition to all other taxes  
41 authorized by law. Such governing body to which the budget is submitted  
42 for approval, may levy a tax sufficient to allow the participating employer  
43 to make its contributions under this act, which tax, together with any other

1 fund available, shall be sufficient to enable the participating employer to  
2 make the contributions required by this act.

3 (5) (a) The rate of contribution certified to a participating employer as
