Dearest Dr. Flowers,

The ICS Association is a Non-Profit Corporation that organizes Medical and Political conferences worldwide. The first International Crisis Summit ('ICS') took place in the Rome Senate in Italy during the onset of the Covid-19 pandemic. It was organized to find international solutions to a global problem.

Since then, our Summits have taken place in several different countries including the European Parliament in Brussels, Belgium, the Palace of the Parliament in Bucharest, Romania, and the CPAC Conference in Washington, DC. We aim to unite leaders and experts worldwide to share information and initiate conversations to find constructive incentives and goals.

This conference will provide a strong platform for productive International discussions and help lay the firm groundwork for Global solutions.

On behalf of The ICS Association, it is our pleasure to cordially invite you to be a Guest of Honor speaker at our ICS Summit that is taking place from September 24 to September 28, 2024, in Tokyo, Japan.

Please feel free to contact us with questions or concerns at internationalcovids Summit@gmail.com

With Warmest Regards,
The ICS Association
