18 “(B) which, as of such date of enactment, is in  
19 critical status (within the meaning of section  
20 305(b)(2)), has a modified funded percentage of less  
21 than 40 percent (as defined in section 4(a)(1) of the  
22 Rehabilitation for Multiemployer Pensions Act of  
23 2019), and has a ratio of active to inactive partici-  
24 pants which is less than 2 to 5; or

1           “(C) which is insolvent for purposes of section  
2           418E of the Internal Revenue Code of 1986 as of  
3           such date of enactment, if the plan became insolvent  
4           after December 16, 2014, and has not been termi-  
5           nated;

6           and which is applying for a loan under section 4(a) of the  
7           Rehabilitation for Multiemployer Pensions Act of 2019  
8           may also apply to the corporation for financial assistance  
9           under this subsection, by jointly submitting such applica-  
10          tions in accordance with section 4(d)(2) of such Act. The  
11          application for financial assistance under this subsection  
12          shall demonstrate, based on projections by the plan actu-  
13          ary, that after the receipt of the anticipated loan amount  
14          under section 4(a) of such Act, the plan will still become  
15          (or remain) insolvent within the 30-year period beginning  
16          on the date of the loan.

17          “(2) In reviewing an application under paragraph  
18          (1), the corporation shall review the determinations and  
19          demonstrations submitted with the loan application under  
20          section 4(c) of the Rehabilitation for Multiemployer Pen-  
21          sions Act of 2019 and provide guidance regarding such  
22          determinations and demonstrations prior to approving any  
23          application for financial assistance under this subsection.  
24          The corporation may deny any application if any such de-  
25          terminations or demonstrations (or any underlying as-

1 sumptions) are unreasonable, or inconsistent with rules  
2 issued by the corporation, and the plan and the corpora-  
3 tion are unable to reach agreement on such determinations  
4 or demonstrations. The corporation shall prescribe any  
5 such rules or guidance not later than December 31, 2019.

6 “(3)(A) In the case of a plan described in paragraph

11 of the Rehabilitation for Multiemployer Pensions Act of  
12 2019 (determined without regard to paragraph (2) there-  
13 of) that, if provided as financial assistance under this sub-  
14 section instead of a loan, would allow the plan to avoid  
15 the projected insolvency.

16 “(B) Such amount shall not exceed the present value  
17 of the maximum guaranteed benefit with respect to all  
18 participants and beneficiaries of the plan under sections  
19 4022A and 4022B. For purposes of the preceding sen-  
20 tence, the present value of the maximum guaranteed ben-  
21 efit amount shall be determined by disregarding any loan  
22 available from the Pension Rehabilitation Administration  
23 and shall be determined as if the plan were insolvent on  
24 the date of the application, and the present value of the  
25 maximum guaranteed benefit amount with respect to such

1 participants and beneficiaries may be calculated in the ag-  
2 gregate, rather than by reference to the benefit of each  
3 such participant or beneficiary.

4 “(4) In the case of a plan described in paragraph  
5 (1)(C), the financial assistance provided pursuant to such  
6 application under this subsection shall be the present value  
7 of the amount (determined by the plan actuary and sub-  
8 mitted on the application) that, if such amount were paid  
9 by the corporation in combination with the loan and any  
10 other assistance being provided to the plan by the corpora-

15 if the corporation determines at the time of approval, or

17 that the plan’s 5-year expenditure projection (determined  
18 without regard to loan payments described in clause

8 relates. In the case of a plan described in paragraph  
9 (1)(C), such lump sum shall be provided not later than  
10 December 31, 2020.

11 “(6) Subsections (b) and (c) shall apply to financial  
12 assistance under this subsection as if it were provided  
13 under subsection (a), except that the terms for repayment  
14 under subsection (b)(2) shall not require the financial as-  
15 sistance to be repaid before the date on which the loan  
16 under section 4(a) of the Rehabilitation for Multiemployer  
17 Pensions Act of 2019 is repaid in full.

18 “(7) The corporation may forgo repayment of the fi-
